

LORD DURHAM'S REPORT

AN ABRIDGEMENT OF
*Report on the Affairs of
British North America*
BY LORD DURHAM

Edited and with an Introduction by Gerald M. Craig

The Carleton Library No. 1

McClelland and Stewart Limited

Lord Durhams Report

Janet Ajzenstat

Lord Durhams Report:

Lord Durham's Report Gerald M. Craig, Janet Ajzenstat, Guy Laforest, 2006-12-18 In his famous 1839 call to reform John George Lambton Earl of Durham recommended that Upper and Lower Canada be accorded responsible government by uniting the two provinces under a single legislative assembly a union which would also bring about the assimilation of the French Canadians The Report has been criticized ever since from British imperialists who found it dangerously liberal to French Canadians who despised Durham for his presumed racism This new edition of Gerald Craig s abridgement retains his 1963 introduction and adds essays that debate Durham s political assumptions and goals re examine the philosophical and historical context in which the Report was created and review the Report s reception and influence Janet Ajzenstat reconsiders the report in the context of nineteenth century debates about the relation between culture and political institutions arguing that Durham should be seen as a progressive universalist opposed to the divisions of race and creed who wanted to give more freedom to French and English Canadians alike Guy Laforest re examines the report in terms of British liberal imperialism and twentieth century English Canadian perspectives to argue that Durham was a one sided sociologist and the first in long line who used liberalism for imperialist purposes

Lord Durham's Report on the Affairs of British North America John George Lambton Earl of Durham, 1912 *The Durham Report and British Policy* Ged Martin, 1972-11-09 In 1838 Lord Melbourne s Whig government in Britain sent the radical Lord Durham to Canada as Governor General to deal with a colony in the aftermath of a rebellion Durham s vanity and arrogance made him a poor choice for the post and he resigned a few months later after the government had been forced to overrule him for exceeding his powers After his return to Britain he wrote his Report on the Affairs of British North America and its unauthorized publication in the Times caused a sensation This report the famous Durham Report has been seen as the starting point of the British tradition of colonial self rule leading through the Statute of Westminster of 1931 to the independent self governing Commonwealth of today

Lord Durham's Report and Its Consequences Chester Martin, John George Lambton Earl of Durham, 1939* *Political Thought of Lord Durham* Janet Ajzenstat, 1988 Lord Durham s Report on the Affairs of British North America is usually discussed only in terms of its historical context the events that brought Durham to Canada and the consequences of the Report s reform proposals In a markedly different approach Janet Ajzenstat treats the Report as a text in modern political thought She develops Durham s underlying arguments and assumptions demonstrating the essentially liberal character of his recommendations and revealing a tough minded argument about political freedom and the place of national minorities in a free society

Lord Durham's Report on the Affairs of British North America John George Lambton Durham (Earl of), 1912 **Lord Durham's Report** John George Lambton Earl of Durham, 1963 *Lord Durham's Report on the Affairs of British North America* John George Lambton Earl of Durham, 1912 **Lord Durham's Report on the Affairs of British North America** John George Lambton of Durham, 1912 *Lord Durham's Report on the Affairs of British*

North America John George Lambton Earl of Durham, 1912 **Life and Letters of the First Earl of Durham, 1792-1840** Stuart Johnson Reid, 1906 *Lord Durham's Report on the Affairs of British North America* John George Lambton Durham (Earl of), 1912 Lord Durham's Mission to Canada Chester New, 1963-01-01 This edition of Professor New's distinguished biography of Lord Durham reproduces that portion approximately one half which deals with Durham's mission to Canada and the production of his famous Report With its intimate picture of the political administration of the Canadas immediately after the 1837 rebellion this has long been required reading for every student of Canadian history and politics *Report on the Affairs of British North America* John George Lambton Earl of Durham, Charles Buller, Edward Gibbon Wakefield, 1839

Lord Durham's Report on the Affairs of British North America John George Lambton Earl of Durham, 2020-03-14

Promoters, Patriots, and Partisans Martin Brook Taylor, 1989-01-01 During the nineteenth century the writing of history in English speaking Canada changed from promotional efforts by amateurs to an academically based discipline Professor Taylor charts this transition in a comprehensive history The early historians the promoters of the title sought to further their own interests through exaggerated accounts of a particular colony to which they had developed a transient attachment Eventually this group was replaced by patriots whose writing was influenced by loyalty to the land of their birth and residence This second generation of historians attempted both to defend their respective colonies by explaining away past disappointments and to fit events into a predictive pattern of progress and development In the process they established distinctive identities for each of the British North American colonies Eventually a confrontation occurred between those who saw Canada as a nation and those whose traditions and vistas were provincial in emphasis Ultimately the former prevailed only to find the present and future too complex and too ominous to understand Historians subsequently lost their sense of purpose and direction and fell into partisan disagreement or pessimistic nostalgia This abandonment of their role paved the way for the new professional breed of historian as the twentieth century opened In the course of his analysis Taylor considers a number of key issues about the writing of history the kind of people who undertake it and their motivation for doing so the intended and actual effects of their work its influence on subsequent historical writing and the development of uniform and accepted standards of professional practice LORD DURHAM'S REPORT ON THE AFFAIRS OF BRITISH NORTH AMERICA John George Lambton Earl of Durham, 17, Charles Prestwood Sir Lucas, 1853-1931, 2016-08-29 **Lord Durham's Report on the Affairs of British North America** John George Lambton Durham (Earl of), 1992 *Lord Durham, a Biography of John George Lambton, First Earl of Durham* Chester William New, 1929 Report Public Archives Canada, 1899

Whispering the Secrets of Language: An Emotional Quest through **Lord Durhams Report**

In a digitally-driven earth wherever monitors reign supreme and quick transmission drowns out the subtleties of language, the profound techniques and emotional subtleties concealed within phrases often get unheard. However, set within the pages of **Lord Durhams Report** a fascinating fictional treasure pulsing with natural feelings, lies an extraordinary journey waiting to be undertaken. Composed by an experienced wordsmith, this charming opus invites visitors on an introspective journey, lightly unraveling the veiled truths and profound affect resonating within the fabric of each word. Within the emotional depths with this poignant evaluation, we shall embark upon a heartfelt exploration of the book's key styles, dissect their fascinating writing style, and yield to the strong resonance it evokes deep within the recesses of readers' hearts.
