Lost Shepherd Agnes Mary White Sanford,1971-01-01 The Publishers' Trade List Annual ,1899 Paperbound Books in Print ,1984 **Books in Print Supplement** ,1982 **Still Moving** Robert C. Pelfrey,2017-08-29 Speaking about love Jesus said we should be perfect as our heavenly Father is perfect Was Jesus joking Was he setting us up for failure Or was Jesus offering us a greater experience of God s love than we are currently settling for Still Moving is about the journey of love s perfection God wants to make us perfect in love in this life And God wants us to strive after God s perfect and perfecting love Still Moving is for individuals and groups seeking to give shape to their formation to clarify the goal of their faith and to live in deeper intimacy with God Areas include Learning and living God s will for your life and for the world Joining your life story to God s story and cultivating the mind of Christ Simplifying your bodily life and experiencing God s power in your body Living intentionally from the deepest part of your being in union with God Tearing down personal and societal walls of prejudice class violence and ideology Still Moving includes sections for group discussion or further personal exploration and action So let s go The journey of love s perfection begins with the first step *Books in Print* ,1977 The Grampian Quartet Nan Shepherd,2009-05-01 The Quarry Wood although published well before *Sunset Song* inhabits a similar world the progress of its heroine could almost be the alternative story of a Chris Guthrie who did go to university Compassionate and humorous the grace and style of Shepherd s prose is heightened by a superb ear for the vigorous language of the north east The Weatherhouse Shepherd s masterpiece is an even more substantial achievement which belongs to the great line of Scottish fiction dealing with the complex interactions of small communities and especially the community of women a touching and hilarious network of mothers daughters spinsters and widows It is also a striking meditation on the nature of truth the power of human longing and the mystery of being The third and final novel *A Pass in the Grampians* describes Jenny Kilgour s coming of age as she has to choose between the kindly harshness of her grandfather s life on a remote hill farm and the vulgar and glorious energy of Bella Cassie a local girl who left the community to pursue success as a singer and has now returned to scandalise them all *The Living Mountain* is a lyrical testament in praise of the Cairngorms It is a work deeply rooted in Shepherd s knowledge of the natural world and a poetic and philosophical meditation on our longing for high and holy places This is the first omnibus edition of Shepherd s prose works her sensitivity and powers of observation raise her work far above the status of regional literature and into the front rank of Scottish writing

Moving from I to We Paul Ford,2014-02-27 If you think you re frustrated with church leadership in America imagine how God must feel Dr Paul R Ford illumines key Scripture passages to exhort readers to go back to the Spirit led form of leadership God intends for the accomplishment of his kingdom work By proving that leadership in the body of Christ is to be a series of functions to be fulfilled by a group of people not just key leaders Ford inspires a collective sigh of relief and energizes us to move forward God s way What a difference that would make *Iona Abbey Worship Book* Iona

Community, 2001 The services and resources in this book reflect the Iona Community's commitment to the belief that worship is all that we are and all that we do both inside and outside the church with no division into the sacred and the secular The material draws on many traditions including the Celtic and aims to help us to be fully present to God in our neighbour in the political and social activity of the world around us and in the very centre and soul of our being **Journal of a Dissenter**

Chris Wright, 2025-01-20 This is a lengthy intellectual journal by a political radical that ranges over a variety of subjects such as Marxism capitalism history many schools of modern philosophy psychology economics and contemporary American politics It also includes quite a few personal passages but I've kept those only because they express common experiences and youthful psychological tendencies Its most useful content for students might be its many summaries of good historical and scientific scholarship especially in the journal's second half Ultimately the document is a fairly comprehensive expression of a particular society as refracted through an inquisitive and critical mind from the ages of 15 to 44
