finds in Jesus *The Life We're Looking For* Andy Crouch, 2022-04-19 A deeply reflective primer on creating meaningful
connections rebuilding abundant communities and living in a way that engages our full humanity in an age of unprecedented
anxiety and loneliness from the author of *The Tech Wise Family* Andy Crouch shows the path to reclaiming a life that restores
the heart of what it means to thrive Arthur C Brooks 1 New York Times bestselling author of *From Strength to Strength* Our
greatest need is to be recognized to be seen loved and embedded in rich relationships with those around us But for the last
century we've displaced that need with the ease of technology We've dreamed of mastery without relationship what the
premodern world called magic and abundance without dependence what Jesus called Mammon Yet even before a pandemic
disrupted that quest we felt threatened and strangely out of place lonely anxious bored amid endless options oddly
disconnected amid infinite connections In *The Life We're Looking For* bestselling author Andy Crouch shows how we have
been seduced by a false vision of human flourishing and how each of us can fight back From the social innovations of the
early Christian movement to the efforts of entrepreneurs working to create more humane technology Crouch shows how we
can restore true community and put people first in a world dominated by money power and devices There is a way out of our
impersonal world into a world where knowing and being known are the heartbeat of our days our households and our
economies Where our vulnerabilities are seen not as something to be escaped but as the key to our becoming who we were
made to be together Where technology serves us rather than masters us and helps us become more human not less **The**
