*Rejoice, You're a Minister's Wife*, 1978      **Becoming the Pastor's Wife** Beth Allison Barr, 2025-03-18 Provides a blistering critique of the narrowing options for female leadership in the evangelical church A powerful indictment of an unequal system Publishers Weekly As a pastor's wife for twenty five years Beth Allison Barr has lived with assumptions about what she should do and who she should be In *Becoming the Pastor's Wife* Barr draws on that experience and her academic expertise to trace the history of the role of the pastor's wife showing how it both helped and hurt women in conservative Protestant traditions While they gained an important leadership role it came at a deep cost losing independent church leadership opportunities that existed throughout most of church history and strengthening a gender hierarchy that prioritized male careers Barr examines the connection between the decline of female ordination and the rise of the role of pastor's wife in the evangelical church tracing its patterns in the larger history ancient medieval Reformation and modern of Christian women's leadership By expertly blending historical and personal narrative she equips pastors wives to better advocate for themselves while helping the church understand the origins of the role as well as the historical reality of ordained women      *Rejoice, You're a Minister's Wife*, 1978      *Dynamic Studies in the Letters of John and Jude* Fred A.

Scheeren, 2024-07-12 This short series deals with a number of what are known as the New Testament Epistles In particular we will begin with the three Epistles of John John a disciple of Jesus Christ was one of the original twelve apostles and on a personal level is thought to be the person Jesus knew best He is the author of no fewer than five books of the New Testament This amounts to 8 3% of the New and Old Testaments combined and 20% of the books of the New Testament The books he authored include The Gospel of John The First Letter of John the Second Letter of John the Third Letter of John and the Revelation of Jesus Christ Jude deals with a time that is called the Apostasia the great falling away During this time many will refuse to listen to sound doctrine and be attracted to false teachers and heresies referenced in 2 Peter 2:1 and 2 Peter 3:3 Every believer should study Jude to understand the tactics of our enemy and stand against them Dr Richard Freeman Vice President of Chosen People Ministries said I have found Fred Scheeren's Bible study material to be quite thorough as well as extremely insightful I have used it as a resource myself in preparing Bible studies for group study and for my own personal study of the Bible I recommend it highly to others Steve White Ph D author and International Director of 21C International said Fred hits a great blend of commentary historical context and practical application The study questions are clear thought provoking and relevant I could easily recommend this for either individual or group study Robert T Mason former executive at an international firm and in his second career as a pastor said Fred has done it again He has a great way of opening up and explaining the Word of God This sentiment was echoed by Dr Dilo Paul a materials scientist who said I love these studies as they guide me through finding the answers to questions that arise during Bible study from the Bible itself      **The**
