Prehistoric Alex Wong, 2023-10-24 The improbable story of the birth of modern day pro basketball in Toronto In just over 25 years the Toronto Raptors have evolved from an intrepid expansion team to an NBA champion But for all the triumphs of the past decade the beginning looked a bit different When the franchise began its first season in 1995 a pro basketball team in Toronto was viewed as an experiment There was no playbook to follow and very few people gave them a chance to succeed In Prehistoric irreverent Raptors voice and culture writer Alex Wong explores the franchise s fascinating and unconventional inception through 140 original interviews with those involved with the team s very beginning examining the process of how the team came up with their name and logo inspired by the blockbuster film Jurassic Park taking a behind the scenes look at the drafting of star point guard Damon Stoudamire telling the backstories of a group of misfits who formed the first year roster and providing an in depth look at the team s opening night victory at the SkyDome and the expansion franchise s signature win over Michael Jordan and a 72 win Chicago Bulls team The Raptors boldly and intentionally pursued a much different audience in a hockey first town The result is a team who went through the necessary growing pains and eventually captured the heart of a city as told in this essential origin story through the lens of the people who were there to help lay the foundation for a thriving modern day basketball franchise in Toronto

Tales from the Flashback: "Raptors on a Plane" Wayne Kyle Spitzer,2018-04-26 There were three of them their clawed hands and snouts covered in blood only one of which had the strange comb of feathers that resembled a mohawk and it was at precisely that instant that this one raised its head and apprehended her its oil slick colored crest rising and falling its white eyes blinking before it barked at the others as though issuing orders and rushed toward her at which instant she climbed to her feet and swatted open the curtain to business class and was about to sprint forward into first class when she realized there was a door directly next to her a restroom and grabbed hold of its latch which was locked She pounded upon the door with her left fist even as she brought the revolver up with her right and was about to squeeze off a shot at Mohawk s snout which had just appeared around the edge of the curtain when the door suddenly opened and someone pulled her in someone who quickly shut the hatch and locked it And then she was breathing heavily trying to slow her heartrate which had raced out of control as the raptors clawed at the door and gnashed their teeth and a man in a pilot s uniform placed his palm over her trembling gun hand and lowered the pistol slowly Then everything just broke inside her and the tears started flowing as she threw her arms around him and sobbed almost violently all the while thinking how good it was how very good to no longer be alone
