## Longing To Be Free:

**Free Will, Moral Responsibility, and the Desire to Be a God** Bruce N. Waller, 2020-09-04 Free Will Moral Responsibility and the Desire to be a God explores the hidden corridors of the moral responsibility system to discover why that system is so widely accepted and passionately defended The moral responsibility system has obvious charms it provides justification for our powerful strike back motives transforms selfishness into the virtuous defense of our justly deserved special benefits draws a radical distinction between humans and the other species we exploit and protects our nonconscious belief in a just world Those charms notwithstanding the resilience and endurance of the moral responsibility system indicates a hidden force that not only binds together the pieces of the system but also motivates our stubborn devotion to that system That hidden force is a nonconscious desire to be a god a desire that afflicts both believers and atheists and that is almost universally denied Nietzsche being a special exception That desire can be found throughout the history of philosophy from Aristotle to the present It is also manifested in myths and a variety of religious practices and teachings The breadth power and harm of nonconscious apotheosis aspiration is the focus of this study **Fichte on Free Will and Predestination** Kienhow Goh, 2024-02-01 The book explains Fichte's position on free will and predestination including its rationale and significance It argues that Fichte affirms both free will and predestination and explains how he purports to do so without contradiction The book presents Fichte's position as a form of compatibilism that has not yet been explored in the literature Due to early rationalist convictions Fichte is as much concerned with reconciling freedom with a logical and a theological determinism as he is with a causal determinism He sees in Kant's novel concept of a pure practical reason a new form of rationalism one consisting of a system of moral rather than natural necessitating grounds At the same time he adopts a more radically libertarian stance on free will than Kant Every member in a sequence of free actions is a first and absolute member and could be other than it is given the same antecedent natural events and natural laws The interest of Fichte as a theorist of freedom lies in how he brings together freedom and predetermination in a way that challenges our assumption about their mutual exclusivity The book provides an overview of Fichte's philosophical system the so called Doctrine of Science from 1793 to 1800 with the aim of contextualizing his theory of free agency and destiny In doing so it sheds light on how consideration of these issues in turn shapes the system Fichte on Free Will and Predestination will be of interest to scholars and advanced students working on Fichte's philosophy the history of modern philosophy German Idealism and the history of the philosophical issue of free will **The Truth Is** H. when he joins up with the elite underground 11th Hour squad instead they send him straight home The nest of vipers that calls itself his family is the next target for the team's tech unit so he'll either have to brave their traps and deceptions himself or watch his sweet shy friend Sabrina walk into them alone Sabrina's no femme fatale but since there's no one else with the tech skills to get the info they need she'll put on a party dress and take one for the team But whoever decided she should pretend to be Kellan's new fiancée hit a little too close to home How can she concentrate on a dangerous mission when she's worried about giving away what she really feels for her loyal passionate smoking hot partner At least she isn't likely to blow their cover Until she's in the line of fire and neither Kellan's demons nor his heart are hers to tame Praise for Jackie Ashenden's *Dirty for Me* An intense scorcher of a story that is sure to delight fans and win her a legion of new devotees

Lombard and St Thomas Aquinas as well as by other theologians till the Humanists rejected it for a more elegant one The author follows the same order as does Theodoret of Cyrus in his Epitome of Christian Doctrine But while he imitates the general plan of Theodoret he does not make use of his method He quotes not only from the pages of Holy Writ but also from the writings of the Fathers As a result his work is an inexhaustible thesaurus of tradition which became the standard for the great Scholastics who followed In particular he draws generously from Gregory of Nazianzus whose works he seems to have absorbed from Basil Gregory of Nyssa Cyril of Alexandria Leo the Great Athanasius John Chrysostom and Epiphanius The work is divided into four books     Religions of Mission Fields as Viewed by Protestant Missionaries ... ,1905     Buddhism in Southern Asia Josiah Nelson Cushing,1905
