Lost Girl, 2012 Lost girl focuses on the gorgeous and charismatic Bo a supernatural being called a succubus who feeds on the energy of humans sometimes with fatal results Refusing to embrace her supernatural clan system and its rigid hierarchy Bo is a renegade who takes up the fight for the underdog while searching for the truth about her own mysterious origins

Cinema of Disorientation Dominic Lash, 2020-07-06 Precisely perhaps because they are so immediately absorbing narrative films can also be profoundly confusing and disorienting This fascinating book neither proposes foolproof methods for avoiding confusion nor does it suggest that disorientation is always a virtue Instead it argues that the best way to come to terms with our confusion is to look closely at exactly what is confusing us and why At the heart of the book are original close readings of four important recent films David Lynch s INLAND EMPIRE 2006 Leos Carax s Holy Motors 2012 Pedro Costa s Colossal Youth 2006 and Jean Luc Godard s Goodbye to Language 2014 Clearly written but critically and theoretically bold The Cinema of Disorientation Inviting Confusions explores both how we get or fail to get our bearings with respect to a film and what we might discover by and while doing so

Don't Be That Girl Travis L. Stork, 2008-01-01 Don t worry This is not that book Travis Stork the handsome and charismatic star of The Bachelor Paris has chalked up more dating experience than most men could claim in a lifetime As an ER doctor he s also an expert on the psychological and physiological factors involved in mental and emotional well being In Don t Be That Girl he combines his personal experience and professional expertise to help you demystify the self defeating behaviors that characterize that girl behaviors that unfortunately even if unintentionally prevent many women from getting the most from their lives and relationships Don t Be That Girl cuts to the heart of what makes a woman cross into that girl territory and the red flags that tip guys off to the possibility that yikes they may be dating that girl So who is that girl exactly She defies a simple definition She may be the chameleon who turns into a completely different person the second a guy walks into the room She could be the girl with the ironclad agenda that she s held to dearly since her first encounter with Modern Bride and she ll do anything to make sure her plan materializes Or she s the consummate yes girl who is always going along with his every wish If she s not saying yes she might very well be a drama

queen who is always saying no because she can't seem to live without conflict. Then again she might not be dramatic at all, just miserable inside wearing her anger and bitterness as a badge of honor. In short she's the girl who's trying fruitlessly to be someone she's not, who's falling victim to the common pitfalls and patterns that lead to that girl behavior rather than believing in herself, following her passions and maintaining healthy priorities. But *Don't Be That Girl* isn't all cautionary tales and bad news. Often the same traits that make a woman that girl are the traits that at their core are her biggest strengths if she only knew how to refocus them. By drawing attention to and celebrating these positive attributes, Dr. Stork reveals how to cultivate and take advantage of them in ways that will lead you to the confidence and happiness that you deserve. Whether you are in a relationship hopelessly searching or somewhere in between, this book will arm you with practical insights so you will never again have to ask yourself, "Is it me or is it him?"
