Looking Good For Guys:

Looking Good Lynne Luciano, 2002-01-09 Men once dreaded being accused of vanity but now they are spending millions on fitness training bodybuilding hair replacement and cosmetic surgery in the relentless pursuit of physical perfection In this lively examination Luciano explores what this new world reveals about American society today *Looking Good* Margaret A. Lowe, 2003 Winner of the Bridgewater State College Class of 1950 Distinguished Faculty Research Award Toward the end of the nineteenth century as young women began entering college in greater numbers than ever before physicians and social critics charged that campus life posed grave hazards to the female constitution and women's reproductive health A girl could study and learn Dr Edward Clarke warned in his widely read 1873 book *Sex in Education* but she could not do all this and retain uninjured health and a future secure from neuralgia uterine disease hysteria and other derangements of the nervous system For half a century ideas such as Dr Clarke's framed the debate over a woman's place in higher education almost exclusively in terms of her body and her health For historian Margaret A Lowe this obsession offers one of the clearest expressions of the social and cultural meanings given to the female body between 1875 and 1930 At the same time the college girl was a novelty that tested new ideas about feminine beauty sexuality and athleticism In *Looking Good* Lowe examines the ways in which college women at three quite different institutions Cornell University Smith College and Spelman College regarded their own bodies in this period Contrasting white and black students single sex and coeducational schools secular and religious environments and Northern and Southern attitudes Lowe draws on student diaries letters and publications institutional records and accounts in the popular press to examine the process by which new twentieth century ideals of the female body took hold in America *In Your Face* Shari Graydon, 2014-09-23 A lively thought provoking look at the power and pitfalls of the beauty industry hype From fairy tales and Hollywood movies to magazine ads reality TV and the Internet we absorb the lesson early being beautiful is the answer to our dreams It's harder than ever for teens to tune out the endless media messages promoting unattainable ideals yet at no time in history have they had more tools to change the message With *In Your Face* Shari Graydon encourages readers to think critically about the culture of beauty both past and present Whether it's the different standards for guys versus girls racial and size biases the assumptions we have about models and celebrities or the message that the right clothes makeup or surgical procedure can make you a better person Graydon's unbiased look into the realities behind our ideals will help teens deconstruct the beauty industry hype Fully rewritten and redesigned from the 2004 edition *In Your Face* has been updated to reflect the heightened pressures of beauty in the digital era both good and bad to shape our self image The appealing magazine style format stylish illustrations and conversational tone will draw readers into this empowering exploration of the complex subject of beauty Praise for the first edition Graydon will make readers laugh as well as think about the issues Booklist starred review This fabulously educational and informative book should be required reading for all teens VOYA *CAUGHT One More for the Good Guys* J.J.

Parker,2008-12-17 **CAUGHT One More for the Good Guys** tells the enduring true story of a female undercover officer who faced and overcame great odds in the line of duty It provides an insight into what it was like for a woman to be on the street with real life druggies thieves and murderers lurking around Through the author s view readers will experience every emotion that a soul could experience the excitement fun fear danger disappointment and the sense of accomplishment in doing something worthwhile Along the way this book also reveals the politics of law enforcement the impact crime has on the local community and much more Practical Female Psychology for the Practical Man Joseph W. South,2008-05-24

Practical Female Psychology for the Practical Man is a unique examination of women and relationships in an era of material equality between the sexes Despite vast gains in the welfare of women especially in the modern West both men and women are finding relationships ranging from dating to marriage increasingly difficult The author draws upon cutting edge science in evolutionary biology and neuropsychology and vast personal experience with women to distill some simple and practical principles men will find useful for creating and maintaining relationships with emotionally and sexually compatible women

Matchmaking in Middle Class India Parul Bhandari,2020-02-01 This book is an extensive and thorough exploration of the ways in which the middle class in India select their spouse Using the prism of matchmaking this book critically unpacks the concept of the modern and traces the importance of moralities and values in the making of middle class identities by bringing to the fore intersections and dynamics of caste class gender and neoliberalism The author discusses a range of issues romantic relationships among youth use of online technology and of professional services like matrimonial agencies and detective agencies encounters of love and heartbreak impact of experiences of pain and humiliation on spouse selection and the involvement of family in matchmaking Based on this comprehensive account she elucidates how the categories of love and arranged marriages fall short of explaining in its entirety and essence the contemporary process of spouse selection in urban India Though the ethnographic research has been conducted in India this book is of relevance to social scientists studying matchmaking practices youth cultures modernity and the middle class in other societies particularly in parts of Asia While being based on thorough scholarship the book is written in accessible language to appeal to a larger audience **One**
