## Looking Through Rosetinted Bifocals:

**Life Through Rose-Coloured Glasses** S V L Narayan, 2020-07-22 Every episode in our daily life has an in built story no matter how mundane Unfortunately that gets overshadowed by other events perceived to be more significant In this book the author takes you through a journey of incidents in his life that is sure to connect with the personal memories of each reader The title Life Through Rose coloured Glasses is a collection of vignettes that reflects the pleasant memories associated with them After reading the book the reader is sure to wonder I never realised that there are so many stories in my own life

**Not Much Fun** Dorothy Parker, 2009-10-20 Dorothy Parker collected most of her verse in three compilations from 1926-31 but some of her most entertaining and heartbreaking work was unknown to the general public until 1996 when Stuart Y Silverstein collected 121 of Mrs Parker's lost poems and free verses in Not Much Fun Now Mr Silverstein has added several previously uncollected items and has expanded his critically acclaimed introduction in this revised and updated edition of Not Much Fun The heretofore lost poem reproduced here was likely typed by Dorothy Parker herself note the four typographical errors after her affair with the philandering reporter Charles MacArthur The original typescript is preserved in the archives of the Special Collections of the Fales Library of New York University Book Jacket [Ironies Volume 1](#) Cam

Rascoe, 2022-08-09 The master of the short story and literary champion Cam Rascoe returns with a work of ironic truncated tales offering readers an array of essays stories and poems that edify and enrich the spirit Faithful fans of the Writings of Rascoe are taken on a sometimes jarring journey of probing prose offering intriguing insight into the human existence that nourish the soul Rascoe navigates natural narratives in his readily relatable curious characters Sustained suspense controlled chaos and love lessons articulated with an ironic twist and incongruous tone are experienced in this powerful composition of literature Ironies an intriguing entertaining and educationally instructive work of art for the masses *Sigh,*

*Gone* Phuc Tran, 2020-04-21 For anyone who has ever felt like they don't belong Sigh Gone shares an irreverent funny and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature In 1975 during the fall of Saigon Phuc Tran immigrates to America along with his family By sheer chance they land in Carlisle Pennsylvania a small town where the Trans struggle to assimilate into their new life In this coming of age memoir told through the themes of great books such as The Metamorphosis The Scarlet Letter The Iliad and more Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration feelings of isolation and teenage rebellion all while attempting to meet the rigid expectations set by his immigrant parents Appealing to fans of coming of age memoirs such as Fresh Off the Boat Running with Scissors or tales of assimilation like Viet Thanh Nguyen's The Displaced and The Refugees Sigh Gone explores one man's bewildering experiences of abuse racism and tragedy and reveals redemption and connection in books and punk rock Against the hairspray and synthesizer backdrop of the 80s he finds solace and kinship in the wisdom of classic literature and in the subculture of punk rock he finds affirmation and echoes of his

disaffection In his journey for self discovery Tran ultimately finds refuge and inspiration in the art that shapes and ultimately saves him

Nursing Issues in the 21st Century Eleanor C. Hein, 2001 With a varied collection of readings focusing on contemporary issues in professional nursing this first edition introduces students to the many perspectives affecting nurses and society This text incorporates both nursing and non nursing literature covering such issues as education and role transition governance and cost containment Articles are organized from simple to complex making it easy for faculty to assign readings to beginning intermediate and advanced students The author provides an introduction for each section of articles framing them in historical political and sociocultural settings

*Look* James H. Gilmore, 2016-08-23 Mastering the Way You See the World Inspired by Edward de Bono's Six Thinking Hats method Jim Gilmore has created a unique and useful tool to help our ability to perceive In his latest book *Look A Practical Guide for Improving Your Observational Skills* Gilmore introduces the metaphor of six looking glasses Each looking glass represents a particular skill to master in order to enhance the way we look at the world The six skills include binoculars bifocals magnifying glass microscope rose colored glasses and blindfold looking Each looking glass provides an observational lens through which to see the world differently This framework will help its users to See the big picture Overcome personal bias Pinpoint significance Better scrutinize numerous details Uncover potential opportunities See what's in the mind's eye These varying perspectives offer myriad practical applications They can help any executive manager or designer more richly observe customer behavior philanthropists and policy makers more keenly identify human needs and anyone else interested in innovative thinking to first ground their ideation in practical observation Gilmore helps readers grasp the Six Looking Glasses by including helpful everyday examples and practice exercises throughout Put into practice this method of looking will help you see the world with new eyes

Art Theory and Criticism Sally Everett,1995-01-15 Arranged chronologically the essays in this book each brilliantly introduced by the editor deal with the way art and culture interact in modern times Each author focuses on one aspect of modern art and its relation to culture by analyzing questioning or refuting the ideas about art that people just assume are true The essays are also grouped into one of four different models used by art theorists today the formalist in which the works of art describe the processes of making art the avant garde art that threatens the status quo the contextualist in which art can exist only in a specific situation or context and the post modernist stating that art is not completely detached from popular culture Instructors considering this book for use in a course may request an examination copy here **I Am**
