You Lost Your Job, Now Find Your Life!* Lloyd Edward Hopkins II, 2013-12-05 If you are not waking up every day in love with your life it is time to make a change If you are not in love with the person you are with if you are not in love with your job if you are not in love with the station you inhabit you must realize that you are staying out of fear A fear of the unknown You probably think these things are your safety net but they are not They are your leash The leash that is holding you back from your happiness and truly experiencing life It would be the words that my younger brother shared with me Great You lost your job now find your life on the day I was terminated from my job that would inspire me to write this book I wanted to keep a journal of my thoughts experiences and ideas every day until I was employed again One day turned into a week a week turned into a month and a month would eventually turn into a year It would be that year that would change my life forever I was forced to face the reality of who I had become I was able to manage to become a somewhat successful person in life without becoming a complete person Without truly knowing myself My hope is that this book lands in your hands when you need it most I think our priorities are all wrong We are chasing wealth and material things thinking those are what will give us a fulfilling existence We are wrong and it is time for each of us to find our life Lloyd Hopkins [Follow the Dreams](#) Yi Ke, 2019-09-30 Nan Xu's footsteps were filled with helplessness and hesitation They were filled with hope and dreams as well as the endless love affairs A man who fought for his dream a man who chased after women and was chased by women **Predestined in My Purpose** Mary A. Newman Baldwin PhD, 2020-12-11 Every life experience you have ever faced no matter how traumatic was necessary for your growth physically spiritually and mentally Every encounter you have had and every decision you have made up to this moment has already been accounted for in the script of your life Where you are at this exact moment in time is where you are supposed to be What you

are doing or have done leading to this moment in time is exactly what you were supposed to do Predestined in My Purpose explores the idea that every encounter we have leads us one step closer to our greater cause or purpose When faced with the negative energy floating around in the universe how do we replace the negative with the good How do we cope with our traumatic life experiences How do we as a society begin the healing process Asking forgiveness of others forgiving others and forgiving ourselves can change our perspective It can lead to healing not only in ourselves but also in the world as a whole Adversity builds our character strengthens us and brings us to our expected endings the ones written from before our birth No matter what issues we face in life we are all predestined to WIN Uplifting and encouraging this guide demonstrates the way in which all our experiences contribute to helping us grow and bringing us to our destined purpose *Predestined To Bless* Ronald J. Smith, 2012-06-13 The continuing saga of the day in a life of a sinner struggling with christianity With every realization of whom God and Jesus is and that they are one along with the Holy Ghost comes life and struggle and doubt and fear Seeing this as a failure in your christian walk would be inconsistent with the reality of life itself Predestined to Bless is a revelation of the struggle and the issues we go through as christians but the continuous reality and knowledge of who God is It is God s word itself that propels us to continue moving forward when we would rather stand still It is God s inner presence in our lives that comforts us when we believe that we have given up The mistake we make as christians is to deny our frailties instead of embracing them along with God s loving kindness It is not so much about seeing the light at the end of the tunnel but knowing that the light is with you while you are in the tunnel May you be blessed in your reading as I believe this book is predestined to do [Get Your Life Back](#) Mary Heath, 2015-09-21 A 12 WEEK JOURNEY TO PEACE OF MIND Will help anyone who experiences any of the following Stress at home or in the workplace General Anxiety State or Anxiety Disorders such as OCD and Phobias Panic Attacks Depression Low Mood or Melancholia Low Confidence and Self Esteem If you have reached Breakdown or Burnout this unique and life changing book will be invaluable to you Whilst working in a mental health setting for 30 years Mary Heath soon discovered that everyone she encountered shared a similar problem no one appeared to have any knowledge at all of how to cope with the stress of life and its consequences The great majority of patients had no coping skills or strategies at all No one had been taught how to deal with stress and many didn t even know what stress was and why they felt so helpless so alone and so afraid Mary on the other hand had a very large toolbox and a set of skills that helped all of them to change their lives around and become healthier and stronger in every way Having been trained in many disciplines in the field of stress anxiety depression and personal development she was able to tailor an individual s requirements according to their specific needs Working with a wide ranging and extensive variety of therapies Mary taught people not just how to cope but how to really live again Many of the techniques and therapies Mary used can be found in this book and include The Simple Principles of the Philosophy of Yoga Pranayama a unique sequence of breath control exercises Relaxation Meditation and Mindfulness Stress and Anxiety Management Depression Management
