Relationships In Marriage And The Family:

Relationships in Marriage and the Family Nick Stinnett, James Walters, Evelyn Kaye, 1984 **Relationships in Marriage & the Family** Nick Stinnett, James Walters, Nancy M. Stinnett, 1991 **Our Intimate Relationships** Ollie Pocs, 1994 *Marriages and Families* David H. L. Olson, John D. DeFrain, 2002-08 This introduction to marriages and families accentuates the positive aspects of relationships and focuses on enriching students knowledge and experience in building strong successful couple and family relationships The authors both seasoned family scholars and therapists integrate research theory and practical application with an interdisciplinary perspective on marriage and family *Marriage and the Family* Karen Kayser Kersten, Lawrence K. Kersten, 1988 Understanding Marriage, Family, and Intimate Relationships Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one s life It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations The text provides material on the research of John Gottman the object relations theory of Harville Hendrix the solution focused approach of Michele Weiner Davis and the PREP approach to conflict management of Markman Stanley and Blumberg These and other topics discussed are very relevant to students concerns and are addressed in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting www.understandingrelationships.net *Handbook of Marriage and the Family* Gary W. Peterson, Kevin R. Bush, 2012-09-14 The third edition of Handbook of Marriage and the Family describes analyzes synthesizes and critiques the current research and theory about family relationships family structural variations and the role of families in society This updated Handbook provides the most comprehensive state of the art assessment of the existing knowledge of family life with particular attention to variations due to gender socioeconomic race ethnic cultural and life style diversity The Handbook also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for scholars and professionals but also

serve as the primary graduate text for graduate courses on family relationships and the roles of families in society In addition the involvement of chapter authors from a variety of fields including family psychology family sociology child development family studies public health and family therapy gives the Handbook a multidisciplinary and interdisciplinary framework

Encyclopedia of Marriage and the Family David Levinson,1995 Provides a compendium of knowledge about marriage family and human relations **Intimate Relationships, Marriages, and Families** Mary Kay DeGenova,F. Philip Rice,2005 This comprehensive introduction to marriage and the family combines the most current research base with an emphasis on family background and diversity It presents a positive perspective on families and focuses on the importance of public and social policy in the lives of families Each chapter concludes with a section on public policy and critical thinking questions The text makes research and statistics easy for students to follow and understand and it integrates cultural diversity throughout
