

The background of the book cover is an abstract, artistic representation of light and space. It features a dark, deep blue or black background, overlaid with numerous bright, ethereal streaks and wisps of light. These light elements are primarily in shades of pale blue, cyan, and a soft yellow-gold. They appear to be moving or radiating from various points, creating a sense of dynamic energy and depth, reminiscent of a cosmic or subatomic scene. The overall effect is one of mystery and intellectual exploration, fitting for a book about relativity and time.
