## Looking Into Art:

*Looking at Art Philosophically* Tom Supensky, 2012-08 The purpose of this book is to present to the reader a series of philosophical ideas that assist in understanding one's position in the world of art and some thinking on art and creativity intended to awaken the aesthetic aspects of making art There is no intention to review historical philosophical concepts nor is there any specific inclusion of contemporary theories on art philosophy What is included are those philosophies important to the developing artist that are more commonplace in nature often neglected in art education yet vitally necessary to the true artist Finally this book is intended to stimulate the reader into asking such questions as who am I why art and what is art It is hopeful that the reader finds an aesthetic foundation a personal and honest place in the world of art *Looking at Art* Peter V. Moak, 2016-09-06 This guide contains a new approach to looking at and appreciating art One not found elsewhere It makes you aware of abilities you already have to see things in various ways The key to these abilities is what I call the visual ego the place between your eyes from which you see the world The guide then describes a series of particular ways of seeing and making works of art Finally it applies these ways which I call perspectives to works of art painting sculpture architecture and the decorative arts covering a period of some seventy thousand years The results I find to be amazing including new understandings and appreciation of many works of art and artists and their place in the history of art

**The Art of Looking at Art** Gene Wisniewski, 2020-10-04 A readable guide to the art of looking at art There's an art to viewing art A sizable portion of the population regards art with varying degrees of reverence bewilderment suspicion contempt and intimidation Most people aren't sure what to do when standing before a work of art besides gaze at it for what they hope is an acceptable amount of time and even those who visit galleries and museums regularly aren't always as well versed as they wish they could be This book will help remedy that situation and answer many of the most frequently asked questions pertaining to the matter of art in general When was the first art made Who decides which art is for the ages What is art's purpose How do paintings get to be worth tens of millions of dollars Where do artists get their ideas And perhaps the most pressing question of all have human cadavers ever been used as art materials Yup The Art of Looking at Art addresses these and countless more of the issues surrounding this frequently misunderstood microcosm in a highly informative yet conversational tone History fascinating and altogether human backstories and information pertaining to every conceivable aspect of visual art are interwoven in twelve concise chapters providing all the information the average person needs to comfortably approach analyze and appreciate art Readers with a background in art will learn a few new things as well This beautiful full color book includes 45 full page reproductions [Thirteen Ways of Looking at Latino Art](#) Ilan Stavans, Jorge J. E. Gracia, 2014-02-07 The essayist and cultural commentator Ilan Stavans and the analytic philosopher Jorge J E Gracia share long standing interests in the intersection of art and ideas Here they take thirteen pieces of Latino art each reproduced in color as occasions for thematic discussions Whether the work at the center of a particular conversation is a triptych created

by the brothers Einar and Jamez de la Torre Andres Serrano's controversial Piss Christ a mural by the graffiti artist BEAR\_TCK or Above All Things a photograph by Mar a Magdalena Campos Pons Stavans and Gracia's exchanges inevitably open out to literature history ethics politics religion and visual culture more broadly Autobiographical details pepper Stavans and Gracia's conversations as one or the other tells what he finds meaningful in a given work Sparkling with insight their exchanges allow the reader to eavesdrop on two celebrated intellectuals worldly erudite and unafraid to disagree as they reflect on the pleasures of seeing

**Pencil Drawings - A look into the art of David J. Vanderpool** David Vanderpool, 2013-06 Starting off with the artist's top winning pencil drawings from 2010 through 2012 this autobiography style book allows the reader an opportunity to not only learn the process it took to complete most of his drawings created between 2008-2013 which are shown within these pages but offers a personal look into who the artist is as a man From portraits to figure drawings David J Vanderpool shares how simple pencil lines can be used to create masterfully crafted drawings all while working through obstacles he would later encounter as an artist Proving that art isn't always about who the artist is but rather who catches his attention at that moment Closing with several fan favorite drawings from his other top selling books this book offers his most completed works to date VIEWER DISCRETION IS ADVISED This book contains adult male nudity NOTICE This book is not a how to book but rather as one review noted An Art Exhibit And Fan Book The inside pages are not glossy

**The Art of Looking** Lance Esplund, 2018-11-27 A veteran art critic helps us make sense of modern and contemporary art The landscape of contemporary art has changed dramatically during the last hundred years from Malevich's 1915 painting of a single black square and Duchamp's 1917 signed porcelain urinal to Jackson Pollock's midcentury drip paintings Chris Burden's Shoot 1971 in which the artist was voluntarily shot in the arm with a rifle Urs Fischer's You 2007 a giant hole dug in the floor of a New York gallery and the conceptual and performance art of today's Ai Weiwei and Marina Abramovic The shifts have left the art viewing public understandably perplexed In The Art of Looking renowned art critic Lance Esplund demonstrates that works of modern and contemporary art are not as indecipherable as they might seem With patience insight and wit Esplund guides us through the last century of art and empowers us to approach and appreciate it with new eyes Eager to democratize genres that can feel inaccessible Esplund encourages viewers to trust their own taste guts and common sense The Art of Looking will open the eyes of viewers who think that recent art is obtuse nonsensical and irrelevant as well as the eyes of those who believe that the art of the past has nothing to say to our present

**Looking at Art** Laurie Adams, 2003 This book of eight brief chapters on different aspects of the visual arts is designed to explore the nature of imagery and its relevance to many facets of our lives Drawing on a wealth of examples from Western and non Western art through the ages it examines a wide range of themes from the relationship between form and meaning to the methodologies of art historical analysis to the controversies that have surrounded certain works of art both past and present

**A Forest of Ideas** BLAKE PARKER, 2014-08-14 Blake Parker worked on this series of writings in the last year of his life while he lived with a terminal diagnosis of cancer It is a mixture of poetry dialogues book reports and short essays formed as a sort of shorthand to a number of concepts primarily from sociology and anthropology which he saw as useful if not actually essential for understanding symbolic interpretation and the essence of the therapeutic process within a social and cultural context He designed the psychoanalytic and therapeutic diagrams to clarify concepts and as teaching aids for art therapy students and therapists Blake uses a

phenomenological understanding of metaphor in order to throw light upon the process of social construction creativity and conceptions of mysticism or spirituality The book includes some of his personal reflections regarding death dying creativity and the meaning of life The notes are essentially a hermeneutic of mysticism a moving from the parts to the whole and the whole to the parts It is a forest of ideas and ramblings in interpretive frameworks that emerged and is presented in a circular spiral     *The Roman Gaze* David Fredrick,2002-11-18 Sharrock William C Fitzgerald University of California Berkeley American Historical Review
