Relative Freedoms Women And Leisure

Emma Casey

Relative Freedoms Women And Leisure:

Women's Leisure in England, 1920-1960 Claire Langhamer, 2000 This study examines the complex relationship between women and leisure drawing upon recent feminist theory The text charts the changes in perception representation and experiences of leisure for women between 1920 and 1960 and relates the changes to life cycle lines **Relative Freedoms** Erica Wimbush, Margaret Talbot, 1988 Uitgaande van de opvattingen over vrijetijdsbesteding van vrouwen en hun persoonlijke ervaringen ermee worden in deze publikatie de factoren weergegeven die vrouwen beperken in hun mogelijkheden ertoe zoals b v een versnipperde dagtaak weinig meewerkende partners beperkte eigen financiële middelen en geringe mobiliteit als ook angst voor aanranding *Gender, Space and Time* Dorothy Moss, 2006-01-01 Drawing on the work of Henri Lefebvre and Barbara Adam *Gender Space and Time* is a brilliant study that offers a unique and original threefold conceptualization of how space and time is developed and applied in an empirical study of women's lives Author Dorothy Moss focuses on the everyday practice and experience of women higher education students at a community college in northern England Women's action is considered in relation to the complex and interconnected spheres of paid work home leisure community and higher education Through highlighting concepts of space and time the complex relationship between networks of power and personal action gains visibility Moss conceptualizes women as centers of action and demonstrates the ways in which they construct personal pathways connect different spheres of experience integrate new time demands into the multiple rhythms of their everyday lives and carve out personal space *Gender Space and Time* is a timely and compelling work certain to be of interest to scholars of sociology women's studies and anthropology *Researching Women and Sport* Gill Clarke, Barbara Humberstone, 2016-07-27 This book aims to fill an important gap in feminist literature In so doing it addresses critical issues in feminist research around women sport physical activity and PE All too frequently women's presence in the sporting arena is marginalised and rarely are women's experiences heard and analysed Drawing on a diversity of women's perspectives and theoretical standpoints this book focuses upon the neglected process of research with women about sport All contributors to this collection have drawn on their research to illuminate and illustrate the dilemmas and issues involved in researching women's lives *The Routledge History of Women in Europe Since 1700* Deborah Simonton, 2006-04-27 This landmark publication collects the essays of the leading women's historians and provides the most coherent overview of women's role and place in Western Europe from the beginning of the eighteenth century to the twentieth century *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith, 2008 The *Encyclopedia of Women in World History* captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians

have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region. They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected. The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes. The Encyclopedia contains over 1,250 signed articles arranged in an A-Z format for ease of use. The entries cover six main areas: biographies, geography, and history; comparative culture and society; including adoption, abortion, performing arts, organizations, and movements such as the Egyptian Uprising and the Paris Commune; women's and gender studies; and topics in world history that include slave trade, globalization, and disease. With its rich and insightful entries by leading scholars and experts, this reference work is sure to be a valued go-to resource for scholars, college and high school students, and general readers alike. *Sporting Females*

Jennifer Hargreaves, 2002-09-11 1994 North American Society for the Sociology of Sport Annual Book Award. An outstanding contribution to feminist analysis of sport from the nineteenth century to the present day. Jennifer Hargreaves views sport as a battle for control of the physical body and an important area for feminist intervention. Placing women at the centre of discussion, no other book is as comprehensive. The Feminization of Sports Fandom Stacey Pope, 2017-05-08

Women fans have entered the traditionally male domain of the sports stadium in growing numbers in recent years. Watching professional sport is important for women for so many reasons, but their expectations and experiences have been largely ignored by academics. This book tackles these shortcomings in the literature and sheds new light on the many ways in which women become sports fans. This groundbreaking study is the first to focus on the phenomenon of the feminization of sports fandom. Including original research on football and rugby union in the UK, it looks at the increasing opportunities for women to become sports fans in contemporary society and critically examines the way this form of leisure is valued by women. Drawing upon feminist thinking and intersectionality, it shows how women from different social classes and age groups consume the spectacle of sport. This book is fascinating reading for any student or scholar interested in sport and leisure studies, sociology, and gender or women's studies. **Women, Pleasure and the Gambling Experience** Emma Casey, 2016-02-17

Drawing on a broad range of historical and sociological literature, this book traces the everyday gambling experiences of a diverse group of women. It provides fascinating and original insights into the pleasures afforded to women through their gambling participation and draws on a variety of feminist literature to understand women's motivations and experience of play and to examine the ways in which women negotiate their right to gamble without reprimand. Since gambling tends to be framed within moral discourses of danger and excess, this book offers a defence of women's decisions to gamble against an often hostile backdrop. It rewrites claims that gambling is meaningless and reckless spending by pointing instead to the highly complex strategies that women who gamble employ. Importantly, it adds to contemporary feminist debates about women's

leisure by showing how women seize control of their lives in order to carve out a time and space for the pursuit of pleasure

Sport and Society Barrie Houlihan, 2007-12-20 Praise for the First Edition Barrie Houlihan's astonishingly ambitious and skilfully assembled collection examines the relations between sport social policy and the social context that underlies the two. Organized around such themes as exclusion commercialism and international comparisons the book allows the reader to understand not only the centrality of sport to contemporary society but the often perplexing policies that contrive to encourage or deny participation promote or deter public sector involvement and support or undermine physical education. Importantly Houlihan never prioritises the general over the particular always striving to find detail amid the bigger picture. Ellis Cashmore Professor of Culture Media and Sport Staffordshire University The most comprehensive study of contemporary issues in sport by leading international scholars Houlihan's book is the answer to sports students' prayers full of information statistics tables and figures extensive guides to further reading and most important of all challenging ideas. A weighty vademecum for the early 21st century. Jim Riordan Honorary Professor of Sports Studies University of Stirling Professor Emeritus at University of Surrey and President of the European Sports History Association Fully updated and revised the Second Edition of Barrie Houlihan's ground breaking book provides students and lecturers with a one stop text that is comprehensive multi disciplinary accessible international and engaging. *Sport and Society* allows students to Approach the study of sport from a multi disciplinary perspective Understand the importance of social structure power and inequality in analyzing the nature and significance of sport in society Address the rapid commercialization and regulation of sport Engage in comparative analysis to understand problems clearly and produce sound solutions Expand their knowledge through chapter summaries guides to further reading and extensive bibliographies This Second Edition contains five brand new chapters which reflect recent concerns with young athletes and human rights sport and the city sport and violence sport and health and sport and Islam A superb teaching text it will be relished by lecturers seeking an authoritative introduction to sport and society and students who want a relevant enriching text for their learning and research needs Qualitative

Research in Tourism Jenny Phillimore, Lisa Goodson, 2004 Whilst qualitative approaches are beginning to be more commonly used and accepted in tourism discussions of research methods have rarely moved beyond practical considerations. Limited attention given to the underlying philosophical and theoretical underpinnings that influence the research process. This book links the theory with research practice to offer a more holistic account of how qualitative research can be used in tourism.

Encyclopedia of Human Behavior, 2012-01-31 The Encyclopedia of Human Behavior Second Edition Three Volume Set is an award winning three volume reference on human action and reaction and the thoughts feelings and physiological functions behind those actions. Presented alphabetically by title 300 articles probe both enduring and exciting new topics in physiological psychology perception personality abnormal and clinical psychology cognition and learning social psychology developmental psychology language and applied contexts. Written by leading scientists in these disciplines every article has

been peer reviewed to establish clarity accuracy and comprehensiveness The most comprehensive reference source to provide both depth and breadth to the study of human behavior the encyclopedia will again be a much used reference source This set appeals to public corporate university and college libraries libraries in two year colleges and some secondary schools Carefully crafted well written and thoroughly indexed the encyclopedia helps users whether they are students just beginning formal study of the broad field or specialists in a branch of psychology understand the field and how and why humans behave as we do Named a 2013 Outstanding Academic Title by the American Library Association s Choice publication Concise entries ten pages on average provide foundational knowledge of the field Each article features suggested further readings a list of related websites a 5 10 word glossary and a definition paragraph and cross references to related articles in the encyclopedi Newly expanded editorial board and a host of international contributors from the United States Australia Belgium Canada France Germany Ireland Israel Japan Sweden and the United Kingdom

Women and Travel Catheryn Khoo-Lattimore, Erica Wilson, 2017-03-31 Women and Travel Historical and Contemporary Perspectives is a fascinating look at the behavior motivations experiences and needs of women as tourists and travellers drawing on both historic and contemporary eras Surprisingly little research has explored key issues experiences and opportunities in the context of women s travel This revealing volume fills this gap exploring the discourses debates and discussions about women travel and tourism With an international roster of contributors from diverse regions of the world the book celebrates a variety of women s voices Khoo Lattimore and Wilson deliberately sought to include nontraditional and non Western perspectives on women s travel with inclusions of Asian solo female travelers Islamic women travellers and the constraints placed on them and women who cannot travel or choose for whatever reason a home holiday This enlightening volume brings together scholars from the broad areas of tourism hospitality geography and leisure studies to examine how and why women travel The chapters bring light to perspectives from different countries cultures backgrounds and religions and utilize different methods approaches and styles of presentation Women and Travel Historical and Contemporary Perspectives will be of interest to academics and graduate students from a range of disciplines including tourism leisure studies sociology cultural geography anthropology feminist and gender studies business economics and management as well as professionals working in the tourism industry particularly those with an interest in niche markets and segmentation

A Handbook of Leisure Studies C. Rojek, S. Shaw, A. Veal, 2006-06-20 A unique international resource for Leisure Studies in one volume the history organization and central debates in the field of Leisure Studies are defined providing a one stop shop for students and an agenda for future debate and research academics

[The Life Course](#) Stephen J. Hunt, 2017-09-16 Dramatic social transformation in Western society over recent decades has had a profound impact on the way the life course is studied While people continue to experience the implications of class gender ethnicity and of course age they are more than ever able to take personal control of their own lives The Life Course considers how in a diverse and uncertain world the previously predictable stages of life are no longer

fixed but increasingly open to change Focusing on continuities and change this book looks not only at the different phases of life but also at the transformation of a number of closely related social institutions such as the family education and the workplace Recognising that the established cradle to grave view is now outdated the trajectory from infancy and youth to later and end of life is followed not as a stable object of study but as a starting point for critical analysis This second edition offers an essential overview of the sociology of the life course incorporating both contemporary and conventional perspectives It calls upon current theorising around the life course as well as on up to date empirical research data This thought provoking text is relevant to researchers and students of life course studies and sociology as well as to those in nursing social work and related caring professions

Taking Public Universities Seriously Frank Iacobucci,Carolyn J. Tuohy,Carolyn Hughes Tuohy,2005-01-01 Taking Public Universities Seriously includes all the papers given at this conference and is enhanced by a comprehensive introduction by two of Canada s most prominent and experienced university administrators Frank Iacobucci and Carolyn Tuohy

Understanding Sport John Horne,Alan Tomlinson,Garry Whannel,Kath Woodward,2012 In the decade or more since publication of the first edition of Understanding Sport both sport and wider global society have undergone profound change In this fully updated revised and expanded edition of their classic textbook John Horne Alan Tomlinson Garry Whannel and Kath Woodward offer a critical and reflective introduction to the relationship between sport and contemporary society and explain how sport remains an important agent and symptom of socio cultural change Fully integrating historical sociological political and cultural analysis the book covers every key topic in the study of sport and society including debate interpretation and theory sport and the media sport and the body sport and politics commercialization globalization Retaining the accessibility and scholarly rigour for which Understanding Sport has always been renowned this new edition includes entirely new chapters on global transformations sports mega events and sites sporting bodies and governance as well as a succinct guide to researching sport With review and seminar questions included in every chapter plus concise helpful guides to further reading Understanding Sport remains an essential textbook for all courses on sport and society the sociology of sport sport and social theory or social issues in sport

The Politics of Domestic Consumption Stevi Jackson,Shaun Moores,2014-06-06 This Reader brings together a broad range of critical work on on the everyday practices and power relations of domestic consumption drawing on material from sociology women s studies and media and cultural studies The book is divided into five main sections on economics food and clothing leisure and media reception household technologies and the construction of home and its selected contributions examine the social dynamics of gender generation class and ethnicity

Managing Tourism and Hospitality Sectors for Sustainable Global Transformation Kumar, Pankaj,Gupta, S.K.,Korstanje, Maximiliano E.,Rout, Prakash Chandra,Madhurima,2024-05-06 The tourism and hospitality sectors face significant challenges in balancing economic growth with environmental preservation and socio cultural integrity The rapid growth of global travel exacerbated by

phenomena like revenge travel following the pandemic has highlighted the urgent need for sustainable practices. However, implementing such practices is often needed due to comprehensive guidance and understanding of effective strategies. *Managing Tourism and Hospitality Sectors for Sustainable Global Transformation* offers a holistic approach to addressing these challenges. It thoroughly examines current issues and trends, offering actionable solutions grounded in research and best practices. By exploring the integration of AI technologies, the book presents innovative ways to enhance sustainability in tourism, from mitigating adverse impacts to promoting positive outcomes.

Sociology of Sport and Physical Education
Anthony Laker, 2012-10-12

This text is intended for undergraduates on various education and sport-related degree courses. It covers the key current issues in the field of sociology of sport and physical education. The first section of the text covers the importance of sport in culture, its theoretical background, and methodological issues in research. The main body of the text then discusses issues including the sporting body, participation and socialisation into sport, the hidden curriculum, critical pedagogy, and sport and the media. Laker discusses in depth gender, race, and ethnicity, class, and equality, and he looks at sport and the media and the involvement of politics. The chapters are each rounded off with challenging reflection questions, activities, and tasks for the reader to fulfill.

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **Relative Freedoms Women And Leisure**

In a world inundated with displays and the cacophony of fast conversation, the profound power and emotional resonance of verbal artistry often fade in to obscurity, eclipsed by the constant onslaught of sound and distractions. Yet, nestled within the lyrical pages of **Relative Freedoms Women And Leisure**, a captivating work of literary beauty that impulses with organic thoughts, lies an remarkable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, this magical opus instructions readers on a mental odyssey, gently exposing the latent possible and profound influence embedded within the complex web of language. Within the heart-wrenching expanse of the evocative evaluation, we can embark upon an introspective exploration of the book is central themes, dissect its interesting writing type, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
