The University Magazine ,1894 Looking into the Revelation Dr. Boyd O. Gray,2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In *Looking into the Revelation* a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation *Looking into the Revelation* shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ **Teachings of Kasnar** Eileen Winkworth,2012-02-14 I come and I greet you you the children of earth and I come with thoughts of wisdom and understanding towards you There are many of you who in your everyday lives find difficulties and problems which to you may seem insurmountable and these problems of material life seem to blind you to other things the spiritual aspect of your life and the true meaning of your life s existence here upon the earth *The Letter and the Spirit* Charles Peter Chretien,1861 Rosicrucian Fellowship Magazine ,1916

rooted negativity and raise the positive energy of the planet Their short time in Israel will prove to be both challenging and enlightening After completing their tasks in Israel they will travel to the Nile delta where they will board a private boat to visit more ancient energy sites They will discover many surprising things about themselves and struggle to overcome mind boggling mystical ancient energies They are pursued by and will have to face and do battle with the ultimate embodiment of evil energy Their adventure culminates in the most conceptually challenging incredible and unexpected finale to their mission for The Source Although a work of fiction it is based on many true and astonishing events experienced by my wife daughter and I during holistic trips to ancient energy sites around the world *2000 Architects* Aisha Hasanovic,2006
