The Christian Vegan Revised Psalms Saba,2005-03-28 This book is a must read for all groups of people It clearly shows how the Creators will for all beings is always good and why the laws of God forbids any animal and nature abuse It also explains how Christianity the science of God Christian Science and the vegan way of life are all based on the same biblical principles Most of the psalms in this book are carefully revised and edited in order to bring forth more of their spiritual meaning These potent songs comprise the gospel of nature the spirit and the sentiments of all living beings through Christ Jesus the perfect psalmist Moreover the book shows the Lord Christ Jesus to be the only true savior shepherd cowherd and the best friend of all the animals and Gods universe It also acknowledges the signs and the wonderful works of the Lord Holy Spirit in the world today In short the reader can learn more from this book how to worship the Holy Father of the anointed in righteousness how to be saved from the second death and how to work for lasting peace full redemption and healing of the universe by adapting the Christian vegan and the scientifically sound way of life **Is God a Vegetarian?** Richard A. Young,1999 Young gives us a fresh reading of the Jewish and Christian traditions on animal related issues

correcting misguided Christian views on the relation between humans and animals while facing up to the hard questions for Christians who want to embrace vegetarianism as a morally responsible way of life

Cover Why Every Christian Should Be a Vegan Ryan Hicks, 2019-01-17

Today much of Christendom is closely associated with the eating of animals. Some churches even have hunting and fishing trips. Meat, eggs, and dairy are a staple in most professing Christians' diets. Is any of this in line with God's will or pleasing to Him? Could it be that so many passages of Scripture that traditions have told us are teaching the ethics of killing animals are actually stating something completely different? This book takes a Scriptural approach to the subject of humanity's treatment of animals: what God desires from us and what the Bible says about it all. If you have been raised thinking that animals are here to be food for humans or for our entertainment, then by reading this book you will discover many edifying truths. There are so many topics covered that almost every question one could have about veganism from a Christian perspective is answered.

The contents of the book are:

- Introduction
- Chapter 1: What Is Veganism
- Chapter 2: Terms Used
- Chapter 3: What Is Meat

presented in this book contributes new knowledge to the field with particular emphasis on banking practice. It is expected that the theories presented herein will be of interest for other scholars not only within the realm of practical theology but also in a cross domain perspective where scholars in a broad field of disciplines may find the research and academic positions of interest. Such academic fields would include economics, finance, business administration, sociology, history, anthropology, and perhaps more. This expectation may not least be derived from the increasing focus on Corporate Social Responsibility (CSR) as this has emerged over the last decades within the wider business realm in general, whence the world of banking has followed suit. Alongside this development, an emergence of Islamic banking has been seen which has showed substantial growth and success. *Planetwise* Dave Bookless, 2008-02-15. This is not another book on green issues to make you feel guilty. There is hope. God can take your small and insignificant efforts and multiply them in his great plan. Besides honouring Him, living simply can be an exciting adventure. **BOOK JACKET** [Pride Goes Before Destruction](#) Matthew A. King, 2023-06-20. The exciting follow up to *I Will Abolish the Bow*. Christianity, Personhood, and the End of Animal Exploitation. *Pride Goes Before Destruction* takes a critical look at factory farming which is driven by humanity's pride towards animals. Fitting to the title, this relationship with animals has bled into human affairs as factory farming is responsible not only for animal cruelty but also for antibiotic resistance, environmental destruction, climate change, and many other issues. Matthew A. King criticizes humanity's pride and offers a biblical solution to its consequences. The New Covenant in Jesus Christ. Bristling with persuasive historical evidence and thoughtful biblical interpretation, King makes a compelling case for the inclusion of animals within the sphere of Christian moral consideration which can help heal humanity's fractured relationship with the planet and even their own health. Additionally, this book answers many questions and offers supplemental material to build on the arguments established in *I Will Abolish the Bow*.
