Matsumoto,2016-12-15 Even before wartime incarceration Japanese Americans largely lived in separate cultural communities from their West Coast neighbors The first generation American children the Nisei were American citizens spoke English and were integrated in public schools yet were also socially isolated in many ways from their peers and subject to racism Their daughters especially found rapport in a flourishing network of ethnocultural youth organizations Until now these groups have remained hidden from the historical record both because they were girls groups and because evidence of them was considered largely ephemeral In her second book Valerie Matsumoto has recreated this hidden world of female friendship and comradeship tracing it from the Jazz age through internment to the postwar period Matsumoto argues that these groups were more than just social outlets for Nisei teenage girls Rather she shows how they were critical networks during the wartime upheavals of Japanese Americans Young Nisei women helped their families navigate internment and more importantly recreated communities when they returned to

their homes in the immediate postwar period This book will be a considerable contribution to our understanding of Japanese life in America youth culture ethnic history urban history and Western history Matsumoto has interviewed and gained the trust of many now old women who were part of these girls clubs **Los Angeles School Journal** ,1927 **Mad Men, Women, and Children** Heather Marcovitch,Nancy Batty,2012-07-13 As rich and complex as *The Sopranos* or *The Wire* *Mad Men* demands a critical look at its narrative and characters as representative of both the period it depicts and of our memories and assumptions of the period *Mad Men Women and Children* Essays on Gender and Generation edited by Heather Marcovitch and Nancy Batty focuses on women and children two groups that are not only identified together in this period women characters in this show are often treated as coddled children and the children look to their parents as models of adult behaviors but are also two groups who are beginning to gain political and social rights in this period The connections between the women of *Mad Men* early second wave feminism and contemporary third wave feminism and post feminism invite discussion in nearly every episode These characters are further contextualized in light of historical figures and events from the death of Marilyn Monroe and the assassination of Kennedy to the March on Washington and the bohemian counterculture Moreover the points of view of the children who are now adult viewers of *Mad Men* bridge the 1960s to the social and cultural concerns of today *Mad Men Women and Children* presents an examination of these characters and issues in light of 1960s feminist writers such as Betty Friedan and popular writers such as Helen Gurley Brown of historical events like the Civil Rights Movement and the Women s Liberation Movement and as lenses through which to view the sensibilities of the early 1960s **American Zeus** Taso G. Lagos,2018-01-13 Alexander Pantages was 13 when he arrived in the U S in the 1880s after contracting malaria in Panama He opened his first motion picture theater in 1902 and went on to build one of the largest and most important independently owned theater chains in the country At the height of the Pantages Theaters reach he owned or operated 78 theaters across the U S and Canada He amassed a fortune yet he could not read or write English In 1929 he was convicted of sexually assaulting a 17 year old dancer a scandal that destroyed his empire and reduced him to a pariah The day his grandest theater the Pantages Hollywood opened in 1930 he lay sick in a jailhouse infirmary His conviction was overturned a year later after an appeal to the California State Supreme Court but the question remains How should history judge this theater pioneer wealthy magnate and embodiment of the American Dream **From Back Alley to the Border** Alicia Gutierrez-Romine,2020-11 In *From Back Alley to the Border* Alicia Gutierrez Romine examines the history of criminal abortion in California and the role abortion providers played in exposing and exploiting the faults in California s anti abortion statute throughout the twentieth century Focused on the patients who used this underground network and the physicians who facilitated it Gutierrez Romine provides insight into the world of illegal abortion from the 1920s through the 1960s including regular physicians as well as women and African American abortionists and the investigations scandals and trials that surrounded them During the 1930s the Pacific Coast Abortion Ring a large

coast wide and comparatively safe abortion syndicate became the target of law enforcement agencies forcing those needing abortions across the border into Mexico and ushering in an era of Tijuana abortion tourism in the early 1950s The movement south of the border ultimately compelled the California Supreme Court to rule its abortion statute void for vagueness in *People v Belous* in 1969 four years before *Roe v Wade* Gutierrez Romine presents the first book focused on abortion on the West Coast and the U S Mexico border and provides a new approach to studying how providers of illegal abortions and their clients navigated this underground network In the post Dobbs moment *From Back Alley to the Border* shows us how little we have learned from history
