**Launching the War on Poverty** Michael L. Gillette, 2010-07-09 Head Start Job Corps Foster Grandparents College Work Study VISTA Community Action and the Legal Services Corporation are familiar programs but their tumultuous beginning has been largely forgotten Conceived amid the daring idealism of the 1960s these programs originated as weapons in Lyndon Johnson's War on Poverty an offensive spearheaded by a controversial new government agency Within months the Office of Economic Opportunity created an array of unconventional initiatives that empowered the poor challenged the established order and ultimately transformed the nation's attitudes toward poverty In *Launching the War on Poverty* historian Michael L Gillette weaves together oral history interviews with the architects of the Great Society's boldest experiment Forty nine former poverty warriors including Sargent Shriver Adam Yarmolinsky and Lawrence F O'Brien recount this inside story of unprecedented governmental innovation The interviews capture the excitement and heady optimism of Americans in the 1960s along with their conflicts and disillusionment This new edition of *Launching the War on Poverty* adds the voice of Lyndon Johnson to the story with excerpts from his recently released White House telephone conversations In these colorful and brutally candid conversations LBJ exercises his full arsenal of presidential powers political leverage and legendary persuasiveness to win one of his most difficult legislative battles The second edition also documents how the OEO's offspring survived their volatile origins to become broadly supported features of domestic policy

*The War on Poverty* Annelise Orleck, Lisa Gayle Hazirjian, 2011-11-01 Lyndon Johnson's War on Poverty has long been portrayed as the most potent symbol of all that is wrong with big government Conservatives deride the War on Poverty for corruption and the creation of poverty pimps and even liberals carefully distance themselves from it Examining the long War on Poverty from the 1960s onward this book makes a controversial argument that the programs were in many ways a success

reducing poverty rates and weaving a social safety net that has proven as enduring as programs that came out of the New Deal The War on Poverty also transformed American politics from the grass roots up mobilizing poor people across the nation Blacks in crumbling cities rural whites in Appalachia Cherokees in Oklahoma Puerto Ricans in the Bronx migrant Mexican farmworkers and Chinese immigrants from New York to California built social programs based on Johnson s vision of a greater more just society Contributors to this volume chronicle these vibrant and largely unknown histories while not shying away from the flaws and failings of the movement including inadequate funding co optation by local political elites and blindness to the reality that mothers and their children made up most of the poor In the twenty first century when one in seven Americans receives food stamps and community health centers are the largest primary care system in the nation the War on Poverty is as relevant as ever This book helps us to understand the turbulent era out of which it emerged and why it remains so controversial to this day

**A Relevant War Against Poverty** ,1968 **Examination of the War on Poverty: Washington, D.C., March 13, 15, 16, and 17, 1967** United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Employment, Manpower, and Poverty,1967 *Relevant War Against Poverty* Kenneth Bancroft Clark,1969 **Research in Education** ,1972-05 *Native Activism in Cold War America* Daniel M. Cobb,2008 Broadens the scope and meaning of American Indian political activism by focusing on the movement s early and largely neglected struggles revealing how early activists exploited Cold War tensions in ways that brought national attention to their issues

*A People's War on Poverty* Wesley G. Phelps,2014 Phelps investigates the on the ground implementation of President Lyndon Johnson s War on Poverty during the 1960s and 1970s and argues that the fluid interaction between federal policies urban politics and grassroots activists created a significant site of conflict over the meaning of American democracy

*Naming Race, Naming Racisms* Jonathan Judaken,2013-09-13 Eschewing social scientific approaches which tend to examine race and racism in terms of quasi static ideal types this book surveys differing historical contexts from the era of scientific racism in the nineteenth century to the post racial racism of the post 9 11 period and from Europe to the United States in order to understand how racism has been articulated in differing situations It is distinguished by the attention it pays to the on going power of racial discourse in the contemporary period as a legitimating factor in oppression It exemplifies methodological openness combining the work of historians philosophers religious scholars and literary critics and includes differing theoretical models in pursuing a critical approach to race cultural studies trauma theory and psychoanalysis critical theory and consideration of the new racism and postcolonialism and the literature on globalization It brings together the work of leading academics with younger practitioners and is capped off by an interview with world renowned intellectual Cornel West on black intellectuals in America This book was previously published as a special issue of *Patterns of Prejudice* **Overview Study of Employment of Paraprofessionals** United States. Social and Rehabilitation Service,1974 **Brownsville, Brooklyn** Wendell E. Pritchett,2002-02-15 Although bats and dolphins live in very different

environments are vastly different in size and hunt different kinds of prey both groups have evolved similar sonar systems known as echolocation to locate food and navigate the skies and seas While much research has been conducted over the past thirty years on echolocation in bats and dolphins this volume is the first to compare what is known about echolocation in each group to point out what information is missing and to identify future areas of research Echolocation in Bats and Dolphins consists of six sections mechanisms of echolocation signal production the anatomy and physiology of signal reception and interpretation performance and cognition ecological and evolutionary aspects of echolocation mammals theoretical and methodological topics and possible echolocation capabilities in other mammals including shrews seals and baleen whales

book cover *American History, Race and the Struggle for Equality* Masaki Kawashima, 2016-12-16 Powerfully synthesizing major currents in the field this book addresses the issue of inequality across American politics and society using race as a lens for the exploration of major themes in American history It considers the concept of race as a social construction against the background of the historical struggles for fairness in a society based on the framework of democracy whose principle is that majority's consent be necessary for the fulfillment of justice Foregrounding problems of race capital and political economy it particularly examines the connections between race and class the relationship of slavery and national politics and the distinctive intellectual framework that Americans have developed to discuss race Offering a detailed account of civil rights legislation an overview of immigration law and policy and comprehensive overviews of debates about affirmative action immigration and the causes and solutions to racialized urban poverty this book emphasizes what is distinctive about the United States and offers a unique comparative framework for thinking about America's racial past Negotiators of Change

Nancy Shoemaker, 2012-11-12 Negotiators of Change covers the history of ten tribal groups including the Cherokee Iroquois and Navajo as well as tribes with less known histories such as the Yakima Ute and Pima Maricopa The book contests the idea that European colonialization led to a loss of Native American women's power and instead presents a more complex picture of the adaption to and subversion of the economic changes introduced by Europeans The essays also discuss the changing meanings of motherhood women's roles and differing gender ideologies within this context **Resources in**
