Looking Seeing Poems And Song Lyrics:

Looking ... Seeing Harry Chapin, 1975 The Look of Lyric: Greek Song and the Visual , 2016-04-26 The Look of Lyric Greek Song and the Visual addresses the various modes of interaction between ancient Greek lyric poetry and the visual arts as well as more general notions of visibility It covers diverse poetic genres in a range of contexts radiating outwards from the original performance s to encompass their broader cultural settings the later reception of the poems and finally also their understanding in modern scholarship By focusing on the relationship between the visual and the verbal as well as the sensory and the mental this volume raises a wide range of questions concerning human perception and cultural practices As this collection of essays shows Greek lyric poetry played a decisive role in the shaping of both **The Poetics of American Song Lyrics** Charlotte Pence, 2012 Poets teachers and musicologists fusing studies of form scansion and musical creation to redefine the place of the American bard AB Bookman's Weekly , 1999 **Herself an Author** Grace S. Fong, 2008-05-08 Grace Fong has written a wonderful history of female writers participation in the elite conventions of Chinese poetics Fong s recovery of many of these poets her able exegesis and elegant analytical grasp of what the poets were doing is a great read and her bilingual presentation of their poetry gives the book additional power This is a persuasive and elegant study Tani Barlow author of The Question of Women in Chinese Feminism In this quietly authoritative book Grace Fong has brought a group of women poets back to life Previously ignored by scholars because of their marginal status or the inaccessibility of their works these remarkable writers now speak to us about the sensualities pains satisfactions and sadness of being a woman in a patriarchal society Professor Fong a superb translator of Chinese poetry prose and criticism has rendered the works of these women in a way that is true both to our theoretical concerns and theirs Dorothy Ko author of Cinderella s Sisters A Revisionist History of Footbinding Professor Fong approaches the poetry of Ming Qing upper class women as a social cultural activity that allowed these women to manifest their agency and assert their own subjectivity against the background of virtual and actual networks of fellow female poets As the distillation of more than ten years of research by one of the leading scholars in this field this work is a timely contribution that eminently deserves our attention Given the inclusion of translations of some of the texts discussed the book provides a comprehensive introduction to the reading of women s poetry of the Ming Qing period Wilt Idema Harvard University **Herself an Author** addresses the critical question of how to approach the study of women s writing It explores various methods of engaging in a meaningful way with a rich corpus of poetry and prose written by women of the late Ming and Qing periods much of it rediscovered by the author in rare book collections in China and the United States The volume treats different genres of writing and includes translations of texts that are made available for the first time in English Among the works considered are the life long poetic record of Gan Lirou the lyrical travel journal kept by Wang Fengxian and the erotic poetry of the concubine Shen Cai Taking the view that gentry women s varied textual production was a form of cultural practice Grace Fong examines women s autobiographical

poetry collections travel writings and critical discourse on the subject of women's poetry offering fresh insights on women's intervention into the dominant male literary tradition The wealth of texts translated and discussed here include fascinating documents written by concubines women who occupied a subordinate position in the family and social system Fong adopts the notion of agency as a theoretical focus to investigate forms of subjectivity and enactments of subject positions in the intersection between textual practice and social inscription Her reading of the life and work of women writers reveals surprising instances and modes of self empowerment within the gender constraints of Confucian orthodoxy Fong argues that literate women in late imperial China used writing and reading to create literary and social communities transcend temporal spatial and social limitations and represent themselves as the authors of their own life histories The Cambridge Companion to Greek Lyric Felix Budelmann, 2009-04-30 Introduction to this wide ranging body of poetry which includes work by such famous poets as Sappho and Pindar **Rhetoric and the Discourses of Power in Court Culture** David R. Knechtges, Eugene Vance, 2012-03-25 Key imperial and royal courts in Han Tang and Song dynasty China medieval and renaissance Europe and Heian and Muromachi Japan are examined in this comparative and interdisciplinary volume as loci of power and as entities that establish influence or counter the norms of a larger society Contributions by twelve scholars are organized into sections on the rhetoric of persuasion taste communication gender and natural nobility Writing from the perspectives of literature history and philosophy the authors examine the use and purpose of rhetoric in their respective areas In Rhetoric of Persuasion we see that in both the third century court of the last Han emperor and the fourteenth century court of Edward II rhetoric served to justify the deposition of a ruler and the establishment of a new regime Rhetoric of Taste examines the court's influence on aesthetic values in China and Japan specifically literary tastes in ninth century China the melding of literary and historical texts into a sort of national history in fifteenth century Japan and the embrace of literati painting innovations in twelfth century China during a time when the literati themselves were out of favor Rhetoric of Communication considers official communications to the throne in third century China the importance of secret communications in Charlemagne's court and the implications of the use of classical Chinese in the Japanese court during the eighth and ninth centuries Rhetoric of Gender offers the biography of a former Han emperor's favorite consort and studies the metaphorical possibilities of Tang palace plaints Rhetoric of Natural Nobility focuses on Dante's efforts to confirm his nobility of soul as a poet surmounting his non noble ancestry and the development of the texts that supported the political ideologies of the fifteenth century Burgundian dukes Philip the Good and Charles the Bold **Collected Vocal Music, Part 1** William Lawes, 2002-01-01 xxxvi 91 pp **Reading in the Wilderness** Jessica Brantley, 2008-09-15 Just as twenty first century technologies like blogs and wikis have transformed the once private act of reading into a public enterprise devotional reading experiences in the Middle Ages were dependent upon an oscillation between the solitary and the communal In Reading in the Wilderness Jessica Brantley uses tools from both literary criticism and art history to illuminate Additional MS

37049 an illustrated Carthusian miscellany housed in the British Library This revealing artifact Brantley argues closes the gap between group spectatorship and private study in late medieval England Drawing on the work of W J T Mitchell Michael Camille and others working at the image text crossroads Reading in the Wilderness addresses the manuscript s texts and illustrations to examine connections between reading and performance within the solitary monk s cell and also outside Brantley reimagines the medieval codex as a site where the meanings of images and words are performed both publicly and privately in the act of reading

Intersecting Genre Jason Olsen,2023-08-10 Creative writing takes on many genres or forms fiction poetry nonfiction and dramatic writing Whilst all have their own principles and rules all modes of writing overlap and borrow from each other and so what you learn in one form can influence inform and inspire your practice in others Intersecting Genre holds this idea at its heart embracing the dissolution of disciplinary and genre boundaries to discuss the ways each genre supports the others Whilst traditional approaches typically discuss one genre independent of others this book explores genre relationships with each chapter focusing on the intersection between 2 modes and what you can learn and the skills you can transfer by combining the wisdom gained from the study of for example fiction and poetry together With most introductory creative writing courses aiming to apprise you of such mechanics of writing as narrative pace vocabulary dialogue imagery and viewpoint Intersecting Genre is the ideal companion offering a unique methodology that analyses these ideas as they feature across the different genres thus giving you the ultimate well rounded introduction before you settle into the modes of writing that best suit you as your progress with your writing Covering fiction poetry nonfiction writing plays and screenwriting and also taking stock of the forms that do not fit neatly into any genre silo this book uses models critical questions writing warm ups and writing practice exercises to give you a solid understanding of the points discussed and encouraging you to put them to practice in your own work With the field of creative writing evolving constantly and with approaches to teaching and learning the subject vast and continually expanding this book offers a dynamic and uniquely holistic method for developing your writing skills asking you to deeply consider the issues and possibilities present in genre

A History of English Literature and of the Chief English Writers Alexander Hamilton Thompson,Thomas Budd Shaw,1901 *Forms of Poetic Attention* Lucy Alford,2020-01-28 A poem is often read as a set of formal technical and conventional devices that generate meaning or affect However Lucy Alford suggests that poetic language might be better understood as an instrument for tuning and refining the attention Identifying a crucial link between poetic form and the forming of attention Alford offers a new terminology for how poetic attention works and how attention becomes a subject and object of poetry Forms of Poetic Attention combines close readings of a wide variety of poems with research in the philosophy aesthetics and psychology of attention Drawing on the work of a wide variety of poets such as T S

Eliot Wallace Stevens Frank O'Hara Anne Carson Theresa Hak Kyung Cha Harryette Mullen Al Khans Rainer Maria Rilke Arthur Rimbaud and Claudia Rankine Alford defines and locates the particular forms of attention poems both require and produce She theorizes the process of attention making its objects its coordinates its variables while introducing a broad set of interpretive tools into the field of literary studies Forms of Poetic Attention makes the original claim that attention is poetry's primary medium and that the forms of attention demanded by a poem can train hone and refine our capacities for perception and judgment on and off the page

The Contemporary Leonard Cohen Kait Pinder, Joel Deshayes, 2023-11-28 The Contemporary Leonard Cohen is an exciting new study that offers an original explanation of Leonard Cohen's staying power and his various positions in music literature and art The death of Leonard Cohen received media attention across the globe and this international star remains dear to the hearts of many fans This book examines the diversity of Cohen's art in the wake of his death positioning him as a contemporary multi-media artist whose career was framed by the twentieth century and neoliberal contexts of its production The authors borrow the idea of the contemporary especially from philosophy and art history applying it to Cohen for the first time not only to the drawings that he included in some of his books but also to his songs poems and novels This idea helps us to understand Cohen's techniques after his postmodern experiments with poems and novels in the 1960s and 1970s It also helps us to see how his most recent songs poems and drawings developed out of that earlier material including earlier connections to other writers and musicians Philosophically the contemporary also sounds out the deep feelings that Cohen's work still generates in readers and listeners Whether these feelings are spiritual or secular sincere or ironic we get them partly from the sense of timeliness and the sense of timelessness in Cohen's lyrics and images which speak to our own lives and times our own struggles and survival From a set of international collaborators The Contemporary Leonard Cohen delivers an appreciative but critical examination of one of our dark luminaries

Love, Loosha Lucia Berlin, Kenward Elmslie, 2022-11-01 At the time of her death in 2004 Lucia Berlin was known as a brilliant writer of short stories beloved by other writers but never achieving wide readership or acclaim That changed in 2015 with the publication of A Manual for Cleaning Women a collection of some of her best work Almost overnight Lucia Berlin became an international bestseller Love Loosha is the extraordinary collection of letters between Lucia Berlin and her dear friend the poet and Broadway lyricist Kenward Elmslie Written between 1994 and 2004 their correspondence reveals the lives work and literary obsessions of two great American writers Berlin and Elmslie discuss publishing and social trends political correctness and offending others and being offended They gossip They dish They entertain Love Loosha is an intimate conversation between two friends one in which we are invited to participate and one that will give fans of Lucia Berlin and Kenward Elmslie much pleasure and fresh insight into their lives and work
