HILARY RUSSELL

Longman Anthology Of American Poetry

Carol Kort

Longman Anthology Of American Poetry:

The Longman Anthology of American Poetry Hilary Russell, 1992-01-01 **The Longman Anthology of Contemporary American Poetry, 1950-1980** Stuart Friebert, 1983 **The Contemporary American Poetry**, 1989 The Longman Anthology of Contemporary American Poetry, 1989 **The Anthology of American Poetry** Hilary Russell, 1992-10 The Longman Anthology of Poetry Lynne McMahon, Averill Curdy, 2006 This major new poetry anthology blends the best selections from the poetic tradition with a wide range of contemporary works thematic casebooks and engaging essays that contextualize poetry century by century Featuring a breathtaking scope of poetry from the English speaking world this diverse collection brings unparalleled historical and cultural background to the study of poetry including discussions of the poetic conventions of the time and the poetic fingerprints of particular poets Introductions by respected scholars provide historical context and thematic casebooks provide insight into key literary movements to demonstrate to students how to write effectively about poetry The Age of Auden Aidan Wasley, 2010-12-28 How W H Auden s emigration to the United States changed the course of postwar American poetry W H Auden s emigration from England to the United States in 1939 marked more than a turning point in his own life and work it changed the course of American poetry itself The Age of Auden takes for the first time the full measure of Auden s influence on American poetry Combining a broad survey of Auden s midcentury U S cultural presence with an account of his dramatic impact on a wide range of younger American poets from Allen Ginsberg to Sylvia Plath the book offers a new history of postwar American poetry For Auden facing private crisis and global catastrophe moving to the United States became in the famous words of his first American poem a new way of happening But his redefinition of his work had a significance that was felt far beyond the pages of his own books Aidan Wasley shows how Auden s signal role in the work and lives of an entire younger generation of American poets challenges conventional literary histories that place Auden outside the American poetic tradition In making his case Wasley pays special attention to three of Auden s most distinguished American inheritors presenting major new readings of James Merrill John Ashbery and Adrienne Rich The result is a persuasive and compelling demonstration of a novel claim In order to understand modern American poetry we need to understand Auden s central place within it **The Columbia Granger's Guide to Poetry Anthologies** William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology *A Study Guide for Sharon Olds's "I Go Back to May 1937"* Gale, Cengage Learning, 2016 A Study Guide for Sharon Olds s I Go Back to May 1937 excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Poetry And Contemporary Culture** A.M. Roberts, 2019-08-07 The cultural value of poetry is critically examined in this book from anthologies and academia to film and the internet Attention is also given to the role of political ideologies

and local national and ethnic identities in the formation of poetic values With chapters by distinguished critics from both sides of the Atlantic the book ranges widely over contemporary poetry in America and the British Isles and explores transatlantic connections Informed by current theoretical debates around ideas of value the chapters focus these through clear discussion of texts in various media including the work of a wide variety of poets and movements The book carries forward the debate on the value of contemporary poetry amongst critics scholars and practitioners while offering rich material for students and teachers of contemporary poetry and culture Contributors Jonathan Allison Vicki Bertram Paul Breslin Cairns Craig Robert Crawford Lillas Fraser Alan Golding Romana Huk Marjorie Perloff Andrew Michael Roberts Features Focuses on the relationship between poetry and cultural practices Informed by current theoretical debates about value Wide range of British and American poetry discussed by leading critics from both sides of the Atlantic

Poetic Culture Christopher Beach,1999 In *Poetic Culture* Christopher Beach questions the cultural significance of poetry both as a canonical system and as a contemporary practice By analyzing issues such as poetry's loss of audience the anthology wars of the 1950s and early 1960s the academic and institutional orientation of current poetry the poetry slam scene and the efforts to use television as a medium for presenting poetry to a wider audience Beach presents a sociocultural framework that is fundamental to an understanding of the poetic medium While calling for new critical methods that allow us to examine poetry beyond the limits of the accepted contemporary canon and beyond the terms in which canonical poetry is generally discussed and evaluated Beach also makes a compelling case for poetry and its continued vitality both as an aesthetic form and as a site for the creation of community and value

Means Matter Manuel Brito,2010 This book is a major source for scholars of the latest American poetry These exciting essays comprise energy and documented discussions on experimentalism multiculturalism hyperspace and gender Anthologies and little magazines form the matrix for this exploration on conceptual issues surrounding language The author widens the perspective in which a great deal of writing forced the limits of poetry in this kind of publications At the same time he analyzes new contexts and enters into conversation with other sources for inspiration found through other disciplines such as social theory philosophy linguistics and art generated at both sides of the Atlantic Ocean Reflective taut with alertness and exploding the postmodern concept of word object as a liberating experience this book becomes a driving force to address poetry and challenging political issues with admirable depth

Reading Poetry Tom Furniss,Michael Bath,2022-04-06 *Reading Poetry* offers a comprehensive and accessible guide to the art of reading poetry Discussing more than 200 poems by more than 100 writers ranging from ancient Greece and China to the twenty first century the book introduces readers to the skills and the critical and theoretical awareness that enable them to read poetry with enjoyment and insight This third edition has been significantly updated in response to current developments in poetry and poetic criticism and includes many new examples and exercises new chapters on world poetry and eco poetry and a greater emphasis throughout on American poetry including the impact traditional Chinese poetry has had on modern

American poetry The seventeen carefully staged chapters constitute a complete apprenticeship in reading poetry leading readers from specific features of form and figurative language to larger concerns with genre intertextuality Caribbean poetry world poetry and the role poetry can play in response to the ecological crisis The workshop exercises at the end of each chapter together with an extensive glossary of poetic and critical terms and the number and range of poems analysed and discussed 122 of which are quoted in full make Reading Poetry suitable for individual study or as a comprehensive self contained textbook for university and college classes

A Study Guide for Claudia Emerson's "My Grandmother's Plot in the Family Cemetery" Gale, Cengage Learning, 2016 A Study Guide for Claudia Emerson's My Grandmother's Plot in the Family Cemetery excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs

A to Z of American Women Writers Carol Kort, 2014-05-14 Presents a biographical dictionary profiling important women authors including birth and death dates accomplishments and bibliography of each author's work

Anthology of Magazine Verse and Yearbook of American Poetry, 1917 **Anthology of Magazine Verse for ... and Year Book of American Poetry**, 1919 **Conversations with Dana Gioia** John Zheng, 2020-12-28 Conversations with Dana Gioia is the first collection of interviews with the internationally known poet and public intellectual covering every stage of his busy polymathic career Dana Gioia b 1950 has made many contributions to contemporary American literature and culture including but not limited to crafting a personal poetic style suited to the age leading the revival of rhyme meter and narrative through New Formalism walloping the intellectual ghetto of American poetry through his epochal article Can Poetry Matter helping American poetry move forward by organizing influential conferences providing public service and initiating nationwide arts projects such as Poetry Out Loud through his leadership of the National Endowment for the Arts and editing twenty best selling literary anthologies widely used in American classrooms Taken together the twenty two collected interviews increase our understanding of Gioia's poetry and poetics offer aesthetic pleasure in themselves and provide a personal encounter with a writer who has made poetry matter The book presents the actual voice of Dana Gioia who speaks of his personal and creative life and articulates his unique vision of American culture and poetry

[Anthology of Magazine Verse for 1913-29 and Yearbook of American Poetry](#) William Stanley Braithwaite, 1917 *International Who's Who in Poetry 2004* Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets
