Getting into one of the country's top management schools is hard. Dreams are many. Expectations are high. So what happens when a budding leader from one of India's famous Public sector company ends up there hoping IIM A is all about leadership. And then his dreams start to crumble. There's probably no one who can narrate those feelings better than Naren, a simple student at IIM Ahmedabad. His journey through a fiercely competitive world that is the most premier management school in India is by turn thoughtful, poignant and hilarious, sometimes laced with sadness. And it quickly becomes apparent that it is not what he was looking for. And the pressure of memories of unrequited love and the expectations of everyone around make things that much harder. The course is tough. The hours are long. Grades are hard to come by. Is all lost? Or is there a treasure left for Naren to take back.
