**Honor Your Father and Mother** Pamela S. Ellis, 2008-10 **Words** Ernst van den Hemel, Asja Szafraniec, 2016-06-15 It is said that words are like people One can encounter them daily yet never come to know their true selves This volume examines what words are how they exist in religious phenomena Going beyond the common idea that

language merely describes states of mind beliefs and intentions the book looks at words in their performative and material specificity The contributions in the volume develop the insight that our implicit assumptions about what language does guide the way we understand and experience religious phenomena They also explore the possibility that insights about the particular status of religious utterances may in turn influence the way we think about words in our language **James**

**Alison and a Girardian Theology** John P. Edwards,2020-05-14 Opening with a Foreword by James Alison this volume is the first in depth treatment of Alison s theological method John P Edwards shows that Alison s theological project outstrips Ren Girard s application of mimetic theory to theology He concludes that an explicitly Christian theological perspective is necessary for providing a fully coherent account of Girard s notions of conversion and mimetic desire This volume grounds Alison s theological method in his understanding of the ongoing interaction between conversion and theological reflection which is informed by his use of mimetic theory While Alison describes this method as theology in the order of the discovery the author refers to it as an inductive theology The volume closes by demonstrating that such a theology bears fruit in a renewed understanding of the value of Christian doctrines and particularly the doctrine of revelation **Global**

has become a fact of life in our globalized societies Yet Christian engagement with Muslims remains complex complicated by fear misunderstanding and a history fraught with political and cultural tensions These essays drawn from the 2018 and 2019 Middle East Consultations hosted by the Arab Baptist Theological Seminary s Institute of Middle East Studies engage the need for a carefully developed theological understanding of Islam its origins and its sacred text Weaving together the work of christian scholars of Islam the Bible theology and missiology along with the insights of ministry practitioners this book combines scholarly exploration with pertinent ministry practice offering a rich framework for the church to continue its

conversation about its engagement with Muslim communities and its proclamation of Christ worldwide **Finding Hope in This World of Turmoil** Trevor Bartley, 2016-09-24 The resurrection message is the most important part of our belief system Without the truth of the resurrection message our faith is just another religion with no real substance The Resurrection sets Christianity apart This book is dedicated to establishing this truth The extent of the work of Christs resurrection is staggering However if there is one topic that is the central message of the Bible it is the sacrifice of Christ The Old Testament looks forward to it whereas the New Testament looks back at it We must be extremely careful not to allow these two ordinances to become routine in our Christian life communion and baptism and thereby reduce the significance of what Jesus did for us at his sacrifice and resurrection The greatest gift that anyone can be given is eternal life and the one that made that possible is Jesus In Christ we have victory provided we see ourselves dead to sin and raised together with him Even so consider yourselves also dead to sin and your relation to it broken but alive to God living in unbroken fellowship with Him in Christ Jesus Romans 6 11 AMP I have been crucified with Christ in Him I have shared His crucifixion it is no longer I who live but Christ the Messiah lives in me and the life I now live in the body I live by faith in by adherence to and reliance on and complete trust in the Son of God Who loved me and gave Himself up for me Therefore I do not treat Gods gracious gift as something of minor importance and defeat its very purpose I do not set aside and invalidate and frustrate and nullify the grace unmerited favor of God For if justification righteousness acquittal from guilt comes through observing the ritual of the Law then Christ the Messiah died groundlessly and to no purpose and in vain His death was then wholly superfluous Galatians 2 20 AMP We need to remember that the story doesnt end with Jesuss death He is currently in heaven in his resurrected body and one day he will return The resurrection of Jesus was an act of the supreme love of God Remember our identification is in who we are in Christ and his resurrection The Bible tells us in John 14 12 that the things Christ has done we can do and greater than these we will do because he goes to the Father The resurrection demonstrated Jesuss victory over the power of death and confirms there is life beyond the grave Jesus Christ offers us a resurrection power beyond ourselves that can make us alive it empowers us to overcome the limitations of this realm with an infused ability as we focus on the Spirit of power working within us I hope you receive much insight and revelation as you discover the wholeness of what Jesus achieved for you and me *Always On (Theology for the Life of the World)* Angela Williams Gorrell, 2019-05-21 Many of us are always on scrolling through social media checking email or searching the web New media spaces can be sites and instruments of God s unconditional love but they can also nurture harmful conditions and become sources of anxiety jealousy and despondency Always On provides useful tools for helping students and congregants understand the world of social media and engage it faithfully enabling Christian communities to address its use in constructive pastoral ways The book includes discussion questions and sample exercises for each chapter **CSB Harmony of the Gospels** Steven L. Cox, Kendell Easley, CSB Bibles by Holman, 2024-06-15 CSB Harmony of the Gospels is a synchronized reading of the Gospels

based on the work of John A Broadus and A T Robertson with each Gospel writer s account of events side by side In addition to the harmonious layout articles and commentary notes are included to provide deeper understanding of the four Gospels and the harmonized account of the life and teachings of Jesus CSB Harmony of the Gospels features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others **Feasting on the Word: Year B, Volume 4** David L. Rodkey, Jordan E. Miller, 2018-10-10 The Palgrave Handbook of Radical Theology is the definitive guide to radical theology and the commencement for new directions in that field For the first time radical theology is addressed and assessed in a single comprehensive volume including introductory and historical essays for the beginner essays on major figures and their thought and shorter articles on various themes concepts and related topics This book is a seminal work for the radical theology movement It clarifies origins and demonstrates the exigency and utility of current figures and issues A useful and essential guide for newcomers and veterans in the field this volume serves as both a reference work and an introduction to omitted or forgotten topics within contemporary discussions **Worldview Theory, Whiteness, and the Future of Evangelical Faith** Jacob Alan Cook, 2021-09-28 The twenty first century has seen energy passing between religious and political worldviews kicking up dust around the identity and conviction based fault lines in American society While many evangelical Christians have developed and deployed a worldview theory to describe and locate themselves within the world s ideological strife Jacob Cook argues this approach has in effect compelled those listening to adopt the world s divisive modes of dealing with difference rather than living out a compelling alternative As a popular framework for theology in recent history world viewing has driven its white evangelical adherents to narrate human lives in this world including their own in ways that warp Christian identity as a personal social and theological reality Through close studies of key white evangelical leaders who utilized the worldview concept for political engagement and cultural transformation over the last century Cook reveals why worldview theory is inept for grasping real human complexity and

moreover how it forms a barrier to genuine life together as creatures in a world only the living God can really view In between these studies he draws from current conversations in psychology sociology critical race studies and other fields to deliver a vigorous critique of the worldview concept and its use as well as its underlying impulse and to unmask what world viewing shares with the history and spirit of whiteness This book is for those wrestling with the relationship between Christianity and whiteness in America how the dynamics of whiteness have become transparent and thus contentions and where to go from here if one is to follow Jesus

**The Fourfold Office of Christ** John C. Nugent, 2024-01-02 How should the church relate to the world For over seven decades the classic categories of Christ and Culture have monopolized Christian answers to this question Nearly everyone bought into H Richard Niebuhr's lofty world transforming vision And now that everyone's trying to make the world better we keep clashing about how to do so We all want God's will to be done on earth as in heaven but deep disagreements about how to get there keep fracturing Christ's body and subverting our testimony Jesus was right our witness to the world depends on our unity and our love for one another In recent years we've been failing at both Political partisanship and constant infighting have wounded the vulnerable and driven countless people from the pews It's time to revisit church world relations with fresh eyes and a stubborn commitment to God's revelation in Scripture Offering a new typology for the twenty first century *The Fourfold Office of Christ* lucidly examines the most common ways of relating church and world John C Nugent employs the memorable categories of prophet priest king and servant to showcase the strengths and weaknesses of various approaches He then charts a rigorously scriptural and surprisingly hopeful path forward
