

A group of men in 19th-century attire, including top hats and long coats, are riding horses through a dusty, hazy landscape. The scene is captured in a sepia-toned, vintage style. The men are arranged in a loose formation, with some in the foreground and others slightly behind. The overall mood is one of a long, arduous journey.

Lady Long Rider Bernice Ende, 2018-06-27 Riding 2 000 miles on horseback from Montana to New Mexico sounds like a crazy but thrilling dream or pure hardship and exhaustion According to Bernice Ende the trip was all that and more Since swinging her leg over the saddle for that first long ride in 2005 at the age of 50 Ende has logged more than 29 000 miles in the saddle crisscrossing North America on horseback alone More than once she has traversed the Great Plains the Southwest deserts the Cascade Range and the Rocky Mountains Along the way she discovered a sense of community and love of place that unites people wherever they live From 2014 2016 she was the first person to ride coast to coast and back again in one trek winning acclaim from the international Long Riders Guild and awe from the people she met along the way Bernice Ende's memoirs are illuminated by accompanying maps of her routes and photos from her journeys capturing the instant friends she meets along the way and her ongoing encounters with harsh weather wildlife hard work mosquitoes tricky route finding and the occasional worn out horseshoe Ende reveals her inner struggles and triumphs testing the limits of physical and mental stamina coping with inescapable solitude and the rewards of living life her own way as she says in her own skin Saddle up and come along for the journey of a lifetime *Long Ride (Book 1)* Kathryn Thomas, This is book 1 of the Black Sparks MC romance series Books 2 and 3 of this dark motorcycle club romance are available everywhere now Once you go biker you never go back I thought I'd moved on But even though I let go of the bad boy he never let go of me Nicholas Stone will either drag me to his bed and take me to heaven Or drag me to hell and watch me burn LIANA I left home to chase a dream Instead I stumbled into a nightmare My police officer ex has gone insane since our break up He's everywhere I look Lurking in my shadows Haunting me I flee back to the only place I've ever felt safe But the devil waiting for me in my hometown isn't much better In the eight years I've been gone Nicholas Stone has become so much more More powerful More tattooed More irresistible But just when I start to think that if I let my guard down I can be safe in his arms A gift arrives from a not so secret admirer My ex has discovered where I went He sees who I'm with And I know that my troubles are far from over In fact they're just beginning NICHOLAS I've never forgotten the girl who broke my heart But I've filled the hole she left with nothing but pure savagery The biker life suited me It lets me get my hands dirty There's no feeling quite like the wind in your face an open stretch of highway and your enemies cries for mercy still ringing in your ears But Liana's return threatens to undo the man I've become I need to know why she's back after all these years There must be something she's hiding And yet she refuses to admit it Until the ugly truth comes roaring back with a vengeance and a death wish But there's something different this time around Liana is mine And if her ex thinks he can come anywhere near her again I'll have to teach him the hard way Never ever mess with a biker **The Long Ride of Major Von Schill** Sam A. Mustafa, 2008-09-11 This unique book traces the past 200 years of German history using an iconic German folk hero as a bellwether of changing politics and culture In 1809 at the height of Napoleon's power in Europe the Prussian Major Ferdinand von Schill led a revolt against the

French empire Within a month his rebellion was crushed and Schill became a martyr for German nationalists As the years passed Schill s legend grew and evolved until he had become one of Germany s most famous and celebrated Napoleonic figures the subject of hundreds of novels poems plays operas films biographies and monuments Sam A Mustafa explores the radical changes in German society and politics in the two centuries since Schill s death In the first English language work on the subject he shows how Schill remarkably endured as other heroes fell in and out of fashion For imperial propagandists Liberal Democrats Nazis and Communists alike he was a favorite historical icon and cultural touchstone The author traces how an obscure failed rebel became a revered national symbol of patriotism and heroism and the ways each successive German regime coopted his story for its own ideological mission Drawing on a rich array of primary and secondary sources Mustafa considers the nature of patriotism the creation of heroes and heroic mythology and the fragility of history itself in a masterful narrative that will be an invaluable reference for anyone interested in the German experience during the Napoleonic Wars
