immense amounts of research into the question of whether or not God exists and His relationship with the Bible itself He provides a unique and apparently undebatable proof of the existence of the New Testament Trinity in the Old Testament itself Using various Scriptures and known history he provides excellent proofs of the fact that Christ s crucifixion had been prophesied literally centuries beforehand in several Scriptures He also uses the ancient Jewish Talmud and the similarly ancient Greek Magical Papyri to demonstrate a fact that is now well established among Jesus researchers that Christ was a magician so powerful that according to the Talmud He had been able to strongly influence the entire nation of Israel itself In addition Mr Moar provides a unique and very powerful proof of Christ s empty tomb at the time of His purported resurrection Finally Mr Moar uses his knowledge of psychology to show that you will probably be happier as a Christian than otherwise Thus reading Mr Moar s book can literally be a life changing experience Be prepared ha ha **The Glory to Glory**
