Richard Hough

Longest Battle The War At Sea 1939 45:

The Longest Battle Richard Hough, Richard Alexander Hough, 1986 **The Longest Battle** Richard Hough, 1987 The Longest Battle Richard Hough, 2021-10-21 This is the story of the greatest naval conflict in history The Second World War demanded more of its sailors than any other war in history in endurance and unremitting need to face danger danger from increasingly lethal weapons and an ever increasing need for vigilance by day and night The war at sea the longest battle of the Second World War never ceased From the Arctic Circle to the Pacific the enemy threat was ever present on the surface in the skies and lurking beneath the waves In this comprehensive and compelling history Richard Hough brings the titanic struggle to life Using personal accounts from veterans of all sides his book tells the story of the Second World War at sea including the Battle of the Atlantic and the U boat menace the infamy of Pearl Harbor the American triumph at Midway naval operations in support of D Day and the greatest naval battle of all time Leyte Gulf The definitive book about naval power in the Second World War Richard Hough s masterpiece is essential reading for followers of Max Hastings and James Holland We are in Richard Hough s debt New York Times Utterly absorbing Financial Times *Naval Warfare 1919-45* Malcolm H. Murfett, 2008-11-04 Naval Warfare 1919 45 is a comprehensive history of the war at sea from the end of the Great War to the end of World War Two Showing the bewildering nature and complexity of the war facing those charged with fighting it around the world this book ranges far and wide sweeping across all naval theatres and those powers performing major as well as minor roles within them Armed with the latest material from an extensive set of sources Malcolm H Murfett has written an absorbing as well as a comprehensive reference work He demonstrates that superior equipment and the best intelligence ominous power and systematic planning vast finance and suitable training are often simply not enough in themselves to guarantee the successful outcome of a particular encounter at sea Sometimes the narrow difference between victory and defeat hinges on those infinite variables the individual s performance under acute pressure and sheer luck Naval Warfare 1919 45 is an analytical and interpretive study which is an accessible and fascinating read both for students and for interested members of the general public **Burma 1942** Alan Warren, 2011-12-01 In December 1941 Japan set out to seize South East Asia and the western Pacific to complete the building of a self sufficient empire The rapid loss of all of Britain s possessions in the Far East was the culmination of a failed attempt to deal with the rise of Japanese imperialism Britain s bluff was called and millions of Britain s protected subjects in Asia fell into the hands of a brutal occupying power The British fought the Second World War in Burma and India against the backdrop of nationalist unrest and revolt The appalling Bengal famine of 1943 brought about by the loss of Burma s rice crop and the dislocation of government would cause the deaths of many Alan Warren provides a new study of the series of battles that made up the Burma campaign including first hand accounts of the conflict and a fresh examination of the armies and commanders of the major combatants Burma 1942 powerfully demonstrates how victory or defeat in particular battles altered the trajectory of the conflict affecting the lives of

millions **The Ship That Never Was** B.J. BRYAN,2011-03-19 The United States Merchant Marine provided the greatest sealift in history between the production army at home and the fighting forces scattered around the globe in World War II The prewar total of 55 000 experienced mariners was increased to over 215 000 through U S Maritime Service training programs Merchant ships faced danger from submarines mines armed raiders and destroyers aircraft kamikaze and the element About 8 300 mariners were killed at sea 12 00 wounded of whom at least 1 100 died from their wounds and 663 men and women were taken prisoner Some were blown to death some incinerated some drowned some froze and some starved Many died in prison camps or aboard Japanese ships while being transported to other camps 31 ships vanished without a trace to a watery grave Total killed estimated 9 300 Events That Formed the Modern World Frank W. Thackeray,John E. Findling,2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials What were the effects of the Age of Exploration on today s ethnic groups and social structure How did the development of moveable type pave the way for Facebook and Twitter Why is the Reformation so critical for understanding today s religious controversies This set will help readers answer these questions by exploring the most significant historical events of the modern world This five volume set covers times from the Renaissance to the present Each volume focuses on a specific historic period and examines 12 events within those time frames that changed the world Each entry provides an introduction that lays out factual material in a chronological manner an in depth essay interpreting the event s significance and an annotated bibliography of the most important current works on the topic Select entries are followed by primary sources pertaining to the event under consideration such as diary entries Targeted to both general readers as well as entry level university students this book also directly supports high school and undergraduate curricula allowing students to identify and contextualize events in order to think critically about their causes aftermath and legacy **Fortune's Turn** David Pollard,2024-07-04 The year 1942 began with disaster for the Allies but paved the way to victory World War II was a conflict over land and resources but also democracy and freedom The 1920s and 30s had seen liberal democracy losing the fight against challengers from the Left and Right By the end of the 1930s Hitler had destroyed the few functioning democracies in Europe and at the end of 1941 the future looked bleak even as the US entered the war after the attack on Pearl Harbour But the year that began in such fear ended with the Allies winning victories everywhere on land on the sea and in the air Discover what caused this drastic change of fortunes in the war and its long term consequences **Best Little Stories from World War II** C. Brian Kelly,2010-11 The untold stories of bravery triumph and redemption in the depths of the darkest world war Behind the great powers global military conflict and infamous battles are more than 100 incredible stories that bring to life the Second World War During the six years of war were countless little known moments of profound triumph and tragedy bravery and cowardice and good and evil These amazing and unbelievable stories of

brotherhood redemption escape and civilian courage shed new light on the war that gripped the entire world Experience the action through the eyes of people like Lieutenant Jacob Beser who was aboard both the Enola Gay and Bock's Car and felt the force of the shockwave that nearly destroyed the planes after dropping the H bombs that obliterated Hiroshima and Nagasaki Professor William Miller who collapsed during a death march of POWs in Germany and was saved by the same man who had rescued him from what would have been a fatal car wreck in Pennsylvania five years earlier The brave civilians who answered the British Admiralty's call to help rescue an army from Dunkirk during the height of a dangerous battle and sailed small fishing boats into relentless German fire ultimately saving 335 000 men from This is the perfect book for any history buff looking for the untold stories of military and civilian daring during World War 2 The Forgotten Heroes Brian Herbert, 2005-05 The United States Merchant Marine has a tradition of being in the forefront of every American military action and has served with distinction in every conflict New York Times bestselling author Brian Herbert chronicles the amazing exploits of these gallant seamen assembling a fascinating array of data from historical documents government records diaries and interviews with surviving veterans This brilliant history details the heroism self sacrifice and grim determination that have always been the hallmark of the United States Merchant Marine Herbert also reveals one of the great injustices of American history The civilian fighters of the Merchant Marine performed feats of extraordinary bravery during World War II they were the lifeline of the entire Allied war effort delivering troops materiel food fuel and every essential needed for victory over the Axis In doing so the Merchant Marine suffered losses so high that the casualty rates were kept secret At war's end the men and women of every other service branch were honored by parades and given medical and educational benefits but the members of the Merchant Marine who were so vital to our victory have received neither the benefits nor the recognition they deserved Herbert is part of a growing movement across the United States to right the wrong The Forgotten Heroes is a history of these unsung heroes and a plea for justice

Delve into the emotional tapestry woven by Emotional Journey with in **Longest Battle The War At Sea 1939 45** . This ebook, available for download in a PDF format (Download in PDF: *), is more than just words on a page; it's a journey of connection and profound emotion.
