Rekindling the Passion Susan S. Jorgensen, 1993

Knitting Into the Mystery Susan S. Jorgensen, Susan S.

Izard, 2003 Knitters there are some 38 million of them in the United States alone are part of a tradition that is both plainly practical and deeply spiritual With needles clicking they weave together not just garments to warm the body but also comfort and companionship to nurture the soul This tradition is flowering today through knitting ministries a worldwide ecumenical movement of women's groups gathering to pray and knit for those in need and those celebrating life's joys As they create shawls for others their handiwork becomes an expression of their love and of the loving care of the God who works through them Knitting into the Mystery shares the stories of how this ministry has touched lives and hearts around the world It offers directions for knitting the shawls and for starting a parish or community knitting ministry It also provides a selection of prayers written from many faith traditions to offer with each completed shawl Book jacket

THE renovation of the Roman catholic liturgy that has taken place in the wake of the Second Vatican Council has been perplexing if not disappointing to many within and outside the Church Many now feel that the much awaited reforms in the ritual heralded by Vatican II have not genuinely solved problems of man's cultic responses in worship but merely exposed in some cases even aggravated many difficulties in the Catholic liturgical experience Perhaps we have made more mistakes since the Council than we did in the past even including the latest batch of liturgical alterations But we can still profit from our errors in attempting to reconstruct and revalidate a worship experience for the Catholic community This is the approach taken by Professor Devine who has gained experience as a liturgical and sacramental theologian for over a decade since pre Conciliar days and who endeavors to approach this complex subject with insight hope and humor

Liturgical Renewal An Agonizing Reappraisal will be of interest to many Christians but specifically those of the Catholic tradition It should be attractive to the general readership but specially helpful to teachers and students of sacramental theology liturgics homiletics and Roman catholic studies It should also prove a boom to diocesan and parochial liturgists priests musicians and lay people
