Confession Adrienne von Speyr, 2017-03-22 In this second edition of her profound book on confession which theologian Hans Urs von Balthasar calls one of her most central works Adrienne von Speyr discusses the moral and practical aspects of this sacrament in great depth The most complete spiritual treatise on confession ever written the book covers conversion scruples contrition spiritual direction laxity frequency of confession confessions of religious and lay people and even confessions of saints The most intriguing element in von Speyr's understanding of confession fully developed in this volume is its trinitarian and christological basis The Cross is the archetypal confession and Christian sacramental confession is thus an imitation of Christ in the strict sense Confession examines the enormous fruitfulness of this dogmatic basis from many perspectives giving a wealth of suggestions that both the theological expert and the layman will find very helpful Its practical applicability to one's own confession emerges from every page

A Fresh Look at Confession David M. Knight, 2013 David Knight was forty years a priest before he learned that priests don't hear sins in confession What you are really revealing is your ideals he says The real you has a different set of ideals reflecting your heart instead of your lapses This you abides with God With these words Father Knight reveals that *A Fresh Look at Confession* is unlike anything you may have read about the sacrament He speaks about the heart of confession its meaning and mystery and why it is so necessary for authentic followers of Christ This is deep theology explained in clear language But it's also much more Father Knight's moving intensely personal account of his own journey as a sinner takes readers beyond theory and into the awe inspiring reality of our complete redemption in Jesus who does not just forgive but who takes away the sins of the world From a varied background as missionary teacher pastor professor retreat director and campus minister Father Knight's ministry has come to focus on making mystical experience commonplace in conscious Christian living Book jacket
