## **Longmans Economics Our American Economy:**

Longman's Economics E. L. Schwartz, 1994      **Economics** E. L. Schwartz, 1990      **A List of American Economic Histories** Everett Eugene Edwards, 1939      The American Catalogue , 1905      The American Catalog, 1900-1905 , 1905  
The United States Catalog , 1913      A Cumulated Index to the Books , 1900      Faculty Personnel American Association of Collegiate Schools of Business, 1925      **The Cumulative Book Index** , 1913      **The Longman Companion to America in the Era of the Two World Wars, 1910-1945** Patrick Renshaw, 2014-07-10 Between 1910 and 1945 the United States transformed itself into a Super Power By 1945 with rivals in Europe and Asia shattered by world war she dominated global economic financial and political arrangements and monopolised the atomic bomb This new Companion to History is an indispensable guide to this critical period in US history It includes chronologies listing all the major events both foreign and domestic social and economic history with many tables based on inaccessible data scores of mini biographies listings of the major office holders and maps      **Chicago Fundamentalism: Ideology And Methodology In Economics** Craig F Freedman, 2008-08-01 Cold war ideology infected the development of economics in ways its practitioners were often not fully aware The Chicago counter revolution against the dominant post war triumph of Keynesian analysis had an essential subtext a perceived struggle between freedom and collective slavery Ideological objectives subsequently influenced methodological concerns pushing economists to adopt the zero sum tactics of the courtroom rather than the mutually beneficial manners of the senior common room In these ideologically charged times economists stopped reading opposing views carefully seeking instead to dismiss out of hand uncongenial ideas In this collection of previously published and new material Craig Freedman examines the problem of ideology through the reflection cast by the architects of the Chicago counter revolution George Stigler and Milton Friedman The second half of the volume demonstrates the legacy of these ideological fires namely a profession where the methodology of careless reading and zero sum exchanges have persisted and come to dominate      *The Annual American Catalogue Cumulated 1900-1902* , 1903      *Arthur Spiethoff and the German Historical School of Economics* Vitantonio Gioia, 2024-04-02 Arthur Spiethoff 1873 1957 an economist of the German Historical School of Economics is best known for his theory of the business cycle Despite Spiethoff calling for a unified reading of his work his epistemological thinking has received less attention This book addresses that gap by analysing Spiethoff s theory of the business cycle in the light of his epistemological views Putting Spiethoff s work in context the book also investigates the most significant features of the evolution of the research programme of the German Historical School of Economics with particular reference to the relationships between Schmoller Sombart Weber and Spiethoff In addition Spiethoff s work is compared with some of the scientific orientations of the current debates on the epistemological side the book examines the relationship between Spiethoff s views and some contemporary thinking on scientific realism as well as methodological pluralism in social sciences And more broadly it emphasises the analytical relevance of the historical approach in explaining the economic

imbalances of contemporary capitalism questioning the idea widespread in the neoclassical approach that taking historical specificities into account makes it hard to achieve a theoretically effective attitude This book is a significant addition to the literature on the German Historical School of Economics and the history of economic thought business cycle theory and macroeconomics more broadly Taxing Choice William Shughart II, 2018-04-24 Taxing behavior deemed politically incorrect has long been a convenient way for politicians to fund programs benefiting special interest groups to the public's disadvantage Government policy toward various goods drugs tobacco and alcohol for example has been locked into a regulatory cycle of tax and taboo Support for legalizing other substances is buttressed by the revenue generating power of so called sin taxes And the products subjected to excise taxation have varied from soft drinks fishing gear and margarine to airline tickets telephone calls and gasoline Taxing Choice thoroughly addresses the costs and benefits of these predatory public policies Shughart notes that the record of such punitive selective taxation has been anything but successful hindering economic progress and failing to deliver the promised social benefits In addition the costs of selective taxes fall disproportionately on lower income people while more politically powerful interest groups benefit At the same time such policies are a poor way to raise funding for public services and foster political corruption and self serving bureaucracies accountable to no one Indeed policies discriminating against certain products may represent ominous trends easily extended into virtually every facet of people's lives One can envision policies proscribing foods sun bathing obesity and even books films and political and religious beliefs deemed dangerous Part I is devoted to the political economy of selective taxation Contributors trace the history and politics of selective excise taxes in the United States discussing the range of products that have been subject to such taxation from the founding period to the present Part II explains how these taxes emerge in a political marketplace with opposing pressure groups scrambling for wealth transfers in their own favor Part III looks at taxes on specific products as well as such banning policies as Prohibition and the war on drugs Constitutional economic and civil liberty issues including civil asset forfeiture and product liability are discussed in Part IV With the accelerating national debate over tax reform and the downsizing of government Taxing Choice is a timely and far reaching contribution to a debate of great interest to economists policymakers historians sociologists and taxpayers in general *Reflections on the Cliometrics Revolution* John S. Lyons, Louis P. Cain, Samuel H. Williamson, 2007-12-12 This book presents memoirs of intellectual lives In conversation with cliometricians of the next generation twenty five pioneering scholars reflect on changes in the practice of economic history they have observed and have helped to bring about Economic Objects and the Objects of Economics Peter Róna, László Zsolnai, 2018-08-21 This book examines the nature of economic objects that form the subject matter of economics and studies how they resemble or differ from the objects studied by the natural sciences It explores the question of whether economic objects created by modern economics sufficiently represent economic reality and confronts the question whether tools techniques and the methodology borrowed from the natural sciences are appropriate for the analysis

of economic reality It demonstrates the unsustainability of rational choice theory It looks at economic agents such as individuals groups legally constituted entities algorithms or robots how they function and how they are represented in economics The volume further examines the extent if any that mathematics can represent the objects of the economy such as supply and demand equilibrium marginal utility or the money supply as they actually occur in the economy and as they are represented in economics Finally the volume explores whether the subject matter of economics however defined is the proper subject of theoretical knowledge whether economics is an analytic or a descriptive discipline or if it is more properly seen in the domain of practical reason Specifically the book looks at the importance and the ambiguity of the ontology of modern economics temporality reflexivity the question of incommensurability and their implications for economic policy

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Longmans Economics Our American Economy eBooks, including some popular titles.

## **FAQs About Longmans Economics Our American Economy Books**

**What is a Longmans Economics Our American Economy PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Longmans Economics Our American Economy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Longmans Economics Our American Economy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Longmans Economics Our American Economy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Longmans Economics Our American Economy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
