

Understanding Political Parties

■ American Political Parties and the Scope of Government

- Lack of uniformity keeps government small
 - Big programs like Health Care (1994) fail
- But also makes cutting government programs difficult
 - Individuals focus on getting more from government for their own constituents

Longman Political Pamphleteer Medical Care And American Democracy

John Paxton

Longman Political Pamphleteer Medical Care And American Democracy:

Health Policies, Health Politics Daniel M. Fox, 2014-07-14 Drawing on a wide range of sources from popular literature movies and television drama to government and institutional documents this book reveals similarities in the presumptions underlying British and American health policies while also exploring the distinctive way in which policy was shaped by political culture class relationships and economic resources in each country Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Putting Health into Place* Robin A. Kearns, Wilbert M. Gesler, 1998-06-01

Putting Health into Place draws together original works that collectively argue for a reinvention of medical geography There is a growing interest worldwide in relationships between human health and the experience of place an interest driven both by developments in sociocultural theory and observed health concerns This book is a resource for those wishing to explore or to teach beyond the frontiers of conventional medical geography As the first word of the book's title suggests this is an active volume one that contributes to situating health in the simultaneously tangible negotiated and experienced realities of place Robin A Kearns and Wilbert M Gesler argue that medical issues are a necessary but insufficient focus in developing geographies of health and healing This contention is supported by the authors of the thirteen substantive chapters who convey research findings from the Americas Britain and the Pacific This book represents a collective commitment to exploring links between social and cultural theory ideas about place and discourses on health that will be of interest to readers across the social and health sciences

Diversity in Contemporary American Politics and Government David A. Dulio, Erin E. O'Brien, John S. Klemanski, 2009 Organized to follow the structure of a standard introduction to American politics text this unique reader highlights the role of diversity in U S politics through exploration of engaging contemporary political issues Based on the thesis that demographic diversity in America plays an important role in political outcomes and policy processes this reader covers a wide range of contemporary issues and encompasses a myriad of group cleavages Carefully selected readings from both academic and popular sources in conjunction with introductions by the editors and end of chapter resources present complex issues in an accessible engaging way

Equal Value/Comparable Worth in the UK and the USA Elizabeth Meehan, Peggy Kahn, 2016-07-27 Including contributions by both British and American researchers this book explores equal value developments in the two countries Through thematic chapters and case studies it examines legal developments trade union activity the operation of job evaluation and the race and class politics of equal value Both the possibilities and the limits of equal value reform are discussed
