## **Longing A Novel:**

**The Great Longing** Marcel Möring,1995 In Holland after their parents die in a car accident two brothers and a sister are placed in different foster homes The novel chronicles the effect this has on their adult lives the narrator being the younger brother

*Longing* Maria Espinosa,2012 An intense psychological novel this book focuses on a young woman s dependence on her husband and her attempts to forge an independent life for herself Rosa a frail sensitive American Jew living in Paris marries an alcoholic expatriate from Chile and finds herself trapped in a sadomasochistic relationship Amid a series of fast moving events the birth of their daughter moving to Rosa s parents home and then to Sausalito California and various sexual encounters this narrative explores Antonio s fears and failures as well as Rosa s implicit trust in him to direct her life Ultimately Rosa begins to question her relationship with her husband and her parents

**Longing** Mary Balogh,2015-03-03 From New York Times bestselling legend and author of the Survivors Club series comes a cherished novel about the risks and the compromises that come with falling in love Governess and mistress he wanted her as both The illegitimate daughter of an English lord Sian Jones abandoned her heritage to live in a stalwart coal mining community in South Wales Empowered by their cause she s engaged to be married to the leader of a revolutionary movement that is bracing itself against the tyranny of English mine owners But Sian s principles are unexpectedly shaken when she accepts a job as governess under Alexander Hyatt the mysterious Marquess of Craille the oppressive symbol of everything she has come to resist She never expected Alexander to upend all her expectations He is sympathetic to her cause He is a loving father A man of wealth and position he is fatally attractive And he is offering his heart to the independent woman who has illuminated his life Now caught between two worlds and between the promises and desires of two men Sian must make a choice that will define her future one that can only be made in the name of love

*Longing* Maria Espinosa,1982

*Longing* Paul Reed,1988 A young man moves to San Francisco in the early 1980s Dust jacket

**An Atlas of Impossible Longing** Anuradha Roy,2011-04-05 This is why we read fiction at all raves the Washington Post Family life meets historical romance in this critically acclaimed gorgeous sweeping novel Ms Magazine about two people who find each other when abandoned by everyone else marking the signal American debut of an award winning writer who richly deserves her international acclaim On the outskirts of a small town in Bengal a family lives in solitude in their vast new house Here lives intertwine and unravel A widower struggles with his love for an unmarried cousin Bakul a motherless daughter runs wild with Mukunda an orphan of unknown caste adopted by the family Confined in a room at the top of the house a matriarch goes slowly mad her husband searches for its cause as he shapes and reshapes his garden As Mukunda and Bakul grow their intense closeness matures into something else and Mukunda is banished to Calcutta He prospers in the turbulent years after Partition but his thoughts stay with his home with Bakul with all that he has lost and he knows that he must return

**Latitudes of Longing** SHUBHANGI. SWARUP,2020-05-14 The phenomenal Indian bestseller Winner of the Tata Lit Live

Best First Book of the Year Award Intense lyrical and powerful This is a remarkable debut Jeet Thayil author of *Narcopolis* and *The Book of Chocolate Saints* In the feverish tropics of the Andaman Islands a young botanist tends to a fragile rose he has imported to welcome his bride Hoping their marriage will bloom in this strange life hundreds of miles from the east coast of India he is entranced by Chanda Devi's fierce nature and unusual gifts speaking to trees and the ghosts of former colonialists These islands she tells her adoring husband rest on a faultline cracked so deep into the earth that spirits cross the boundary freely But it is not this fracture that takes a tragic bite out of their happiness With the family riven by heartbreak their maid takes the chance to resolve her own past mistakes Having abandoned her son many years before she now traces him to Myanmar only to find him in prison the enemy of a brutal regime The faultline she followed over the Indian Ocean now cuts north into Nepal where the prisoner's ally an itinerant drug dealer tries to rescue a young woman from the dancing bars of Kathmandu It shadows his footsteps into the Karakorum mountains where a scientist looks deep into the abyss between India and Pakistan It rises all the way to the snow deserts beyond the reach of nation or war where an elder of the village waits for the return of his true love bringing all their journeys full circle A breathtaking epic *Latitudes of Longing* possesses the reader with a blazing sense of wonder Shubhangi Swarup's vision goes deeper than the human stories of the subcontinent to reveal the conscious history of the earth itself Tender in every detail touched with humour and profound this is a novel brimming with life an original masterpiece

#### **Arthur Koestler's Fiction and the Genre of the Novel** Zénó

Vernyik, 2021-09-17 Featuring a selection of brand new essays by a group of accomplished scholars Arthur Koestler's *Fiction and the Genre of the Novel* covers all of Koestler's novels published in his lifetime the first book to attempt this in English since Mark Levene's *Arthur Koestler* published thirty seven years ago The team of contributors with research backgrounds in history political science religious studies law linguistics and journalism besides literature offers a truly multidisciplinary take on how Koestler's novels utilize and at times transcend the genre of the novel and argues for their enduring relevance and appeal in the twenty first century inviting the reader to revisit and reassess them With the topics of Koestler's novels including terrorism massive migration espionage rape trauma war trauma the crisis of faith propaganda fake news and the role and responsibility of intellectuals in major international crises as the volume aims to show these texts are just as topical today as they were at the time of their publication

*The Age of Longing* Arthur Koestler, 1961

*Reappraisals* Peter Uwe Hohendahl, 2016-11-01 *Reappraisals* is a provocative account of the development of modern critical theory in Germany and the United States Focusing on the period since World War II Peter Uwe Hohendahl explores key debates on the function of critical theory illuminating the diverse positions and alliances among the participants Bringing together six essays as well as new introductory and concluding chapters Hohendahl interprets and subjects to critical scrutiny many of the central ideas of the Frankfurt School He first maps the trajectory of neomarxist criticism in Germany to the 1980s Individual chapters then focus on the work of Georg Lukacs Theodor W Adorno and Jürgen Habermas and on such issues as the politicization of

German criticism after 1965 under the influence of the Frankfurt School

### **The Routledge Encyclopedia of Indian**

**Writing in English** Manju Jaidka, Tej N. Dhar, 2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets novelists essayists and dramatists of Indian origin since the pre independence era and their dedicated works Written by internationally recognized scholars this comprehensive reference book explores the history and development of Indian writers their major contributions and the critical reception accorded to them The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students teachers and academics navigating the vast area of contemporary world literature

*A Good Year On Belle Ile en Mer* Byron Lehman, Belle le en Mer is a placid jewel off the French coast in the Bay of Biscay Its rocky shores are said to be at times brutal yet surrounded by a brushed blue sea and a clear blue celestial canopy overhead The sandy beaches adorn it like sequins dashed along the fringes of a majestic robe It is neither costumed in opulence nor shrouded in poverty It is gentle and inviting It is a secret place and a place for privacy It is an island that listens and never speaks Its secrets are carried far by the winds and scattered among the swells beyond It is more than the common humble farms modest homes tranquil green pastures gentle sloops and rounded hilltops It is not the small clusters of houses huddled into bergs and villages quietly existing for the sake of trust fidelity and friendship It is all things in concert Like the face of beauty grace and elegance It is a confident smile amid the sea Some say the best things in life are the things not planned and the randomly unexpected Rich Larsen never knew of Belle le en Mer s existence until a few months before his arrival It is there he resides for the next year of his life That year will be like no year he will ever experience again It is far beyond the adventures of the past or the unseen ahead His heart will remain there forever

Critical Theory Today Lois Tyson, 2014-10-10 This thoroughly updated third edition of Critical Theory Today offers an accessible introduction to contemporary critical theory providing in depth coverage of the most common approaches to literary analysis today including feminism psychoanalysis Marxism reader response theory New Criticism structuralism and semiotics deconstruction new historicism and cultural criticism lesbian gay and queer theory African American criticism and postcolonial criticism This new edition features a major expansion of the chapter on postcolonial criticism that includes topics such as Nordicism globalization and the end of postcolonial theory global tourism and global conservation an extended explanation of each theory using examples from everyday life popular culture and literary texts a list of specific questions critics ask about literary texts an interpretation of F Scott Fitzgerald s *The Great Gatsby* through the lens of each theory a list of questions for further practice to guide readers in applying each theory to different literary works updated and expanded bibliographies Both engaging and rigorous this is a how to book for undergraduate and graduate students new to critical theory and for

college professors who want to broaden their repertoire of critical approaches to literature      **Yehuda Amichai** ,1971

The Book of Buechner W. Dale Brown,2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer The Book of Buechner explores the ways in which Frederick Buechner s writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying The Book of Buechner is a much overdue literary journey through one of the most significant American writers of the last fifty years      *Rediscovering God's Grand Story* James M. Roseman,2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We ve closed our minds to all things transcendent and default to unbelief and can t make sense of the persistent echoes of the voice of God that reverberate in our souls In *Rediscovering God s Grand Story* James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives *God s Grand Myth* We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won t go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time      **Traveler and the Moonlight** ,2016-02-12 Special 70th Anniversary American Edition A new translation by writer and poet Peter Hargitai Writer and poet Peter Hargitai working on an English translation of Utas s holdvilg *Traveler and the Moonlight* in 1988 met with Szerbs widow Klra curious to know whether there had been real life models for the novels characters particularly for Tams and va who intrigued him above all the others In answer Klra Szerb pointed out a framed photograph on a bookshelf a youngish man with a pale aristocratic melancholy face This is Tams Mrs Szerb said My husbands beloved schoolmate And va Who is va I asked She held up that very picture This is also va Tams and va are one and the same Klra Szerb went on to insist that Hargitai keep the secret of Tams and vas single biographical precedent until after her death And there we have a clue not only to the mysterious androgyny of Tams and va and to the sexually unconventional nature of Mihlys relationship with them but also perhaps to an unresolved chapter from Szerbs past one that held mysteries potent enough to give rise to a novel Julie Orringer Author of *The Invisible Bridge* I hope *The Traveler* reaches thousands and thousands of readers Elie Wiesel Distinguished Nobel Laureate      *AIDS Literature and Gay Identity* Monica B. Pearl,2013 This book discusses the significance of late twentieth century and early twenty first century American fiction written in response to the AIDS crisis and interrogates how sexual identity is depicted and constructed textually Pearl develops Freudian psychoanalytic theory in a complex account of the ways in which grief is expressed and worked out in literature showing how key texts from the AIDS

crisis by authors such as Edmund White Michael Cunningham Eve Sedgwick and also later the archives of The ACT UP Oral History Project lie both within the tradition of gay writing and a postmodernist poetics The book demonstrates how literary texts both expose and construct personal identity how they expose and produce sexual identities and how gay and queer identities were written onto the page but also constructed and consolidated by these very texts Pearl argues that the division between realist and postmodern and gay and queer respectively is determined by whether the experience expressed and accounted is mediated through the psychoanalytic categories of mourning or melancholia and is marked by a kind of coherence or chaos in the texts themselves This study presents an important development in scholarly work in gay literary studies queer theory and AIDS representation

**The Routledge Companion to Queer Literary Studies** Melissa E. Sanchez, 2025-02-28 Bringing together twenty seven established and emerging scholars The Routledge Companion to Queer Literary Studies discusses the historical development current state future directions and political stakes of queer literary studies as a field of research and pedagogy This innovative collection offers new frameworks for studying and teaching literature art film music theory and philosophy from the medieval period to the twenty first century The contributors consider the structural implication of gender and sexuality with race class gender ability colonialism capital empire ability and relationships between human and non human life and matter The Routledge Companion to Queer Literary Studies is a vital resource for scholars students and teachers working across a range of historical periods critical methods and objects of study It offers a multitude of approaches to queer literary studies revealing the field to be as vital and as contested as ever

The Burdens of Intimacy Christopher Lane, 1999 Why does passion bewilder and torment so many Victorian protagonists And why do so many literary characters experience moments of ecstasy before their deaths In this original study Christopher Lane shows why Victorian fiction conveys both the pleasure and anguish of intimacy Examining works by Bulwer Lytton Swinburne Schreiner Hardy James Santayana and Forster he argues that these writers struggled with aspects of psychology that were undermining the utilitarian ethos of the Victorian age Lane discredits the conservative notion that Victorian literature expresses only a demand for repression and moral restraint But he also refutes historicist and Foucauldian approaches arguing that they dismiss the very idea of repression and end up denouncing psychoanalysis as complicit in various kinds of oppression These approaches Lane argues reduce Victorian literature to a drama about politics power and the ego Striving instead to reinvigorate discussions of fantasy and the unconscious Lane offers a clear often startling account of writers who grapple with the genuine complexities of love desire and friendship

## Decoding **Longing A Novel**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Longing A Novel**," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
