Lost And Found Catholics Voices Of Vatican II:

Lost & Found Catholics Christopher M. Bellitto, 1999 Hear the stories of a generation coming to terms with their own experience of Church Christopher Bellitto himself a member of this generation has listened to these prodigal sons and daughters These voices offer poignant and articulate perceptions of the confusion that followed the wake of Vatican II In *Lost and Found Catholics* those reaching back to the Church or trying to find a comfortable spot to call home will hear echoes of their own stories and perhaps find the catalyst for coming to terms with their own experience of Church Those who minister to returning Catholics will understand more deeply the concerns of these lost and found Catholics **Views from the Pew, Pulpit and Women Religious** Ed Koncel, 2010-07 In his very personal account Ed Koncel a well read and thoughtful Catholic shares his recollections of the church past his frustrations with the church present and his hopes for Catholicism s more vibrant future Robert McClory author of *As It Was in the Beginning* Ed Koncel writes from the perspective of a faithful son of the Church faithful over the course of his long life He writes with both passion and compassion in regard to the people and the proceedings of the Second Vatican Council and the developments since the Council Obviously well read and actively involved in various groups working to make real the words and spirit of the documents of the Vatican II he speaks with the authority of knowledge and personal experience and integrity I believe he also speaks as one whose love of the Church motivates him to keep working for its coming to accept the full participation of all in the liturgical and governmental life of its people Mr Koncel strikes me as a man of hope an extraordinary virtue in our time Denise Wilkinson SP General Superior of the Sisters of Providence *Faith Formation 4.0* Julie Anne Lytle, 2013-03 Using an ecological approach to study how emerging technologies impact individual and communal formation *Faith Formation 4.0* looks at how our efforts to be story keepers story sharers and story makers have evolved over four eras of human communication Framed by the Great Commission imperative to make disciples this book offers a road map to help leaders develop goals to form inform and transform new members as well as long time believers within a faith community The author successfully illustrates that church success depends not only on knowing the Christian message of God s enduring love but also how to use today s tools appropriately for evangelization and faith formation *American Law from a Catholic Perspective* Ronald J. Rychlak, 2015-03-11 Edited by Ronald J Rychlak *American Law from a Catholic Perspective* is one of the most comprehensive surveys of American legal topics by major Catholic legal scholars Contributors explore bankruptcy corporate law environmental law family law immigration labor law military law property torts and several different aspects of constitutional law among other subjects Readers will find probing arguments that bring to bear the critical perspective of Catholic social thought on American legal jurisprudence Essays include Michael Ariens s account of Catholicism in the intellectual discipline of legal history William Saunders s assessment of human rights and Catholic social teaching Hadley Arkes s look at the place of Catholic social thought with respect to bioethics and many others on major legal topics and their intersection with Catholic

social teaching American Law from a Catholic Perspective is essential reading for all Catholic lawyers judges and law students as well as an important contribution to non Catholic readers seeking guidance from a faith tradition on questions of legal jurisprudence Based on well developed and established ideas in Catholic social thought the evaluations suggestions and remedies offer ample food for thought and a basis for action in the realm of legal scholarship
