

The background of the book cover is a dense, artistic illustration of numerous Reishi mushrooms. The mushrooms are depicted in various shades of deep red, brown, and orange, with prominent concentric growth rings on their caps. They are shown growing on a dark, textured surface, possibly wood or rock, with some white, fibrous mycelium visible between the caps. The overall composition is a close-up, filling the entire frame with the organic shapes and textures of the fungi.

However, the growing number of products utilizing medicinal and aromatic plants (MAPs) has threatened an estimated 9 000 medicinal plant species worldwide, making it critical to reevaluate their research and development, production and utilization.
