Joanne Shattock,Angus Easson,2017-09-29 Features Elizabeth Gaskell s work This work brings together her journalism her shorter fiction which was published in various collections during her lifetime her early personal writing including a diary written between 1835 and 1838 when she was a young mother her five full length novels and The Life of Charlotte Bronte

The Lion and the Eagle Kathleen Burk,2018-08-23 An invigorating history of the arguments and cooperation between America and Britain as they divided up the world and an illuminating exploration of their underlying alliance Throughout modern history British and American rivalry has gone hand in hand with common interests In this book Kathleen Burk brilliantly examines the different kinds of power the two empires have projected and the means they have used to do it What the two empires have shared is a mixture of pragmatism ruthless commercial drive a self righteous foreign policy and plenty of naked aggression These have been aimed against each other more than once yet their underlying alliance against common enemies has been historically unique and a defining force throughout the twentieth century This is a global and epic history of the rise and fall of empires It ranges from America s futile attempts to conquer Canada to her success in opening up Japan but rapid loss of leadership to Britain from Britain s success in forcing open China to her loss of the Middle East to the US and from the American conquest of the Philippines to her destruction of the British Empire The Pax Americana replaced the Pax Britannica but now the American world order is fading threatening Britain s belief in her own world role *A Bronte Family Chronology* E. Chitham,2003-11-04 This new addition to Palgrave Macmillan s Author Chronologies Series details events in the lives of the Bront sisters and their associates Major events such as the publication of history of their works are included and are balanced by details of Bront domestic life There are original discussions in the light of chronology of the scandal affecting the Bront s brother Branwell and the imaginary kingdoms shared by all four children **The Survey of London: London north of the Thames** Walter Besant,1911 **The Survey of London: London south of the Thames. 1912** Walter Besant,1911 *The Best Books: F, History and historical biography.
