Looking Back at Washington, La David Jasper McNicoll, Paul L. Lastrapes, 1996 **Looking Back at Washington, LA**
Paul L. Lastrapes, 1997-01-01 *Steamboats on Louisiana's Bayous* Carl A. Brasseaux, Keith P. Fontenot, 2004-11-01 In an extraordinary feat of research and intrepid historical navigation Carl A. Brasseaux and Keith P. Fontenot serve as guides through the labyrinthian and often harrowing world of Louisiana bayou steamboat journeys of the mid to late nineteenth century. The bayou country's steamboat saga mirrors in microcosm the tale of America's most colorful and most highly romanticized transportation era. But Brasseaux and Fontenot brace readers with a boldly revisionist picture of the opulent Mississippi River floating palaces stripped down utilitarian freight haulers belching smoke from twin stacks churning through shallow swamps and narrow tributary streams and encountering such hazards as shoals, sawyers, stumps, highwater and dry bed seasons and the remains of vessels claimed by those treacheries. For decades steamboats transported goods, passengers and mail between New Orleans and south Louisiana's vibrant interior agricultural region, bearing testimony to the resourcefulness, ingenuity and tenacity of crews in conquering the challenges posed by a forbidding environment. Brasseaux and Fontenot marshaled a monumental array of information, including sources long buried in courthouses, private collections and the records of the Army Corps of Engineers. They offer data on some five hundred steamboats, keelboats and barges known to have operated in the bayou country. This book is the first major study of a fascinating slice of the steamboat industry, showcasing a trade critically important to New Orleans's prosperity but largely forgotten in southern historiography until now. Encompassing economic, social, transportation and environmental history, it captures the period just before the iron horse emerged as America's undisputed master of inland conveyance.

A Case for Solomon Tal McThenia, Margaret Dunbar Cutright, 2012-08-14 True crime *The Papers of Jefferson Davis* Jefferson Davis, 2012-03-12 Volume 13 of *The Papers of Jefferson Davis* follows the former president of the Confederacy as he becomes head of the Carolina Life Insurance Company of Memphis and attempts to gain a financial foothold for his newly reunited family. Having lost everything in the Civil War and spent two years immediately afterwards in federal prison, Davis faced a mounting array of financial woes, health problems and family illnesses and tragedies in the 1870s. Despite setbacks during this decade, Davis also began a quest to rehabilitate his image and protect his historical legacy. Although his position with the insurance company provided temporary financial stability, Davis resigned after the Panic of 1873 forced the sale of the company and its new owners canceled payments to Carolina policyholders. He left for England the following year in search of employment and to recuperate from ongoing illnesses. In 1876, Davis became president of the London-based Mississippi Valley Society and relocated to New Orleans to run the company. Throughout the 1870s, Davis waged an expensive and seemingly endless legal battle to regain his prewar Mississippi plantation, Brierfield. He also began working on his memoirs at Beauvoir, the Gulf Coast estate of a family friend. Though disfranchised, Davis addressed the subject of politics with more frequency during this decade, criticizing the

Reconstruction policies of the federal government while defending the South and the former Confederacy The volume ends with Davis s inheritance of Beauvoir which was his last home The editors have drawn from over one hundred manuscript repositories and private collections in addition to numerous published sources in compiling Volume 13 **Acadian Plantation Country Cookbook** Anne Butler,2007-01-01 A historical pictorial and gastronomic tour of the plantations west of the Atchafalaya Basin in southern Louisiana introduces traditional recipes from the area that celebrate Louisiana s diverse heritage
