After a Long Winter's Sleep Dr. Michael Bunch,2025-03-26 Over the course of our walk with the Lord we inevitably experience many ups and downs Eventually there will come a time when we feel remote from the Lord and even at times as if we have been abandoned by Him This is far from the truth As we struggle walk run stumble and fall He is right there at our side Even when the darkness surrounds us so completely that we can see nothing except the impending doom within the darkness He is there In those times He carries us when we feel that we cannot endure anymore He wraps us in His loving arms showers us with His Shekinah glory and bathes us in His compassion This gives us renewed strength to continue to struggle on to the ultimate victory These dark moments are not pleasant but they are essential to our growth into what the Lord has planned for us to become I as the author of this book hope that at least one or more of these short stories will touch you during one of the inevitable dark moments and remind you that you are a precious child of the Lord and He has you firmly by the hand as He guides you forward to the fulfillment of your walk in Christ

Seize the Sky Terry C. Johnston, 2010-07-21 Custer confronts his destiny at Little Big Horn and his legend lives on through his Cheyenne son Never one to proceed cautiously when an impetuous move could win him glory Custer marched his famed Seventh Cavalry against the Sioux in June 1876 He was thirty six already a mythic hero to some with the possibility of a presidential nomination looming in his future while to others he was an arrogant and dangerous fool misguided in his determination to subjugate the Plains tribes What should have been his greatest triumph became an utterly devastating defeat that would ring through the ages and serve as a turning point in the Indian Wars

The Last Algonquin Theodore Kazimiroff, 2009-05-28 As recently as 1924 a lone Algonquin Indian lived quietly in Pelham Bay Park a wild and isolated corner of New York City Joe Two Trees was the last of his people and this is the gripping story of his bitter struggle remarkable courage and constant quest for dignity and peace By the 1840s most of the members of Joe's Turtle Clan had either been killed or sold into slavery and by the age of thirteen he was alone in the world He made his way into Manhattan but was forced to flee after killing a robber in self defense from there he found backbreaking work in New Jersey and Pennsylvania Finally around the time of the Civil War Joe realized there was no place for him in the White world and he returned to his birthplace to live out his life alone suspended between a lost culture and an alien one Many years later as an old man he entrusted his legacy to the young Boy Scout who became his only friend and here that young boy's son passes it on to us
