Lorna Doone R. D. Blackmore,1966 **Lorna Doone, Part 1** R. D. Blackmore,2018-08-08 Lorna Doone R D Blackmore
If anybody cares to read a simple tale told simply I John Ridd of the parish of Oare in the county of Somerset yeoman and
churchwarden have seen and had a share in some doings of this neighborhood which I will try to set down in order God
sparing my life and memory And they who light upon this book should bear in mind not only that I write for the clearing of
our parish from ill fame and calumny but also a thing which will I trow appear too often in it to wit that I am nothing more
than a plain unlettered man not read in foreign languages as a gentleman might be nor gifted with long words even in mine
own tongue save what I may have won from the Bible or Master William Shakespeare whom in the face of common opinion I
do value highly In short I am an ignoramus but pretty well for a yeoman We are delighted to publish this classic book as part
of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and
therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this
vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print
after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original
works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been
guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope
that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Lorna Doone* ,1940

Lorna Doone Richard D. Blackmore,1961 **Lorna Doone** R. D. Blackmore,2023-08-27 Reproduction of the original The
publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with
impaired vision
