solar system It was Earth with the Powleen people and also the Martians against the snake looking people called the Arcons and their friends the Thracians who resemble dog like people with sharp claws There were crashed ships all over our planets and their moons in our solar system It was the Battle of all Battles It decided the control of our Galaxy If you think all of this sounds good wait till you read the book its action packed from start to finish I know you will enjoy Moon People Trilogy It s some of my best work And don t worry some day you just might see something that resembles Moon People 3coming to your local Book store near you Thank you and God Bless Dale M Courtney Author
