Four Lives Janice Rubin, Honey Hilzen, Peggy O'Hea, Theda von Schultz Bray, 2001-11-14 Why are some people able to survive unpropitious beginnings thrive and even excel while others in equivalent circumstances cannot The four women whose memoirs make up this volume met several years ago in an autobiography workshop Despite early years that included physical emotional and sexual abuse deaths and abandonments and the terror of living in a country at war they remained sufficiently self possessed and determined to go on to live productive lives often giving back more than they had received How did they manage to do it Was Theda's loving family her protective shield Was Honey's willingness to accept help and learn from others her salvation Did Peggy's brightness charm and independence give her the confidence to take on the world Was Janice's determination to matter her incentive This book offers no answers but there are enough clues in each of the four stories on which to base reasonable conjectures

Looking Back, Moving on David Rogers, Janice Rubin, 2000-07 David Rogers has a specific point of view and he lets it all out in a new extremely enjoyable book of three marvelous long short stories Stories by an Atheist Here are paragraphs from each Sunday Morning There was a pond behind the house they rented a good distance off for some legs In the evenings sometimes while Julia was busy in the kitchen getting supper Jay and the boys walked down to the pond Jay to stand on the dock and watch while the boys lay on their stomachs and peered between the planks The pond was alive with sunnies that rushed at everything that fell into the water especially

breadcrumbs Some had white edges on their fins and fringes on their tails and they were the best kind The other kind smaller darker and quicker got most of the bread Once a little painted turtle appeared and paddled around and around chasing all the fishes and though shouted at and spat upon wouldn't go away Seventeen You saw her didn't you said Gus What more do you want What's she hanging around here for If it wasn't raining she'd be out of the road thumbing for Chrisake She's got to get to town absolutely has to get to town some big deal with her girl friend If she don't get there she'll die Go home and get your car and come back and tell her you'll take her anywhere she wants to go and you know what you do you take her out in the woods and tell her either she fucks or she walks and what do you bet she fucks I couldn't do that said Herby He was shocked She's only a kid He was only a kid himself The Funeral Emily and Micky Christine were among the last to reach the celebrity The priest pushed through the crowd as they approached put his arms around them kissed them both on the lips Everett noted and sorrowfully shook his head Everett was brought forward and introduced an introduction he would rather have avoided were it possible The priest shook his hand patted his arm and said it was good to see him He told the girls he had known their father for years more years than he cared to remember and had known their mother as well a lovely woman It had hit him hard her passing and now here it was old Jim's turn not an old man by any means and did they know what had taken him On learning that no one seemed to know he said the doctors might be good people but they didn't know as much as they thought they did They had lost a good man in Jim Turner but it looked as if they had found another He said this with a roguish glance at Everett who flushed with pleasure in spite of himself and felt a damned fool for so doing

An Accidental Memoir Wendy Reed, 2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O'Connor and feature dark humor flawed people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child *A Look Back in Time: Memoir of a Military Kid in the 50s* Bernard N. Lee, Jr., 2017-12-19 *A Look Back in Time Memoir of a Military Kid in the 50s Vol II* is a 2020 International Best Book Awards Finalist This book is a fascinating insightful inspiring and sometimes hilarious chronicle of life while growing up in a military family Readers will enjoy the stories of life in the fifties told from a child's perspective Through the stories readers learn the virtues of tolerance fairness perseverance resilience and other life-serving qualities needed for survival in today's world These qualities are timeless Readers young and old will recognize these virtues and themselves inside the stories Review by Colonel Arnold R Goodson United States Army Retired *A Look Back in Time* finds our military kid living in Deutschland while attending an American middle school and high school His adventures with the German and American young adults are rich in history suspense and surprises You will enjoy the stories of this well-traveled military kid as he navigates his early teen years in Germany during the fifties We follow this young adult as he learns to

speaking German, ice skate with the local teens, learn to play the guitar, jam with a local band, and explore the fascinating beauty of the Black Forest. These are adventures he will cherish for the rest of his life. You are invited to share them in *A Look Back in Time*. Author: Bernard N. Lee Jr. *Into the Sun* Neil Volz, 2011-11-22 *Into the Sun* puts a human face on the business of American politics. It also makes you rethink what you believe about Washington. When Neil Volz moved from small town Ohio to Capitol Hill, he was a young idealistic college student. Twelve years later, he was a high profile symbol of Washington corruption. A former lobbyist and public official, Volz paints a vivid and disturbing picture of his rise and fall. He ushers the reader in to the clandestine world of congressional deal making and special interest lobbying, all the while telling of his journey down the slippery slope of personal corruption. The book describes first hand what it was like to be a target of a Justice Department investigation, as well as a government witness during the worst political corruption scandal since Watergate. The author outlines important life lessons he learned from the experience and raises fundamental questions about the role of money in politics: How do people become corrupt? Is it an individual failure or the result of a failed political system? While *Into the Sun* is a personal story about hope, failure, and faith, it is also a larger story about how Washington works and how it doesn't. *Together, Alone* Susan Wittig Albert, 2010-03-01 What does it mean to belong to a place, to be truly rooted and grounded in the place you call home? How do you commit to a marriage, to a full partnership with another person, and still maintain your own separate identity? These questions have been central to Susan Wittig Albert's life, and in this beautifully written memoir, she movingly describes how she has experienced place, marriage, and aloneness while creating a home in the Texas Hill Country with her husband and writing partner Bill Albert. *Together, Alone* opens in 1985 as Albert leaves a successful, if rootless, career as a university administrator and begins a new life as a freelance writer, wife, and homesteader on a patch of rural land northwest of Austin. She vividly describes the work of creating a home at Meadow Knoll, a place in which she and Bill raised their own food and animals while working together and separately on writing projects. Once her sense of home and partnership was firmly established, Albert recalls how she had to find its counterbalance: a place where she could be alone and explore those parts of the self that only emerge in solitude. For her, this place was Lebh Shomea, a silent monastic retreat. In writing about her time at Lebh Shomea, Albert reveals the deep satisfaction she finds in belonging to a community of people who have chosen to be apart and experience silence and solitude. *The Forgotten Girls* Monica Potts, 2024-04-30 NEW YORK TIMES BESTSELLER An acclaimed journalist tries to understand how she escaped her small town in Arkansas while her brilliant friend could not, and in the process illuminates the unemployment, drug abuse, sexism, and evangelicalism killing poor rural white women all over America. A clear-eyed and tender debut. This book is as much the author's story as a piece of reportage. *The Wall Street Journal* Growing up gifted and working class, poor in the foothills of the Ozarks, Monica and Darci became fast friends. The girls bonded over a shared love of reading and learning, even as they navigated the challenges of their tumultuous family lives and declining town, broken marriages, alcohol abuse, and shuttered

stores and factories They pored over the giant map in their middle school classroom tracing their fingers over the world that awaited them vowing to escape In the end Monica left Clinton for college and fulfilled her dreams but Darci along with many in their circle of friends did not Years later working as a journalist covering poverty Potts discovered what she already intuitively knew about the women in Arkansas Their life expectancy had dropped steeply the sharpest such fall in a century This decline has been attributed to deaths of despair suicide alcoholism and drug overdoses but Potts knew their causes were too complex to identify in a sociological study She had grown up with these women and when she saw Darci again she found that her childhood friend addicted to drugs often homeless a single mother was now on track to becoming a statistic In this gripping narrative Potts deftly pinpoints the choices that sent her and Darci on such different paths and then widens the lens to explain why those choices are so limited *The Forgotten Girls* is a profound compassionate look at a population in trouble and a uniquely personal account of the way larger forces such as inheritance education religion and politics shape individual lives

Combining the soul-baring insight of *Wild*, the profound wisdom of *Shop Class as Soulcraft* and the adventurous spirit of *Eat Pray Love*, Lynn Darling's powerful lyrical memoir of self-discovery is full of warmth and wry humor. *Out of the Woods* When her college-bound daughter leaves home, Lynn Darling, widowed over a decade earlier, finds herself alone and utterly lost with no idea of what she wants or even who she is. Searching for answers, she leaves New York for the solitary woods of Vermont. Removed from the familiar, cocooned in the natural world, her only companions are a new dog and a compass she hopes to develop a sense of direction both in the woods and in her life. Hiking unmapped trails, Darling meditates on the milestones of her past as she adapts to her new surroundings; she uses the knowledge she's gained to chart her future. And when an unexpected setback nearly derails her newfound balance, she is able to draw upon her newfound skills to find her bearings and stay the course. In revealing how one woman learned to navigate literally and metaphorically the uneven course of life, *Out of the Woods* is, in the words of Pulitzer Prize-winning author Geraldine Brooks, a marvelous book, both a compass and a manifesto for navigating the often treacherous switchbacks of the second half of life. *Rooikoppies: A Memoir* Ariella Damelin, 2015-07-10

How did a little girl born on a farm in the Free State, South Africa, become university-educated, a gracious hostess, master chef, committed community volunteer, devoted, loved and respected friend, wife, mother, grandmother and great-grandmother? Not without struggle, tragic loss, determination and good humour. Ariella Damelin teaches life writing. She has four children and four grandchildren and lives in Toronto with her husband. *The Book Review Digest*, 2007 **Yeats's Legacies** Warwick Gould, 2018-03-22

The two great Yeats Family Sales of 2017 and the legacy of the Yeats family's 80-year tradition of generosity to Ireland's great cultural institutions provide the kaleidoscope through which these advanced research essays find their theme. Hannah Sullivan's brilliant history of Yeats's verse-craft challenges Poundian definitions of Modernism. Denis Donoghue offers unique family memories of 1916 whilst tracing the political significance of the Easter Rising. Anita Feldman addresses Yeats's responses to the Rising's appropriation of his symbols and myths, the daring artistry of his ritual drama developed from Noh, his poetry of personal utterance and his vision of art as a body reborn rather than a treasure preserved amid the testing of the illusions that hold civilizations together in ensuing wars. Warwick Gould looks at Yeats as founding Senator in the new Free State and his valiant struggle against the literary censorship law of 1929 with its present-day legacy of Irish anti-blasphemy law still presenting a constitutional challenge. Drawing on Gregory Estate documents, James Pethica looks at the evictions which preceded Yeats's purchase of Thoor Ballylee in Galway. Lauren Arrington looks back at Yeats, Ezra Pound and the Ghosts of *The Winding Stair*, 1929 in Rapallo. Having co-edited both

versions of *A Vision* Catherine Paul offers some profound reflections on Yeats and Belief Grevel Lindop provides a pioneering view of Yeats's impact on English mystical verse and on Charles Williams who while at Oxford University Press helped publish the *Oxford Book of Modern Verse* Stanley van der Ziel looks at the presence of Shakespeare in Yeats's *Purgatory* William H O'Donnell examines the vexed textual legacy of his late work *On the Boiler* while Gould considers the challenge Yeats's intentionalism posed for once fashionable post-structuralist editorial theory John Kelly recovers a startling autobiographical short story by Maud Gonne While nine works of current biographical textual and literary scholarship are reviewed Maud Gonne is the focus of debate for two reviewers as are Eva Gore Booth Constance and Casimir Markievicz Rudyard Kipling David Jones T S Eliot and his presence on the radio
