Words of the Real People Ann Fienup-Riordan, Lawrence D. Kaplan,2007 Collects the oral literature poetry and life stories of Alaska s Native speakers of Yupik Inupiaq and Alutiiq including ancient tales spanning generations as well as new traditions accompanied by essays on each Native group s background Source of description unspecified The Evolution of Complex Hunter-Gatherers Ben Fitzhugh,2012-12-06 In 1987 I had the good fortune to join in the excavation of a phenomenal archaeological site on the western coast of Kodiak Island in Alaska The New Karluk site a k a Karluk One was perched on the edge of the small village of Karluk at the mouth of the river of the same name once one of the most productive salmon rivers in the North Pacific I had just completed my sophomore year of college and under the direction of Richard Jordan I enthusiastically joined several other students in the Kodiak Archaeology Projects New Karluk excavation I had participated in my father s archaeological research in Eastern Canada since early childhood but the Karluk dig was unlike any archaeology I had experienced before For three months we peeled back layers of grass wood and earth floors separated by remnants of ancient sod roofs Due to the unusual preservation and richness of the site at every turn we

uncovered perishable items such as bent wood bowls masks dolls puffin beak rattles grass baskets fragments of fiber netting locks of hair and food waste Preservation was so excellent in fact that we often exposed grass blades still green after hundreds of years which once exposed to air would turn brown before our eyes Library and Information Studies for Arctic Social Sciences and Humanities Spencer Acadia, Marthe Tolnes Fjellestad, 2020-11-26 Library and Information Studies for Arctic Social Sciences and Humanities serves as a key interdisciplinary title that links the social sciences and humanities with current issues trends and projects in library archival and information sciences within shared Arctic frameworks and geographies Including contributions from professionals and academics working across and on the Arctic the book presents recent research theoretical inquiry and applied professional endeavours at academic and public libraries as well as archives museums government institutions and other organisations Focusing on efforts that further Arctic knowledge and research papers present local regional and institutional case studies to conceptually and empirically describe real life research in which the authors are engaged Topics covered include the complexities of developing and managing multilingual resources working in geographically isolated areas curating combinations of local regional national and international content collections and understanding historical and contemporary colonial industrial influences in indigenous knowledge Library and Information Studies for Arctic Social Sciences and Humanities will be essential reading for academics researchers and students working the fields of library archival and information or data science as well as those working in the humanities and social sciences more generally It should also be of great interest to librarians archivists curators and information or data professionals around the globe *The Lives of Stone Tools* Kathryn Weedman Arthur, 2018-04-24 This book offers critical insights into lithic technology and cultural practices concerning stone tools Provided by publisher *Yupik Transitions* Igor Krupnik, Michael Chlenov, 2013-11-15 The Siberian Yupik people have endured centuries of change and repression starting with the Russian Cossacks in 1648 and extending into recent years The twentieth century brought especially formidable challenges including forced relocation by Russian authorities and a Cold War ice curtain that cut off the Yupik people on the mainland region of Chukotka from those on St Lawrence Island Yet throughout all this the Yupik have managed to maintain their culture and identity Igor Krupnik and Michael Chlenov spent more than thirty years studying this resilience through original fieldwork In *Yupik Transitions* they present a compelling portrait of a tenacious people and place in transition an essential portrait as the fast pace of the newest century threatens to erase their way of life forever The Indigenous Space and Marginalized Peoples in the United Nations J. Dahl, 2012-12-05 In the UN indigenous peoples have achieved more rights than any other group of people This book traces this to the ability of indigenous peoples to create consensus among themselves the establishment of an indigenous caucus and the construction of a global indigenousness *Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America* Robin Inglis, 2008-04-02 The Northwest Coast of America ranging from northern California through Oregon Washington and British Columbia all the way up to Alaska was

the last temperate coastline to be placed on the world map First visited by Russians in 1741 and thought to contain a navigable passage between the Pacific and the Atlantic it was systematically revealed during an intense period of exploratory and commercial activity from the 1770s to the 1790s Subsequently the imperial ambitions of Russia Spain and Britain and an assumption of manifest destiny by the United States led to further exploration and ensured that the region would become disputed territory before national boundaries were determined in the mid 19th century The Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America tells of the heroic endeavors and remarkable achievements the endless speculation about a northwest passage and the fighting and manipulation for commercial advantage that surrounded this terrain This is done through an introductory essay a detailed chronology an extensive bibliography modern maps and selected historical maps and drawings and over 400 cross referenced dictionary entries Entries cover the native people encountered the scientists and artists who left an invaluable documentary and visual record of people places flora and fauna the numerous voyages taken by men such as Vitus Bering James Cook Juan Francisco de la Bodega y Quadra and George Vancouver overland expeditions like those of Alexander Mackenzie Simon Fraser Meriwether Lewis and William Clark and David Thompson and maritime fur traders including George Dixon Grigorii Shelikhov Robert Gray and William Sturgis No other dictionary exists that is dedicated solely to the coverage of this region

The Oxford Handbook of Prehistoric Figurines Timothy Insoll, 2017-04-13 Figurines dating from prehistory have been found across the world but have never before been considered globally The Oxford Handbook of Prehistoric Figurines is the first book to offer a comparative survey of this kind bringing together approaches from across the landscape of contemporary research into a definitive resource in the field The volume is comprehensive authoritative and accessible with dedicated and fully illustrated chapters covering figurines from the Americas Europe Africa Asia and Australasia and the Pacific laid out by geographical location and written by the foremost scholars in figurine studies wherever prehistoric figurines are found they have been expertly described and examined in relation to their subject matter form function context chronology meaning and interpretation Specific themes that are discussed by contributors include for example theories of figurine interpretation meaning in processes and contexts of figurine production use destruction and disposal and the cognitive and social implications of representation Chronologically the coverage ranges from the Middle Palaeolithic through to areas and periods where an absence of historical sources renders figurines prehistoric even though they might have been produced in the mid 2nd millennium AD as in parts of sub Saharan Africa The result is a synthesis of invaluable insights into past thinking on the human body gender identity and how the figurines might have been used either practically ritually or even playfully
