Looking For Ilyriand:

The Great Illyrian Revolt Jason R. Abdale, 2019-06-30 The little known story of a fierce rebellion against the Romans A very good read for anyone interested in ancient military history and historiography The NYMAS Review In the year AD 9 three Roman legions were crushed by the German warlord Arminius in the Battle of the Teutoburg Forest This event is well known but there was another uprising that Rome faced shortly before which lasted from AD 6 to 9 and was just as intense This rebellion occurred in the western Balkans an area roughly corresponding to modern Croatia Bosnia and Herzegovina Slovenia Montenegro and parts of Serbia and Albania and it tested the Roman Empire to its limits For three years fifteen legions fought in the narrow valleys and forest covered crags of the Dinaric Mountains in a ruthless war of attrition against an equally ruthless and determined foe and yet this conflict is largely unknown today The Great Illyrian Revolt is believed to be the first book ever devoted to this forgotten war of the Roman Empire Within its pages we examine the history and culture of the mysterious Illyrian people the story of how Rome became involved in this volatile region and what the Roman army had to face during those harrowing three years in the Balkans **Forsaken Series** Nancy Veneau, 2011 **Ithaca** Claire North, 2022-09-06 From the multi award winning author Claire North comes a daring reimagining that breathes life into ancient myth and gives voice to the women who stand defiant in a world ruled by ruthless men It s time for the women of Ithaca to tell their tale North brings a powerful fresh and unflinching voice to ancient myth Breathtaking Jennifer Saint author of Ariadne Seventeen years ago King Odysseus sailed to war with Troy taking with him every man of fighting age from the island of Ithaca None of them has returned and the women of Ithaca have been left behind to run the kingdom Penelope was barely into womanhood when she wed Odysseus While he lived her position was secure But now years on speculation is mounting that her husband is dead and suitors are beginning to knock at her door No one man is strong enough to claim Odysseus empty throne not yet But as everyone waits for the balance of power to tip Penelope knows that any choice she makes could plunge Ithaca into bloody civil war This is the story of Penelope of Ithaca famed wife of Odysseus as it has never been told before Beyond Ithaca s shores the whims of gods dictate the wars of men But on the isle it is the choices of the abandoned women and their goddesses that will change the course of the world **Love Amidst Power: Beyond the Cinderella Tale 4** Valentine Liang, 2024-07-10 **Handbook of Language and Ethnic Identity** Joshua Fishman, Ofelia Garcia, 2011-04-21 Like the first volume The Handbook of Language and Ethnic Identity Volume 2 is a reference work on the interconnection between language and ethnic identity In this volume 37 new essays provide a systematic look at different language and ethnic identity efforts assess their relative successes and failures and place the cases on a success failure continuum The reasons for these failures and successes and the linguistic social and political contexts involved are subtle and highly complex Some of these factors have to do with whether the language is considered a dialect as in the cases of Bavarian Ebonics and Scots considered to be dialects of German American English and British English respectively Other

factors have to do with government policy as in the cases of Basque and Navajo Still other factors are historical such as the way Canaanite was supplanted in present day Israel by another classical language Hebrew Although the volume offers considerable sophistication in the treatment of language ethnicity and identity it has been written for the non specialized reader whether student or layperson The contributors are an international group of well known scholars in a range of fields Fishman and Garc a provide a detailed introduction that addresses the difficulty of assessing the success or failure of a language They also present a conclusion that integrates the data presented in the volume

national struggles as well as its cultural heterogeneity figured in English interests in the eastern Mediterranean and informed English ideas about ethnicity nationhood and religion In Shakespeare studies however critics have consistently cast Twelfth Night s Illyria as a utopia an enigma or a substitute for England Italy or Greece Arguing that twentieth century politics and negative conceptions of the eastern Adriatic as part of the Balkans have underwritten this erasure of Illyria from our perspective on the field Puljan Juric shows how entrenched cultural hierarchies tied to elitism and colonial politics still inform our analyses of literature She invites scholars to recognize that for Shakespeare and his contemporaries Illyria is the site of important socio political and cultural struggles during the period some shared with neighboring areas others
