Relating Intimacies Power And Resistance:

Relating Intimacies Julie Seymour,1999-11-26 Relating Intimacies contains papers presented at the 1997 British Sociological Association Conference which discuss contemporary research and theorizing with regard to intimate relationships Researchers examine the development of new forms of intimate relationships exploring their emotional and legal dimensions the issues of parenting in a changing world and the tensions and negotiations which are managed by those in intimate relationships This volume will be of interest to sociologists social policy and gender studies students social workers and legal students

Affective intimacies Marjo Kolehmainen,Annukka Lahti,Kinneret Lahad,2022-07-19 This volume provides a novel platform to re evaluate the notion of open ended intimacies through the lens of affect theories Contributors address the embodied affective and psychic sensorial and embodied aspects of their ongoing intimate entanglements across various timely phenomena This fascinating collection asks how the study of affect enables us to rethink intimacies what affect theories can do to the prevailing notion of intimacy and how they renew and enrich theories of intimacy in a manner which also considers its normative and violent forms This collection brings together a selection of original chapters which invite readers to rethink such concepts as care closeness and connectivity through the notion of affective intimacies Based on rigorous research it offers novel insights on a variety of themes from austerity culture to online discussions on regretting motherhood from anti ableist notions of health to teletherapies in the era of COVID 19 and from queer intimacies to critiques of empathy Lively and thought provoking this collection contributes to timely topics across the social sciences representing multiple disciplines from gender studies sociology and cultural studies to anthropology and queer studies By so doing it advances the value of interdisciplinary perspectives and creative methodologies for understanding affective intimacies

Same Sex Intimacies Catherine Donovan,Brian Heaphy,Jeffrey Weeks,2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other Same Sex Intimacies gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies

Virginia Woolf and the Ethics of Intimacy Elsa Högberg,2020-02-06 Revisiting Virginia Woolf s most experimental novels Elsa Högberg explores how Woolf s writing prompts us to re examine the meaning of intimacy In Högberg s readings of Jacob s Room Mrs Dalloway To the Lighthouse and The Waves intimacy is revealed to inhere not just in close

relations with the ones we know and love but primarily within those unsettling encounters which suspend our comfortable sense of ourselves as separate from others and the world around us Virginia Woolf and the Ethics of Intimacy locates this radical notion of intimacy at the heart of Woolf's introspective modernist poetics as well as her ethical and political resistance to violence aggressive nationalism and fascism Engaging contemporary theory particularly the more recent works of Judith Butler Luce Irigaray and Julia Kristeva it reads Woolf as a writer and ethical thinker whose vital contribution to the modernist scene of inter war Britain is strikingly relevant to critical debates around intimacy affect violence and vulnerability in our own time

Intimate Partner Violence in LGBTQ Lives Janice L. Ristock, 2011-04-26 Queer lives remain at the margins of most academic inquiry into domestic violence This edited volume seeks to change this discourse by bringing together the most innovative research about intimate partner violence that is specific to the lives of lesbian gay bisexual transgender Two Spirit and queer people LGBTQ

Men, Law and Gender Richard Collier, 2010-04-05 This book presents the first published comprehensive overview and critical assessment of the relationship between law and masculinities It provides a general introduction to the subject whilst engaging with the difficult question of what it means to speak of the masculinity of law in the first place

Doing Children's Geographies Lorraine van Blerk, Mike Kesby, 2013-10-31 Doing Children's Geographies provides a useful resource for all those embarking on research with young people Drawing on reflections from original cutting edge research undertaken across three continents the book focuses on the challenges researchers face when working with children youth and their families The book is divided into three sections The first section provides alternatives to some of the difficulties researchers face and highlights methodological innovations as geographers uncover new and exciting ways of working The second part specifically addresses the issues surrounding children and youth's participation providing critiques of current practice and offering alternatives for increasing young people's involvement in research design Finally the book broadens to a consideration of wider areas of concern for those working with children and youth This section discusses the nature of childhood in relation to research the place of emotions in research with young people and the process of undertaking applied research This book was previously published as a special issue of Children's Geographies

Critical Approaches to Care Chrissie Rogers, Susie Weller, 2012 Care shapes people's everyday lives and relationships and caring relations and practices influence the economies of different societies This interdisciplinary book takes a nuanced and context sensitive approach to exploring caring relationships identities and practices within and across a variety of cultural familial geographical and institutional arenas

Mothering the Self Stephanie Lawler, 2002-01-04 The mother daughter relationship has preoccupied feminist writers for decades but typically it has been the daughter's story at centre stage Mothering the Self brings together these maternal and daughterly stories by drawing on in depth interviews with women who speak both as mothers and as daughters This study examines the ways in which these mothers and daughters participate in their understanding of class gender and race locations both using and resisting them The result is a

fresh start from which to consider the far reaching implications of this relationship not simply for mothers and daughters but in terms of how we understand the shaping of the self and its place within the social world

Fifty Years of the Divorce Reform Act 1969 Joanna Miles, Daniel Monk, Rebecca Probert, 2022-02-24 The enactment of the Divorce Reform Act 1969 was a landmark moment in family law Coming into force in 1971 it had a significant impact on legal practice and was followed by a dramatic increase in divorce rates reflecting changes in social attitudes This new interdisciplinary collection explores the background to the 1969 Act and its influence on law and society Bringing together scholars from law sociology history demography and film and literature it reflects on the changes to divorce law and practice over the past 50 years and the changing impact of divorce on different people in society particularly women As such it offers a biography of this important piece of legislation moving from its conception and birth through its reception and development to its imminent demise Looking to the future and to the new law introduced by the Divorce Dissolution and Separation Act 2020 this collection suggests ways for evaluating what makes a good divorce law This brilliant collection gives insight not only into this crucial piece of legislation but also into a key period of societal change

Why Love Matters Sue Gerhardt, 2014-10-24 Why Love Matters explains why loving relationships are essential to brain development in the early years and how these early interactions can have lasting consequences for future emotional and physical health This second edition follows on from the success of the first updating the scientific research covering recent findings in genetics and the mind body connection and including a new chapter highlighting our growing understanding of the part also played by pregnancy in shaping a baby's future emotional and physical well being The author focuses in particular on the wide ranging effects of early stress on a baby or toddler's developing nervous system When things go wrong with relationships in early life the dependent child has to adapt what we now know is that his or her brain adapts too The brain's emotion and immune systems are particularly affected by early stress and can become less effective This makes the child more vulnerable to a range of later difficulties such as depression anti social behaviour addictions or anorexia as well as physical illness

Childhood and Sexuality Allison Moore, Paul Reynolds, 2017-10-25 This book explores how children engage with sex and sexuality Building on a conceptual and legal grounding in sexuality studies and the new sociology of childhood the authors debate the age of consent teenage pregnancy sexual diversity sexualisation sex education and sexual literacy paedophilia and sex in the digital age Whilst Moore and Reynolds recognise the necessity of child protection and safeguarding in the context of risk danger and harm they also argue that where these stifle children's sexual knowledge understanding expression and experience they contribute to a climate of fear ignorance and bad experiences or harms What is necessary is to balance safeguarding with enabling and encourage judicious understandings that advance from a rigid developmental model to one that recognises pleasure and excitement in children's nascent sexual lives Exploring that balance through their chosen issues they seek to encourage changed thinking in professional personal and academic contexts and speculate that children might teach adults something

about the way they think about sex Childhood and Sexuality will be of interest to students scholars and professionals across a range of subjects and disciplines including sociology social work criminology and youth studies **Family Law** John Dewar,Stephen Parker,2003-04-14 This volume contains an edited selection of the papers by contributors from around the world delivered at the 10th World Conference of the International Society of Family Law The papers cover three broad themes innovations in processes for resolving and determining family disputes changing patterns in family and professional practices and the political and other pressures operating on family law systems and law reform processes **Children, Food and Identity in Everyday Life** A. James,A. Kjørholt,V. Tingstad,2009-11-27 This book explores the significance of food practices for childhood identities from early babyhood to middle childhood and teenage years It examines how children and families negotiate food and eating practices what influence the media has on these the role institutions play and how far class and ethnicity shape the food that children eat A Sociology of Family Life Deborah Chambers,2015-02-11 New kinds of intimate relationships such as post divorce families co habiting couples friends as family and same sex unions are now commonplace This book explores the growing diversity of family life by presenting a comprehensive assessment of recent research and theory and foregrounds new thinking about family parenting childhood and personal life A Sociology of Family Life queries notions of moral decline by revealing a remarkable persistence of commitment and reciprocity across cultures in traditional and new family relations This insightful and innovative work examines factors such as gender race ethnic identity and new sexual lifestyles in relation to cultural customs government policies and social inequalities Global dimensions of intimate life are explored including the impact of population policies on fertility in several nations ethical dilemmas associated with reproductive technologies among different cultures interdependencies between rich and poor nations through the globalization of domestic care and transnational marriage strategies This book will be indispensable for students across the social sciences interested in change in intimate relations Selected by Choice as a 2013 Outstanding Academic Title

From Civil Partnership to Same-Sex Marriage Nicola Barker,Daniel Monk,2015-04-17 The Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 are important legal social and historical landmarks rich in symbolic material and cultural meanings While fiercely opposed by many within mainstream narratives they are often represented as a victory in a legal reform process that commenced with the decriminalisation of homosexuality Yet at the same time for others they represent a problematic and ambivalent political engagement with the institution of marriage Consequently understood or labelled as revolutionary progressive and conservative these legal reforms provide a space for thinking about issues that arguably affect everyone regardless of sexual orientation or relationship status This edited collection brings together scholars and commentators from a range of backgrounds generations and disciplines to reflect on the first ten years of civil partnerships and the introduction of same sex marriage Rather than rehearsing the arguments for and against relationship recognition the essays ask original questions draw on a variety of methods and collectively provide a detailed and reflective

snap shot of a critical moment a history of the present as well as providing a foundation for innovative ways of thinking about and engaging with the possibilities and experiences arising from the new reality of relationship recognition for gays and lesbians Gender and Child Protection Jonathan Bryn Scourfield,2018-06-26 It has been widely noted in the social work literature that the practice of child protection is highly gendered When it comes to child abuse women come under more scrutiny and men who are more likely to present a risk of harm to children are not engaged with This important text takes stock of this controversial topic examining the state of policy and theory on the subject and exploring the organisational culture and the professional knowledge and values that influence contemporary social work in the field of child welfare Skilfully combining theory with illustrative example it concludes by focusing on the lessons for practice *Sexuality and the Politics of Violence and Safety* Les Moran,Beverley Skeggs,2014-02-04 *Sexuality and the Politics of Violence* offers a timely and critical exploration of issues of safety and security at the centre of responses to violence Through a multi disciplinary analysis drawing on feminism lesbian and gay studies sociology cultural geography criminology and critical legal scholarship the book offers to transform the way we understand and respond to the challenges raised by violence It breaks new ground in its examination of the rhetoric and politics of violence property home cosmopolitanism and stranger danger in the generation of safety and security Using interviews focus groups and surveys with lesbians and gay men *Sexuality and the Politics of Violence* draws upon real life experiences of safety and security It raises some fundamental challenges to the law and order politics of existing scholarship and activism on homophobic hate crime **Responsibility, Law and the Family** Jo Bridgeman,Craig Lind,2016-04-08 Focusing on moral social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility constructions of children s responsibilities shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology socio legal studies and law to discuss responsibilities prior to birth responsibilities for children as well as responsibilities of children and of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field **Children and the Changing Family** An-Magritt Jensen,Lorna McKee,2003-12-08 This timely and thought provoking book explores how social and family change are colouring the experience of childhood The book is centred around three major changes parental employment family composition and ideology The authors demonstrate how children s families are transformed in accordance with societal changes in demographic and economic terms and as a result of the choices parents make in response to these changes Despite claims that society is becoming increasingly child centred this book argues that children still have little influence over the major changes in their lives This book breaks new ground by researching family change from the child s point of

view Through combinations from childhood experts in Scandinavia the UK and America the book shows the importance of studying children's lives in families in order to understand how far children are active agents in contemporary society Students of childhood studies sociology social work and education will find this book essential reading It will also be of interest to practitioners in the social child and youth services
