Gadsby Ernest Vincent Wright,2014-12-11 Example in this ebook The entire manuscript of this story was written with the E type bar of the typewriter tied down thus making it impossible for that letter to be printed This was done so that none of that vowel might slip in accidentally and many did try to do so There is a great deal of information as to what Youth can do if given a chance and though it starts out in somewhat of an impersonal vein there is plenty of thrill rollicking comedy love courtship marriage patriotism sudden tragedy a determined stand against liquor and some amusing political aspirations in a small growing town In writing such a story purposely avoiding all words containing the vowel E there are a great many difficulties The greatest of these is met in the past tense of verbs almost all of which end with ed Therefore substitutes must be found and they are very few This will cause at times a somewhat monotonous use of such words as said for neither replied answered nor asked can be used Another difficulty comes with the elimination of the common couplet of course and its very common connective consequently which will unavoidably cause bumpy spots The numerals also cause plenty of trouble for none between six and thirty are available When introducing young ladies into the story this is a real barrier for what young

woman wants to have it known that she is over thirty And this restriction on numbers of course taboos all mention of dates Many abbreviations also must be avoided the most common of all Mr and Mrs being particularly troublesome for those words if read aloud plainly indicate the E in their orthography As the vowel E is used more than five times oftener than any other letter this story was written not through any attempt to attain literary merit but due to a somewhat balky nature caused by hearing it so constantly claimed that it can t be done for you cannot say anything at all without using E and make smooth continuity with perfectly grammatical construction so twas said Many may think that I simply drop the E s filling the gaps with apostrophes A perusal of the book will show that this is not so All words used are complete are correctly spelled and properly used This has been accomplished through the use of synonyms and by so twisting a sentence around as to avoid ambiguity The book may prove a valuable aid to school children in English composition People as a rule will not stop to realize what a task such an attempt actually is As I wrote along in long hand at first a whole army of little E s gathered around my desk all eagerly expecting to be called upon But gradually as they saw me writing on and on without even noticing them they grew uneasy and with excited whisperings amongst themselves began hopping up and riding on my pen looking down constantly for a chance to drop off into some word for all the world like sea birds perched watching for a passing fish But when they saw that I had covered 138 pages of typewriter size paper they slid off onto the floor walking sadly away arm in arm but shouting back You certainly must have a hodge podge of a yarn there without Us Why man We are in every story ever written hundreds of thousands of times This is the first time we ever were shut out Pronouns also caused trouble for such words as he she they them theirs her herself myself himself yourself etc could not be utilized But a particularly annoying obstacle comes when almost through a long paragraph you can find no words with which to continue that line of thought hence as in Solitaire you are stuck and must go way back and start another which of course must perfectly fit the preceding context To be continue in this ebook **Family Herald** ,1875 **True Love** Cazoel,2011-10-12 Hector Longman the black elegant and handsome young man and Angel Louw the brilliant intelligent and beautiful young white girl have known each other since from their childhood He has been in love with her but it has been a secret in his heart for a long time until he could not keep anymore They then badly and madly felled in love with each other Mr Louw Angel s father wasn t pleased about the choice of his daughter he needed her to be married by a white and rich man He tried by all his mighty to destroy their relationship but Hector persisted on loving Angel with true love that convinced Mr Louw to bless him on marrying his one in million girl Angel Louw **The Family Herald** ,1875 **Looking Forward as the Journey Continues** George Mills,2018-10-31 As I stand here waiting for the ship to sail to begin a second journey in my life I find myself looking out over this beautiful city I stand remembering a time when there was once a beautiful wildflower who was with me on this journey of life We both believed that we were each other s one true love who held the other half of our souls Since we parted ways I can only pray that my beautiful wildflower has found someone who she believes holds the key to her

heart I find myself once again standing all alone only remembering the good times in which we travel down this ol rugged road that our Heavenly Father placed before us You are no longer with me to continue our journey in life I can only wonder what our lives would be like today if you had opened the door of your heart and let your love find its way unto me
