**Long Night's Journey into Day** Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 Long Night's Journey Into Day is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God's guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices

*Ancestral Memory in Early China* K. E. Brashier,2011 Ancestral ritual in early China was an orchestrated dance between what was present the offerings and the living and what was absent the ancestors The interconnections among the tangible elements of the sacrifice were overt and almost mechanical but extending those connections to the invisible guests required a medium that was itself invisible Thus in early China ancestral sacrifice was associated with focused thinking about the ancestors with a structured mental effort by the living to reach out to the absent forebears and to give them shape and existence Thinking about the ancestors about those who had become distant required active deliberation and meditation qualities that had to be nurtured and learned This study is a history of the early Chinese ancestral cult particularly its cognitive aspects Its goals are to excavate the cult s color and vitality and to quell assumptions that it was no more than a simplistic and uninspired exchange of food for longevity of prayers for prosperity Ancestor worship was not the author contends merely mechanical and thoughtless Rather it was an idea system that aroused serious debates about the nature of postmortem existence served as the religious backbone to Confucianism and may even have been the forerunner of Daoist and Buddhist meditation practices      *Trial by Ice* Richard Parry,2009-01-21 An extraordinary real life adventure of men battling the elements and themselves told with ice cold precision Kirkus Reviews starred review In the dark years following the Civil War America s foremost Arctic explorer Charles Francis Hall became a figure of national pride when he embarked on a harrowing landmark expedition With financial backing from Congress and the personal support of President Grant Captain Hall and his crew boarded the *Polaris* a steam schooner carefully refitted for its rigorous journey and began their quest to be the first men to reach the North Pole Neither the ship nor its captain would ever return What transpired was a tragic death and whispers of murder as well as a horrifying ordeal through the heart of an Arctic winter when men fought starvation madness and each other upon the ever shifting ice *Trial by Ice* is an incredible adventure that pits men against the natural elements and their own fragile human nature In this powerful true story of death and survival courage and intrigue aboard a doomed ship Richard Parry chronicles one of the most astonishing little known tragedies at sea in American history ABSORBING Suspense builds as Parry describes the events leading up to Hall s murder then climaxes in horrifying detail Publishers Weekly RIVETING Library Journal      *A Chinese-English Dictionary* Herbert Allen Giles,1912      *Stray Thoughts 'midst Busy Scenes: a book of religious and moral poetry* Amelia SHRIMPSON (and SHRIMPSON (Sarah)),1862      **The American Monthly Review of Reviews** ,1901      *American Monthly Review of Reviews* Albert Shaw,1901      *Meet for Heaven* William Branks,1871
