Heart of Darkness - Ed. Goonetilleke - Third Edition Joseph Conrad,2020-07-21 The first incarnation of this Broadview edition of Heart of Darkness appeared in 1995 the second in 1999 both were widely acclaimed and the Goonetilleke Heart of Darkness remained for many years one of Broadview s best selling titles For the third edition the book has been completely revised and updated to take account of the scholarship of the most recent generation The introduction has been extensively rewritten and the appendices of contextual materials thoroughly overhauled The two previous editions of the Goonetilleke Heart of Darkness included a substantial selection of documents on the history of Benin ranging from excerpts taken from Olaudah Equiano s eighteenth century narrative to documents concerning the Benin massacre of 1897 Those documents concerning a neighboring Bantu society were included in large part because of the paucity of known late nineteenth century documents concerning the Congo by black Africans or indeed by black observers of any nationality In

place of those Benin related materials this new edition includes substantial excerpts from George Washington Williams s Letter to Leopold II as well as substantial excerpts from an extraordinary document not included in any other edition of Heart of Darkness but discussed extensively in two ground breaking twenty first century works of scholarship David Van Reybrouck s Congo The Epic History of a People and Maya Jasanoff s The Dawn Watch Joseph Conrad in a Global World the autobiography of Disasi Makulo Makulo grew up near the shore of the Congo River in the 1880s and early 1890s was enslaved by notorious ivory dealer Tippu Tip and then was taken under the wing of Henry Morton Stanley Makulo s account substantial excerpts of which are here translated into English for the first time opens an unprecedented window on life in the equatorial forest of the Congo in the late nineteenth century **The Complete Black Sun System** Tau AHA,2013-09-18

Templi de Niger Sol Temple of the Black Sun is an independent Kabbalistic Thelemic Lodge We offer practical magickal and mystical techniques which then lead into the working of the Black Sun system The Black Sun is a mentored self initiatory system consisting of several daily or weekly practices as well as a Eucharistic Mass It uses classic Kabbalistic and magickal symbols in an original reformulated way allowing the practitioner to harmonize energies of creation and destruction thereby tapping into the great rhythm of Being As above so below
