A Guide to Longevity Foods,

Diets, and Supplements Martin K. Ettington, There is great interest out there in what people can do to improve their longevity I've been writing books about longevity for fourteen years and I realized there was one topic I had not really covered in detail That topic is what are the foods and supplements we can take which will help make us healthy enough to lengthen our lives Improving individual longevity is not just about foods and supplements There are a lot of factors which all affect longevity so I have a chapter here which talks about my work The 10 Principles of Personal Longevity which covers those issues in more detail In addition there are some specific physical issues like telomeres inflammation and oxidative stress which also affect chronic diseases and therefore longevity and these are discussed in detail I also think it is pertinent to see what long lived communities eat so I've copied some of the key data and conclusions from my book on four long lived communities around the world to see what their diets are Some recipes of their traditional foods are also included Foods and supplements which have been known from historical times and today are discussed in detail for you to learn what the wisdom of the ages and science knows about the correct foods and supplements to eat After reading this book you will have new ideas about the food diets and supplements you can eat to help you live a much longer and healthier life *How to Live Long and Like It* Jim Heckathorn, 2015-01-05 Rising Above It All Written in a time when the future of medical care is uncertain and for many people increasingly unaffordable or unavailable this book is a complete guide to help individuals take charge of their own health care The goal is to enable people to live long and like it With the knowledge in this guide individuals will understand how they can avoid the ailments and diseases that plague ageing adults Jim Heckathorn BA MA has diligently applied himself to the study and personal practice of alternative medicine for over 30 years In this book you will find fascinating revelations that will help people overcome various challenges and enjoy living I highly recommend How to Live Long and Like It It is an excellent resource packed with powerful tools and information to transform your health The truths in the book are desperately needed by all of us to combat the escalating health issues we face Dr Keith McKim DC McKim Chiropractic This book offers some wonderful ideas to encourage individuals to choose healthy options that will enhance longevity not only physically but also spiritually emotionally and mentally Jim Heckathorn writes in a way that inspires the reader to take action in caring for the body that God created Rebekah Murphy BA MS Professor of Anatomy Wichita State University How to Live Long and Like It The Longevity Diet is not just a diet it's a guide for a whole lifestyle that has contributed to long lives for many people Dr Thomas Moore Th D MA MBA LCPC PE Pastor Counselor **Hunza** Jay Milton Hoffman, 1985 Summary & Analysis of The Longevity Solution ZIP Reads, PLEASE NOTE This is a summary and analysis of the book and not the original book If you'd like to purchase the original book please paste this link in your browser <https://amzn.to/2laFk6c> Researchers and scientists DiNicolantonio and Fung take us deep into the world of longevity as they explain the little known details of what aging is why it happens and how you can slow it down What does this ZIP Reads Summary Include Synopsis of the original book Key takeaways from each chapter The five pillars of longevity How

intermittent fasting can slow aging Detailed diet and nutrition advice Editorial Review Background on the authors About the Original Book What is aging and why do we have to grow old and die In this insightful and eye opening book DiNicolantonio and Fung offer a descriptive explanation of how aging works at a physical and physiological level It all comes down to whether your diet promotes your growth or longevity If you eat for one you automatically forfeit the other There is a fine balance to everything and so it s imperative that you understand what and how much to eat If you have ever wanted to learn how to slow down the aging process and increase your healthily life span this is the book for you **DISCLAIMER** This book is intended as a companion to not a replacement for *The Longevity Solution* ZIP Reads is wholly responsible for this content and is not associated with the original author in any way Please follow this link <https://amzn.to/2IaFk6c> to purchase a copy of the original book
