Looking Back Jews In The Struggle For Democracy And Human Rights In South Africa:

Looking Back Milton Shain, 2001 A photo documentation of the Jews of South Africa and their involvement in the struggle for human rights *The Kasrils Affair* Joel B. Pollak, 2009 The inside story of a prominent Jewish politician outside Israel vehemently attacking the Israeli government and its policies publicly and self consciously as a Jew **Studies in Contemporary Jewry** Ezra Mendelsohn, 2003 The essays in this book focus on the establishment of alliances between Jewish leaders and those of the state in return for Jewish support **Contemporary Jewish Writing in South Africa** Claudia Bathsheba Braude, 2001-01-01 With the release of Nelson Mandela the advent of nonracial democracy and the Truth and Reconciliation Commission South Africans have found themselves grappling with the legacy of apartheid s racial and cultural divisions Together with Claudia Bathsheba Braude s path breaking introduction the stories collected in this anthology tap silences that were central to apartheid rule and that have particular resonances for South African Jewish history and memory Bringing together the best and most noteworthy of a wide range of contemporary writers who represent the historical specificities and contradictions of South African Jewish life under apartheid *Contemporary Jewish Writing in South Africa* makes compellingly clear the depths and complexities of a society in which racial identities including Jewish whiteness were deliberately constructed The contributors include Nobel Prize winning novelist Nadine Gordimer well known writers such as Rose Zwi and Dan Jacobson exiled ANC activist and constitutional court judge Albie Sachs satirist Pieter Dirk Uys a penetrating critic of apartheid and actor and writer Matthew Krouse whose fiction offers a provocative blending of gay and Jewish identities in the postapartheid era The volume traces the construction of memory and racial identity in South African Jewish literary and cultural history Among the recurring themes in these stories are the selective presentation of certain aspects of Jewish life under apartheid a reevaluation of identity after its fall and the conflicting shadow of the Holocaust in a white supremacist society Giving nuanced voice to questions about history race and ethnicity in postapartheid South Africa these stories will be of broad interest *Exodus To Africa* Adam YAMEY, 2015 This book is a personal account rather than an academic history It tells the tales of some of the author s numerous relatives in order to illustrate many aspects of Jewish migration from Europe to the South of Africa Once they were settled in the country Jews played a disproportionately large role in its development everything from opening up trade and commerce to fighting apartheid Page 6 **American Jewish Year Book 2002** , 2002 **Time to Tell** Barry Feinberg, 2011-08-01 This dramatically revealing memoir follows Barry Feinberg s 45 years of activism travel relationships and creative expression While the twin narratives of private life and political doings are equally absorbing on their own it is the relationship between the two and the story of this relationship s expression through Feinberg s pen brush and lens that provide a unique and compelling perspective on the most significant and volatile decades in South Africa s history *The Hidden Thread* Irina Filatova, 2013-06-28 The Hidden Thread is a journey of revelation about the relationship between Soviet Russia and South Africa hidden for most of its length The story is

told with insight and depth by Irina Filatova and Apollon Davidson who have had a decades long association researching and writing on Russian and South African politics and history This insightful work follows the often surprising twists and turns of the history of South Africa s relationship with Russia and its people which started in the eighteenth century and is still very much alive today The story evolves from the Russian volunteers who fought alongside the Boers in the Anglo Boer War to South Africans who participated in the Russian revolution and civil war from the Russian Jewish immigration to South Africa to the close involvement of the South African communists in the Communist International from the Soviet consulates in South Africa and the activities of South Africa s Friends of the Soviet Union Society during the Second World War to the vicissitudes of the Cold War and the hot war in Angola from the SACP and ANC s relations with the USSR to the volte face of perestroika and South Africa s transition and to today s business political cultural and sometimes criminal connections between Russians and South Africans

Opposing Apartheid on Stage Tyler Fleming,2020 A captivating account of an interracial jazz opera that took apartheid South Africa by storm and marked a turning point in the nation s cultural history

South African Jews in Israel Rebeca Raijman,2015-01-01 Despite consensus about the importance of multigenerational analysis for studying the long term impact of immigration most studies in Israel have focused on the integration of first generation migrants neglecting key changes in economic social linguistic and identity outcomes that occur intergenerationally Rebeca Raijman tackles this important but untold story with respect to Jewish South African immigration in Israel By collecting data from three generational cohorts Raijman analyzes assimilation from a comparative multigenerational perspective She also combines both quantitative and qualitative evidence with in depth interviews and participant observation thereby providing a rich and more complete picture of the complex process of migrant assimilation While the migrant subpopulation of South Africa has not received the attention that immigrant populations from the former Soviet Union and Ethiopia have as English speaking migrants they are a powerful and significant group Given the status of English as an international language this study has important implications for understanding the expected assimilation trajectories of Anglophone immigrants in Israel as well as in other non English speaking societies South African Jews in Israel not only contributes empirical material concerning immigrants in Israeli society but also articulates a theoretical understanding of the social mechanisms underlying the integration of various generations of immigrants into a variety of societal domains

Future Primal Louis G. Herman,2013 To address global political unrest and ecological collapse political science professor Herman presents ways to incorporate the wisdom of the hunter gatherer culture of the San Bushmen of southern Africa into modern Western culture

Community and Conscience Gideon Shimoni,2003 The first thorough account of South African Jewish religious political and educational institutions in relation to the apartheid regime

Human Rights in Africa James T. Lawrence,2004 The existence of human rights helps secure the peace deter aggression promote the rule of law combat crime and corruption and prevent humanitarian crises These human rights

include freedom from torture freedom of expression press freedom women s rights children s rights and the protection of minorities The book surveys the countries of Africa and is augmented by a current bibliography and useful indexes by subject title and author

Modern Jewish Mythologies Glenda Abramson,2000-04-01 Based on the Mason Lectures delivered at the Oxford Centre for Hebrew and Jewish Studies in the winter of 1995 the ten essays in this volume demonstrate the function and dynamic effect Jewish mythologies in social political and psychological life Eli Yassif s introduction illustrates the complex relationship between myth and ritual in modern Jewish culture In a separate essay he focuses on the ancient Jewish tale of the Golem a myth that presents an exemplary test case for the exploration of cultural continuity Using the testimonies of Jewish immigrants from eastern Europe to Britain and the battle on the plain of Latrun in the Israeli War of Independence David Cesarani and Anita Shapira demonstrate that the process of creating myth is related in one way or another to attempts by specific social and ethnic groups to shape their collective memory Along these lines Milton Shain and Sally Frankental interrogate the view that during the apartheid period in South African history South African Jewry operated on a higher moral plane than most other white South Africans And while Nurith Gertz examines the male superhero that dominated the early national Zionist cinema and reflected the center of gravity in the Zionist myth Dan Urian analyzes two Israeli plays produced in the 1990s that examine the myth of the biblical Sarah rewritten from a feminist perspective Other essays examine widely held cultural beliefs of contemporary Western Jewry Jonathan Webber questions whether memory is an essentially Jewish value and remembrance a Jewish moral duty Tudor Parfitt explores Western and Israeli perceptions of the Yemenite Jews and Sylvie Anne Goldberg in examining the evolving role of the chevrah kaddisha in Prague discusses changes in perceptions of communal institutions and traditional and modern Jewish attitudes with regard to death Finally Matthew Olshan offers an analysis of Kafka s animal fables as parables for the Jewish response to tradition
