Politics, Policy and Public Administration in Theory and Practice Andrew Podger, Michael de Percy, Sam Vincent, 2021-06-15 This festschrift celebrates the extensive contribution John Wanna has made to the research and practice of politics policy and public administration It includes both personal acknowledgements of his work and substantial essays on the issues that he focused most closely upon during his academic career budgeting and financial management politics and public policy and administration The essays address contemporary developments in public sector financial management in Australia and overseas changing political processes in Queensland and the Commonwealth and public governance and administration reform trajectories in Australia and internationally including in China A common theme is the importance of linking research to practice reflecting John Wanna's own style and contribution Essays include exploration of the interface between academia and practice including from the perspective of practitioners The authors of the essays in this volume include eminent Australian and international scholars of public administration experienced public service practitioners and younger scholars influenced by John Wanna

Longman History Helena MacKay, Julie Bowe, Theresa Nicole Thomson, Vanessa Mulvina Wright, 2002 Longman history 10 Year 10 history Queensland [Australian Science Abstracts](#), 1922

Proceedings of the Royal Society of Queensland Royal Society of Queensland, 1929 [Australia's Toxic Medical Culture](#) Vicki Adele Pascoe, 2018-10-11 This book explores dominance in Australia's medical culture through the positioning of international medical graduates IMGs It argues that IMGs are othered and ultimately positioned as an underclass a positioning validated and reinforced by the intersecting inequalities of class race and nation It also suggests that the positioning of IMGs is organised through the dimensions of structural power hegemonic power and interpersonal power which allow an exploration of power relations between the structures of the health system the Australian medical profession and the agency of IMGs The Australian narrative presented to the world espouses a community of social justice and human rights Instead an historical lens traces the formation and persistence of difference represented in ethnocentrism racism and xenophobia from 1788 to the present The research presented is multidisciplinary in scope An anti oppressive theoretical framework enables the voices of lived experience to penetrate throughout and a social justice platform engages the participants and the reader into the interwoven conversations The data set comprises a focus group 10 individual interviews with IMGs and a selection of inquiry submissions revealing rich and sometimes shocking evidence to paint a stark picture Other medical voices join the conversation via media responses to revelations of experiences not only by IMGs but also by Australian trained doctors It exposes a toxic culture endemic with bullying and sexual harassment This book is of interest to practitioners researchers and administrators in the fields of medical education human resource management legal studies health sciences social sciences health services government departments universities and hospitals as well as those tasked with duty of care and the provision of a safe workplace The voices gifted to this study raise awareness of current

issues within medicine in Australia at a very personal level and begin to formulate a policy and practical response to address these disturbing revelations

Morphology and Evolution of Turtles Donald B. Brinkman, Patricia A. Holroyd, James D. Gardner, 2012-09-14 This volume celebrates the contributions of Dr Eugene Gaffney to the study of turtles through a diverse and complementary collection of papers that showcases the latest research on one of the most intriguing groups of reptiles A mix of focused and review papers deals with numerous aspects of the evolutionary history of turtles including embryonic development origins early diversification phylogenetic relationships and biogeography Moreover it includes reports on important but poorly understood fossil turtle assemblages provides historical perspectives on turtle research and documents disease and variation in turtles With its broad scope which includes descriptions of material and new taxa from Australia Asia and Europe as well as North and South America this work will be an essential resource for anyone interested in the morphology and evolution of turtles This volume's breadth of time geography and taxonomic coverage makes it a major contribution to the field and a must have for all vertebrate paleontologists James F Parham California State University CA USA A comprehensive and sweeping overview of turtle evolution by the top experts in the field that will interest everyone curious about these unique reptiles Jason S Anderson University of Calgary Canada An invaluable addition to the literature that covers the full spectrum of approaches toward understanding the evolution of these noble creatures Ann C Burke Wesleyan University CT USA A truly comprehensive volume that both the student of fossil turtles as well as the general reader interested in these enigmatic creatures will find fascinating Tyler Lyson Yale University CT USA

Environmental History in the Pacific World J.R. McNeill, 2022-03-01 This volume brings together a set of key articles from the last 30 years pertaining to the environmental history of the Pacific basin It aims to treat the islands and waters of the Pacific as well as the lands around the Rim from New Zealand to Japan to California to Chile and is the first work of environmental history to take this inclusive view of the Pacific basin The focus is mainly on recent centuries but as environmental history requires at times the work also takes the very long view of millennia Several of the articles seek to bring a broad Pacific perspective to bear on their subjects while others use Pacific basin examples to try to establish broader theoretical points of interest to all who are drawn to the study of the interactions between nature and culture The book includes a bibliography of Pacific basin environmental history and an introduction that aims to sketch the contours and possible future directions of the field
