Look And Explore Ready Set Go:

Ready, Set, Go! Pamela Greenbaum, Dr. Robert Wolf, 2021-09-24 Ready Set Go is the first book to expand on Abraham Maslow's Primary Needs. This book presents the seventeen Primary Needs each person has six to nine of them from the earliest stages of life and tackles how to get them filled. These needs include being valued, being visible, being secure, being independent, plus thirteen more. This book also describes how most people spend their lives being filled with Pseudo Fillers such as vacations, dining, social media, shopping, and so on. Only by discovering our Primary Needs can we live peaceful, rewarding, and satisfying lives and create New Beginnings resulting in a happy, healthy, and fulfilled life. *Ready, Set, Go!*

Sandra Rasmussen, 2015-02-10 This book is for people in recovery. We ask and answer basic questions about addiction, relapse, and recovery. We believe addiction is a primary chronic disease of brain reward, motivation, memory, and related circuitry, characterized by craving, loss of control, physical dependence, and tolerance. Genetics, together with bio-psycho-social-spiritual factors, account for the likelihood a person will develop an addiction or related disorder. Relapse happens: a return to drinking, using other addictive behavior, or an increase in harm from addiction. Yet recovery is an idea whose time has come. Recovery is a different, better way of life with purpose and meaning. We suggest addiction management as a way recovering people can maintain change, abstinence, or harm reduction, reduce risks for relapse, prevent relapse, develop a recovery lifestyle, confront relapse when necessary, and achieve well-being. Current research, recognized theories, and the lived experiences of hundreds of people in recovery ground and guide book content. The book has three parts and fifteen chapters. A person in recovery introduces each chapter. We show how to develop, implement, and evaluate addiction management plans. Each chapter ends with summary statements and addiction management applications. References and a list of websites complete the book. Family and friends of recovering people will find the material useful. Addiction professionals can use the book to help clients realize recovery and prevent relapse. Are you ready? Bendroth, 2018-05-14 Many churches today find themselves in frequent transition, whether due to the changing culture, the struggles of mainline churches, or the changing nature of mission. *Interim Ministry in Action* helps guide churches and their leadership through these times of change. The book will guide readers step by step through the process of how and why to decide to call an interim minister, the process for deciding what's next, and more. Each chapter concludes with exercises for readers, search committees, or boards to illustrate key themes and help them determine the best path forward.
