Longing For Darkness Tara And The Black Madonna A 10 Year Journey

Amy G. Remensnyder

Longing For Darkness Tara And The Black Madonna A 10 Year Journey:

Longing for Darkness China Galland,1990 The author describes her spiritual odyssey while investigating in the U S Europe India and elsewhere the black images that have been tradition in Eastern religions and in European Catholicism

Dark Mother Lucia Chiavola Birnbaum,2001 Bringing a feminist perspective to contemporary findings of geneticists and archeologists Lucia Chiavola Birnbaum cultural historian points out that the oldest veneration we know is of a dark mother of central and south Africa whose signs ochre red and the pubic V were taken by african migrants after 50 000 BCE to caves and cliffs of all continents The oldest sanctuary in the world was created in 40 000 BCE by african migrants in Har Karkom later called Mt Sinai foundation place of judaism christianity and islam Lucia documents the continuing memory of the dark mother and her values in prehistoric images of the dark mother in historic black madonnas and in other dark women divinities whose sanctuaries are on african paths She tracks the memory in rituals and stories of her sicilian grandmothers in persecution of dark others in patriarchal Europe and the United States in the rise of nonviolent dark others since the 1960s in the banners of the 1995 world conference of women at Beijing and in art She finds the dark mother s values justice with compassion equality and transformation in everyday and celebratory rituals of the world s subaltern cultures and suggests that the image and values are in the submerged memories of everyone Gender and Power in Contemporary Spirituality

Anna Fedele,Kim E. Knibbe,2013 Contemporary distinctions between religion and spirituality can often be traced to rebellion against hierarchical institutions with biases towards women and minorities that constrain individual freedom This opposition is carefully addressed in this volume with greater attention paid to gender and power in the context of contemporary spirituality and how these relate to the distinction between religion and spirituality **Looking for Mary Magdalene** Anna Fedele,2013 Winner of the Award for Excellence in Religion Analytical Descriptive Studies from the American Academy of Religion Anna Fedele offers a sensitive ethnography of alternative pilgrimages to French Catholic shrines dedicated to Saint Mary Magdalene Drawing on more than three years of fieldwork she describes how pilgrims from Italy Spain Britain and the United States interpret Catholic figures symbols and sites according to theories derived from the international Neopagan movement Fedele pays particular attention to the pilgrims life stories rituals and reading She examines how they devise their rituals how anthropological literature has influenced them and why this kind of spirituality is increasingly prevalent in the West These pilgrims cultivate spirituality in interaction with each other and with textual sources Jungian psychology Goddess mythology and indigenous traditions merge into a corpus of practices centered upon the worship of the Goddess and Mother Earth and the sacralization of the reproductive cycle Their rituals present a critique of Roman Catholicism and the medical establishment and question contemporary discourse on gender *Feminist Theologies* Rosemary Radford

Ruether,2007-01-01 A brief and informed survey of women s studies in religion Highlights the emergence of contextual feminist theologies Contributors are the leading theologians in their field *Faith and Feminism* Helen LaKelly

Hunt,2007-11-01 Why do so many women of faith have such a strong aversion to feminism And why do so many feminists have an ardent mistrust of religion These questions are at the heart of Helen LaKelly Hunt s illuminating look at the alliance between spiritual conviction and social action Intelligent and heartfelt Faith and Feminism offers a perceptive look at the lives of five spirited and spiritual women of history women who combined their undying faith with feminist beliefs and who made the world a better place by doing so St Teresa of vila a woman whose bravery in confronting her shadows gave her the strength to connect with the world and live a life of divine action Lucretia Mott a Quaker minister who rose from her quiet upbringing to become a passionate speaker and activist working tirelessly on behalf of justice and peace Sojourner Truth a Christian slave who spoke out with unwavering courage to claim her God given rightful place as an African American and a woman Emily Dickinson an extraordinary poet who touched the world with her ability to capture and transform the experience of suffering Dorothy Day a radical journalist who lived a life of voluntary poverty as a way of expressing her passion for the Christian faith and care for those in need A remarkable book that focuses on the idea that spirituality and feminism are really different expressions of the same impulse to make life more whole Faith and Feminism offers a powerful catalyst for reflecting on our sense of self and for living and loving according to our deepest values **La Conquistadora**

Amy G. Remensnyder,2014-01-24 Amy Remensnyder explores how Spanish Christians shaped the Virgin Mary as a symbol of the twinned colonizing enterprises of conquest and conversion in medieval Spain and early Spanish America Beginning in the eleventh century and ending in the seventeenth century the book brings together the medieval and early modern periods the Old and New Worlds It also brings together minorities whom historians most often treat separately Jews Muslims those Jews and Muslims who converted to Christianity in the fifteenth and sixteenth centuries conversos and Moriscos and the indigenous peoples of the New World **The Resurrection of Mary Magdalene** Jane Schaberg,2004-08-31 The

controversy surrounding Dan Brown s novel The Da Vinci Code has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework The Resurrection of Mary Magdalene approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy Versions of Deconversion John D. Barbour,1994 In Versions of Deconversion John Barbour examines the work of a broad selection of authors in order to discover the reasons for their loss of faith and to analyze the ways in which they have interpreted that loss For some the experience of deconversion led to another religious faith some turned to atheism or agnosticism and others used deconversion as a metaphor or analogy to interpret an experience of personal transformation The loss of faith is closely related to such vital ethical and theological concerns as the role of conscience the assessment of religious communities the dialectical relationship between faith and doubt and the struggle to reconcile faith with intellectual

and moral integrity This book shows the persistence and the vitality of the theme of deconversion in autobiography and it demonstrates how the literary form and structure of autobiography are shaped by ethical critique and religious reflection Versions of Deconversion should appeal at once to scholars in the fields of religious studies and theology who are concerned with narrative texts to literary critics and specialists on autobiography and to a wider audience interested in the ethical and religious significance of autobiography *A Very Different Story* Val Gough, Jill Rudd, 1998 The focus of this essay collection is Charlotte Perkins Gilman's utopianism
