jockeys in the Middle East *The Last Seasons* Douglas B. Egenolf, 2008-11 This is a book about the joy of taking a long walk in the woods The joy of being blessed with the company of a fine canine companion The challenge and thrill of hunting the elusive ruffed grouse It is about a chance at living life the best you can with whatever you are given It is also about chasing after your dreams If you combined hope with a dream you will always get up and tackle another day no matter what life throws at you to try to bring you down Douglas B Egenolf was born and raised just south of Indianapolis Indiana and is the youngest of seven children He has traveled the United States through his work and for pleasure He is a lifetime member of the National Rifle Association and a current member of the Ruffed Grouse Society He still calls Indiana his home where he resides with his wife and two children **The Wild of God** Eric Hanson, 2013-01-09 Eric Hanson claimed to follow the most remarkable person in history yet his life was as exciting as sugarless gum Confronted with a disparity between a promise of abundant life and what he saw in life surrounding him he left everything behind for a year to travel around the globe through the worlds poorest countries Refugees hermits prostitutes mobs secret police monks and a motorcycle gang A dangerous journey introduces us to a fresh side of faith God and a fulfilling life My eyes were opening to whole new levels of pain and poverty darkness and despair I saw new and altogether beautiful things become real to me The Bible is full of Gods promises of healing and restoration but those words always seemed plastic and hollow to me For the first time in my life I began to see God move and heal to truly touch people in the midst of unbearable pain And in that Gods message of restoration suddenly took on a significant real life meaning to me As I watched Joses transformation my heart was ripped from my chest and squeezed until my muted soul could hear God whispering that this real change real love not contrite phrases in an old book was the heart of God for His people Eric has written a powerful endearing account of his adventures around the world But this isnt a book that will leave you feeling helpless It will give you faith in your own story and hope for living a more meaningful one Jeff Goins author *Wrecked When a Broken World Slams into Your Comfortable Life* *Bitter Fruit* Maureen Honey, 1999 Despite the participation of African American women in all aspects of home front activity during World War II advertisements recruitment posters and newsreels portrayed largely white women as army nurses defense plant workers concerned mothers and steadfast wives This sea of white faces left for posterity images such as Rosie the Riveter obscuring the contributions that African American women made to the war effort In *Bitter Fruit* Maureen Honey corrects this distorted picture of women s roles in World War II by collecting photos essays fiction and poetry by and about black women from the four leading African American periodicals of the war period *Negro Digest* *The Crisis* *Opportunity* and *Negro Story* Mostly appearing for the first time since their original publication the materials in *Bitter Fruit* feature black women operating technical machinery working in army uniforms entertaining audiences and pursuing a college education The articles praise the women s accomplishments as pioneers working toward racial equality the fiction and poetry depict female characters in roles other than domestic servants and give voice to the bitterness arising from discrimination that many women felt With

these various images Honey masterfully presents the roots of the postwar civil rights movement and the leading roles black women played in it. Containing works from eighty writers, this anthology includes forty African American women authors, most of whose work has not been published since the war. Of particular note are poems and short stories anthologized for the first time, including Ann Petry's first story, Octavia Wynbush's last work of fiction, and three poems by Harlem Renaissance writer Georgia Douglas Johnson. Uniting these various writers was their desire to write in the midst of a worldwide military conflict with dramatic potential for ending segregation and opening doors for women at home. Traditional anthologies of African American literature jump from the Harlem Renaissance to the 1960s with little or no reference to the decades between those periods. *Bitter Fruit* not only illuminates the literature of these decades but also presents an image of black women as community activists that undercuts gender stereotypes of the era. As Honey concludes in her introduction, African American women found an empowered voice during the war, one that anticipates the fruit of their wartime effort to break silence, to challenge limits, and to change forever the terms of their lives.

Tales of Variadero Albert Quintana, 2025-04-27

Variadero, My Ancestral Homeland. Do you remember those days when your parents loaded up the car to go on vacation to a very special place? May it be to where Mom or Dad were from, or a camp out to the mountains. The anticipation was great, where the excitement would take place. Variadero was that very special place where one's imagination runs wild. As a child, I would mark the days on a calendar before we'd go on this dream vacation. *Tales of Variadero: My Childhood Memories* holds a foundation to share with the future generations of this beautiful village. Variadero could be anywhere in the United States. It symbolizes life history and memories which run rampant. *Variadero: My Childhood Memories*
